SAYS THOMAS LEADS IN ONSLOW COUNTY

CHAIRMAN OF COMMITTEE TELLS CORRECT RESULT OF PRIMARY

H. C. Canady, Chairman of the Democratic Executive Committee of Onslow county and also Mayor of Jacksonville, was in the city yesterday and while here gave out some very interesting information in regard to the situation in that county along Congressional lines.

Mr. Canady stated that only two of the twenty-two precincts in the county had been heard from and that in these, Hon. Charles R. Thomas, of New Bern led for first choice by a large majority. He was unable to give the exact number of ballots.

There are ten other precincts to be heard from and it is probable that the vote in these will not be known until the Executive Committee of the District meets at Goldsboro on Wednesday to canvass the ballots. In Mr. Canady's opinion, Mr. Thomas will have a majority in those precincts.

George E. Hood of Wayne, C. S. Wallace of Morehead City, Congressman Faison and Ex-Judge C. H. Guion of New Bern received some votes in Onslow but their strength there cannot be estimated on account of the fact that it is so largely divided.

At this writing, Tuesday morning, judging from reports from the entire district, Thomas is still in the lead with Hood following. The final results will not be known until Wednesday when the committee will meet in Goldsboro and count the votes and declare the final results.
