The great tenor is the biggest drawing card in the operatic world. And no wonder—such a magnificent tenor voice was never heard on this planet. You couldn't enjoy it more if you heard him in person, than you do by hearing his voice on the Victor.

Daily concerts at our salesrooms—informal affairs. Come in any time. No obligation on your part, but if you do we'll arrange terms to suit, whether you want a Victor (10 to 500) or a Victor Gramophone (15 to 500).

## There is more Catarrh in this section

of the country than all other diseases put together, and until the last few years was supposed to be incurable.

For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Company, Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O.

Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
