ATTENTION MOTHERS

If You Have Or Know Of A Delicate Child Read This Letter.

"Mr little daughter Louise, age 9 years, has always been delicate, anaemic, had no appetite and seemed listless, and we could not seem to find anything that would help her. Vinol was advised and she started taking it six weeks ago and inside of two weeks she showed a marked improvement both in appetite, vim and looks. Being so well pleased with the results, I continued giving it to her, and words fail to express my gratitude, and faith in Vinol both as a blood maker and body builder. As my child was an anaemic for so long makes the reason all the stronger for me to recommend it to others in similar condition." Geo. Munro, Brooklyn, N. Y.
Vinol restores health and strength in conditions like this because in a natural manner it increases the appetite, tones up the digestive organs, enriches the blood and strengthens every organ of the body.

Every bottle of Vinol is guaranteed to give satisfaction or money refunded. F. S. Duffy Duffy, Druggist, New Bern, N. C.

VERA CRUZ, May 19.—Mexican newspapers this afternoon announced that Huerta had summoned Francisco De-La-Barra from France to take over the presidency of the country. Dr. Urrita believes that Huerta's government will crash down within the next eight days.

Another report current tonight was to the effect that the bodyguard of the dictator had mutinied. This report could not be confirmed.

It became known this afternoon that Spain had ordered one of its warships to this port in order to protect its subjects and to secure the release of Senor Trabaga who is held a prisoner by the Constitutionalists at Tampico because he had refused a war loan of half a million dollars.

Captain Carden said yesterday, in speaking of the departure, that the gymnasium on the government wharf here had been completed and was ready for the apparatus, which is being shipped from Spaulding this week. This is the gift of Lloyd's, the well known underwriters of England, and the American underwriters in token of the appreciation of the saving of the British steamer Alcazar, which was grounded off Cape Lookout. The apparatus covers all that is needed in a gymnasium and cost \$1,000. The building cost the government \$1,500. There is also a pool room in connection with the gymnasium.—Wilmington Star.

Health a Factor in Success.

The largest factor contributing to a man's success is undoubtedly his health. It has been observed that a man is seldom sick when his bowels are regular—he is never well when they are constipated. For constipation you will find nothing quite so good as Chamberlain's Tablets. They not only move the bowels but improve the appetite and strengthen the digestion. They are sold by all dealers.

Spring Laxative & Blood Cleanser

Flush out the accumulated waste and poisons of the winter months; cleanse your stomach, liver and kidneys of all impurities. Take Er. Kings' New Life Pills; nothing better for purifying the blood. Mild, non-gripping laxative. Cures constipation; makes you feel fine. Take no other. 25c. at your Druggist.
