

## SENATE COMMITTEE TO PAY SOUTHPORT VISIT

WILL MAKE INSPECTION OF THAT POINT AS POSSIBLE COALING STATION

WILMINGTON, June 2.—The traffic committee of the Chamber of Commerce, of which Mr. J. Allan Taylor is chairman, has been advised by Senator Overman that the Senate committee on location of the proposed government coaling station which is likely to be established at some point on the Atlantic coast will visit Wilmington and Southport next fall.

Wilmington and Southport have united in an effort to secure the coaling station for the latter place. These two ports are working through their commercial bodies, Wilmington through the Chamber of Commerce and Southport through the Commerce Association. Committees from both were appointed some time ago. The latter organization issued an attractive leaflet setting forth concisely the many advantages of Southport for the coaling station.

The Senate committee will visit Norfolk, Charleston, Brunswick, Jacksonville, and other South Atlantic ports.

### WON'T REBUILD

Plant At Oriental Won't Be Replaced.

Reports from Oriental are to the effect that the ten thousand dollar pine knot factory which was destroyed by fire there one night last week, will not be rebuilt and this decision on the part of the owner, R. A. Dudley, is regretted by the citizens of the town. This plant which manufactured oil-palats, varnishes and medicines from the pine knots, was the only one of its kind in the world and was doing a thriving business up until the time that it was destroyed by fire. The origin of the flames still remains a mystery and the only solution is that they were caused by spontaneous combustion, caused by the excessive heat and the dry weather.

### RAPID PROGRESS BEING MADE ON WAREHOUSE

Rapid progress is being made on the construction of the tobacco warehouse. The walls have been erected to the first floor and the flooring placed in position. With the present force employed it is expected that the building will be completed within a few weeks.

### TWENTY MARRIAGE LICENSES DURING MONTH OF MAY.

There were twenty marriage license issued during the month of May, seven of which were issued to white people, the remaining thirteen were issued to colored people.

Mrs. W. C. Gibbs, of Bayboro, returned home yesterday after visiting at the home of Mrs. D. W. Basnight.

### NEW HOSPITAL

Work of Construction Has Been Started

Although the contract for the construction of St. Luke's hospital was awarded several weeks ago, work was not started on the building until very recently. The work of laying the foundations is now in progress, and it is expected that the material for the building will be placed on the grounds soon.

This building will be located on the corner of Broad and Middle streets, and, when completed, will be one of the finest hospitals in the State.

### ATLANTIC COAST LINE PUTS ON NEW TRAIN

CHANGES UP SCHEDULE ALL OVER ITS EASTERN LINE—LOW RATES.

A number of changes in schedules went into effect yesterday on the Atlantic Coast Line which will be of much benefit to all.

A Sunday train will be inaugurated and continue until about September 13th, which will arrive at Wilmington from New Bern at 10:15 a. m., and leave for this point at 7:30 p. m.

Nos. 59 and 60, which have heretofore been operated between Wilmington and Sanford daily except Sunday will hereafter be run every day between Wilmington and Fayetteville only, arriving at Wilmington at 10:15 a. m., and leaving at 6:30 p. m. as at present.

As previously announced, the Florence local began running daily, instead of daily except Sunday, on May 3rd. This train leaves Wilmington at 6:20 p. m., and arrives at 9:55 a. m.

These Sunday trains will accommodate the travel from and to nearby points to Wrightsville Beach and Wilmington's other beach resorts and the Atlantic Coast Line has announced low rate Sunday excursions to Wilmington commencing next Sunday and continuing until about September 13th, as follows, with proportionately low rates from intermediate points.

## THE TABERNACLE EXCURSION TOMORROW

HUNDREDS WILL SPEND THE DAY AT THE SEASHORE—LOW FARES

Tabernacle excursion picnic, which is looked forward to for several days goes to Morehead City tomorrow. The train will leave the "ACADEMY GREEN" promptly at 8:00 o'clock A. M. Returning will leave Morehead City at 7:15 P. M.

The fare for the round trip will be \$1.00 for adults and children under 15 years of age 50c. This includes a good old fashioned country picnic dinner and transportation to and from the beach free of charge.

Arrangements have already been made with Mr. Wade of Morehead City to use his pavilion at the Beach and boats have been chartered to take the crowd to and from Morehead City. Bath suits and all the necessary arrangements for surf bathing can be had at the beach and the fare to and from the beach as well as a big picnic dinner is thrown in with the round trip ticket. This makes the fare unusually cheap and in all probability as many as can be carried will avail themselves of the opportunity of going.

The big dinner will be spread under the pavilion at the beach on a long table erected for that purpose and a supply sufficient to satisfy the hunger of as many as will go has been arranged for. The train will be charge of a Committee who will see that the safety of all who go is carefully guarded. There will be no rowdiness going on. The excursion will be run under the auspices of the Sunday School and every one is assured a good nice quiet helpful trip to the seashore.

Tickets will be on sale at the train and accommodations have been arranged for a large crowd and members of other Sunday Schools as well as those who are members of no school are given a cordial invitation to go and participate in this day of recreation and enjoyment.
