Violent Attacks Made On French By The Germans

However Teutons Failed To Make An Impression Fierce Conflict Near Soissons North Of That Point The French Captured Several Positions of Value.

PARIS, Oct. 12.—The official statement issued tonight says "Violent attacks have been made along our front. We have gained ground at many points and nowhere have we lost any." Vigorous attacks by the French on the German centre weakened several days ago in order to aid General Von Kluck. Today's conflicts are believed to have resulted in a material victory for the French. The conflict raged with the greatest violence North of Soissons and to the east and south-east of Verdun. At both places the French, after a vigorous bombardment, sent large columns of infantry to dislodge the Germans from their trenches. North of Soissons the French captured and held several positions of strategic value, which, it is believed, will give them a decided advantage in future operations.

GERMANS PLAN TO CAPTURE CITY OF OSTEND.

LONDON, Oct. 12.—Only fragmentary news was received here today in regard to the German operations between Antwerp and Ostend. That the latter point is to be the object of attack in this action of the theatre of war is not denied but the British will offer every resistance in their power. Ostend would be worth a score of Antwerps to the Kaiser but his forces will have to fight every step of the way before they get there. Reinforcements are being rushed from England and every man sparable is being sent to aid the Belgians.

NEW ZEALAND TROOPS HAVE OCCUPIED SAMOA.

ANTWERP'S INNER FORTS ARE STILL HOLDING OUT.

BORDEAUX, Oct. 12.—A despatch received here tonight says that the inner forts at Antwerp are still holding out. These forts along the Scheldt are especially offering a brilliant resistance despite the fact that the Germans are in complete possession of the City. It is stated that the Belgian army took all the provisions before they left Antwerp and spiked the guns they could not carry with them.

WASHINGTON, D. C., Oct. 12.—Ambassador Gerard in Berlin today requested the German government to permit the delivery of large quantities of food supplies now detained in England and which are destined for the

FOR THIRD TIME BOSTON BRAVES DEFEAT PHILLIES

In Twelve Inning Game They Triumph The Athletics by a Score of Five to Four

THIS OUTCOME WAS ENTIRELY UNEXPECTED

If Boston Takes the Game Today They Will Win the World's Series—Berthing on the Result is Very Heavy.

Boston, Oct. 12.—Fenway Park, scene of memorable games in the world's series of 1912, today staged the third game in the series of 1914 between the Boston Braves, winners in the National League, and the Philadelphia Athletics, American League champions and defenders of the world's title. It was almost a last ditch defense for the Athletics, as their opponents had won both the games already played. Victorious today, the Braves need only one game to gain the world's baseball honors.

Weather conditions could not have been better. A bright sun developed an atmosphere of summer, tempered somewhat by a cooling breeze from the southwest.

Thousands of persons moved on Fenway Park this morning to join the hundreds who had held places during the night in lines that led to the bleachers entrance. The first few arrived at noon yesterday; by nightfall the waiting numbered a score; at midnight the line was 200 strong and by sunrise more than 500 were waiting their turn. Some slept on the ground; others had brought straw; a few had equipped themselves with comforts. Bon fires were started but were extinguished by the police.

By the time the hour came do WWW By the time the hour came for the game to be called the crowd of spectators numbered 35,520.

Philadelphia started the scoring in the first inning with one run, while Boston tied the score in the second. In the fourth inning each team put a man over the plate for one run. There was not another run made until the first half of the tenth inning when Philadelphia scored two men, and in the last of the tenth the Braves rallied and again tied the score. Thus the game went until the last half of the twelfth inning when Boston scored another man making the final score five to four in favor of the Braves.

THE FRENCH ARE BADLY SCARED BY BIG BOMBS

German Aeroplanes Drop Death Dealing Missiles on the Capital and Kill Three Persons

FOURTEEN MEN WERE WOUNDED DURING CARNAGE

The French Aerial Squadron Gets In Readiness to Defend the City at Any Cost

Paris, Oct. 12.—The progress of the campaign in the north of France and the fall of Antwerp were forgotten for a moment today by the people of Paris, who everywhere were discussing the throwing of bombs on the capital from German aeroplanes. As a result of a raid Sunday three persons were killed and fourteen wounded. Another attack this morning resulted less disastrously, bombs dropped between two departing railroad trains failing to explode.

General Hirschauer was appointed to take charge of the aerial defense of the city. He is an aeronautic expert and organized last year the aerial branch of the army service. A number of deputies met at the call of Deputy Denys Cochin to consider various means of rendering the city more secure from aeroplane attacks.

The creation of aerial squadron stationed at Cardinal Point to be always ready to dash after the air craft of the enemy as soon as they should be signalled approaching the city; the arming of fast monoplanes with quick firing guns and the telephoning of warnings by residents of the capital to the French aero club, which is now under military control, were among the suggestions discussed. Finally, M. Cochin sent a telegram to Bordeaux urging the immediate adoption of efficacious measures with the view of reassuring the people.

The news that one of the German bombs yesterday struck the Cathedral of Notre Dame has been communicated to the Vatican. It is reported that the Pope exclaimed "Providence has prevented an outrage which would have shocked the world."

Military critics, commenting today on the movements of the armies in the Apremont region, declare it is worthy of note that Apremont, to the east of St. Mihiel, is the route the enemy would take if they sought to withdraw from St. Mihiel in the direction of Lorraine. Their positions in this vicinity means much to them, it is declared.

LOCAL BASEBALL FANS INTERESTED IN GAME

GAMES BETWEEN BOSTON AND PHILADELPHIA ATTRACT NEW BERN PUBLIC.

The Journal's bulletin board and the bulletin board at the Pinnix drug store on Hancock street, continue to be the centre of attraction for the local baseball fans and also the "fanables." Each afternoon as soon as the first returns are received from the World's baseball series, large crowds of eager spectators line up in front of the bulletin boards mentioned above and there they remain until the last ball has been pitched, and the final score announced.

Just as long as the World's Series are in progress the result will be bulletined at the Journal office and Pinnix drug store and every fan in the city is extended an invitation to avail themselves of the opportunity to get the news while it is news, and to get the result of the various plays almost at the same minute they are made.

LITTLE ROCK POLICE CHARGE PLOTS TO GET LIFE INSURANCE OF VICTIMS.

MEMPHIS, Oct. 12.—Detectives, in investigating the death of J. B. Anderson, a wealthy Waco (Texas) real estate dealer, who, the police of Little Rock, Ark., claim, was murdered by his wife shoving him from the train near Memphis to get life insurance, say they have evidence that Mrs. Anderson had been married to four other men, once in Memphis, and that all have mysteriously disappeared.

Mrs. Anderson, according to her daughter, Mrs. Sannon Roth, of Memphis, has had but three other husbands besides Anderson, although Mrs. Roth, at Little Rock, to-day admitted that her mother had disappeared for periods of three months at a time, during which she did not know of her whereabouts or her actions.

Mrs. Anderson, the police say, was mysteriously connected with the death of her first husband, Louij Vaughn, at Martin, Tenn., seven years ago, and following it she collected \$10,000 life policy. Vaughn was shot and his brother accused the act, with the shooting.

Mrs. Anderson had made part of a confession at Little Rock, according to the police.
