SEN. SIMMONS CONDITION CONTINUES TO IMPROVE MAY BE ABLE TO RETURN TO WASHINGTON LATTER PART OF WEEK

The friends of Senator F. M. Simmons who arrived in the city last Sunday from Washington, D. D., to recuperate after a break-down caused from overwork, will be glad to learn that his condition is steadily improving and he will probably be ready to return to Washington about the latter part of this week.

The chief cause of Senator Simmons' illness was an abscessed tooth. The Senator hoped that he would be able to cure this by treatment but it was found that this did no good and the molar has been extracted.

W. W. Leitster the Senator's private

secretary, who accompanied him to New Bern, returned to Washington last night.

DELICATE CHILD

Made Strong And Healthy By Vinol.

Growing children play hard and work hard at school, which with rapid growth uses up an enormous amount of energy and vitality that must be replaced.

When a child is tired all the time, no appetite, weak, delicate and sickly we guarantee Vinol, our delicious cod liver and iron tonic, will build them up, create a hearty appetite, sound flesh and muscle tissue, pure, healthy blood, and make them strong.

Mrs. L. L. Bertrand, New Iberia, La., says: "My little one was continually taking cold. Different medicines failed to help, but when Vinol was recommended I found it a wonderful help to my child. It broke up the cold, and quickly restored health and strength. Vinol is a most excellent tonic for children."
