White Wolf Makes Trouble in China

AFTER LOOTING AND BURNING TOWNS WHERE SOME AMERI-CANS WERE, ROBBERS ARE WHIPPED.

(Special to the Journal.) PEKING, CHINA, June 8 .- "White Wolf," the Chinese brigand who in the past few months has devastated Hupeh, Honan and Shensi provinces, is now looting and burning towns and villages n Kansu Province.

After cluding the army of troops sent o capture him he set fire yestersday to he town of Ningchow, Today he atcked Taochow,in the extreme south of the province, and after pillaging the The brigands then went to Chon where they set fire to the famous mon-

astery of the Tibetan Lamas. Afterward regular troops overtook and defeated the bandits, who fled to the ravines of Lily Mountains, 100 miles south of Lanchow, the capital of the province, where they are reported to be virtually surrounded by troops.

Anxiety is felt by the Christian and Missionary Alliance here, which has about a hundred missionaries in various parts of China, for the safety of several men and women known to have been in the towns pillaged and burned by "White Wolf."

At the monastery of the Tibetan Lamas was a missionary named Kauffman, who went from Missouri. Miss Haupberg of Boone, Ia., Miss Kennon of Ohio and J. P. Rommen of Indiana, also were believed to have been at the monastery mission.

Church Man Skipped Out With Cash

THE SECRETARY COMES UP MIS-SING AND BISHOP'S SALARY IS UNPAID

(Special to the Journal.) DENVER, June 8 .- The Episcopal diocese of Colorado is bankrupt. The sum of \$32,000, supposed to have been in the treasury, cannot be accounted for and Bishop Charles F. Olmstead, who is supposed to be paid \$7,500 a year, cannot get his salary.

Church officials to-day sought in vain to find A. A. Bowhay, diocesan secretary. Bowhay two weeks ago resigned but his resignation has not been accepted pending an investigation of the church's financial affairs.

The Episcopal dioceses of Colorado formerly owned property in Denver worth \$500,000. Part of this was in the heart of the business district. The present shortage and the losses, it is asserted, resulted from a deal with the Champ Street Investment Company.

An appraisal of the dioceses property made recently and reported to-day accounts for only \$129,000 worth of property. Thirty-two thousand in rentals and other sources of income is unaccounted for.

CHIEF SAM AND HIS FOLLOWERS MAY STOP AT BEAUFORT— A TRIM CRAFT.

With forty colored men and women from New York and other Northern cities on board of the Liberia, a trim litle bark as one would care to look at and in charge of chief Sam, will today or tomorrow pass through the Inland Waterway Canal enroute from Norfolk to Galveston where several hundred more disciples of the Chief are awaiting

his arrival.

From Galveston the Liberia will sai From Galveston the Liberia will sail for the Gold Coast of Africa where Chick Sam hopes to be able to colonize his followers and start a government all their own. The Liberia arrived at Norfolk on Saturday moraing and at that port the vessel was stocked with food, and fuel, enough to last the passengers and crew until Galveston is reached. However, it is possible that another stop will be made at Beaufort after the passage through the Inland Waterway Canal has been made.

It is said that there are one or two negroes from this section in Chief Sam's crew of followers, whether this is true is not definitely known. It is a fact, however, that several intended making the trip to the new country, but were induced to give it up by their friends. One peculiar feature of this expedition is that every member of the Liberia's crew, including the Captain and make are white men. Captain McKenzie, who was in charge of the famous bark, Kingdom, of the Holy Ghost and Us Society which a few years ago sailed over the seas in search of the Garden of Eden, is in charge of the vessel.

WRITES AN INTERESTING LET TER TO THE FOLKS BAGK HOME.

WASHINGTON, June 8 .- Mrs. A. Nichols of this city, is in receipt of a letter from her son Arthur A. Nichols who is a member of the 11th U. S. Cav alry, and at present stationed at Trini dad, Colorado. In writing to his mother of his experiences he gives facts that no doubt will prove of interest.

"We have guards stationed at all the mines all of the time. We also have guards to go with the mine paymaster when the miners are paid. Trinidad i now under martial law. Our colonel is in charge of the city and all counties adjoining. The colonel had all the saloons closed several days ago. We collected four thousand rifles and pistols and sixty thousand rounds of ammunition of different kinds. We took 300 guns and 20,000 rounds of ammunition off of the train just as it got here from New York to the strike breakers. We have a proclamation issued to disarm everybody. We also closed up several saloons yesterday and today and put the men in jail and put governmen seals on the saloon doors. The citizens sure do hate the militia here for they plundeed and murdered people here by the score prior to our arrival here. The away from them. militia went to several mines to protect the union miners and there was fight between them and the scabs and the mili ia murdered men, women, and children numbering in the hundredss. It was surely something terrible to see the houses they burned after they killed all of the people. "We have 800 men in camp and are

going to recruit up to 1,000 at an early late. Our regiment has the best record of any other outfit.

"We are a rely having some delight ful weather here. It is warm and nice We have here the Spanish mountains that are covered with snow the year and. You can see them at a distance

"Well, will write more next time. Guess we will go to Tampico, Mexico."

THE PEOPLE SHALL RULE?

I am informed that Mr. James A. Bryan, in addressing the magistrates, and commissioners of Craven county, last Monday, June 1st, said that Mr. G. A. Whitford would be the next representative from Craven county. The time has been when the Colonel could call a few men together at his home, and behind closed doors, name the county officers, but that day has passed.

The people demand the right to name for themselves, the officers who are to represent them, and in this day and time no man or set of men can take this right

Colonel, you have named your man, now let us hear from the people.
