Remarkable Cure of Dysentery
"I was attacked with dysentery about July 15th, and used the doctor's medicine and other remedies with no relief only getting worse all the time. I was unable to do anything, and my weight dropped from 145 to 125 pounds. I suffered for about two months when I was advised to use Chamberlain's Colic Cholera and Diarrhoea Remedy. I used two bottles of it, and it gave me permanent relief," writes B. W. Hill, of Snow Hill, N. C. For sale by all Dealers.

If I had only had that money in the Bank

Quit 'get-rich-quick' Speculation

How many times have you said, or your friends said: "I CANNOT BECAUSE I HAVE NOT GOT THE MONEY?" How many good business chances have to be passed up because you did not have the money? "Get Rich Quick" Speculation is the worst thing a man can do with his money. If the enterprise into which some smooth stranger asks you to put your money were such a good one he would keep it—not sell it to you.
