The German losses are said to exceed even the estimates made by the Allies and thousands are being added to this list each day.

THE ALLIED FORCES
MAKE STEADY PROGRESS

LONDON, Oct. 21—Writing to the Telegraph today, Andre Beaumont says: "The steady progress of the Allied armies since the defeat of the Germans in the turning movement along the Ypres, is only further proof that the Germans are no longer in a condition to hold their ground and it is only a question of days before they are driven out of French territory."

GERMANS ARE DRIVEN
OUT OF OSTEND

LONDON, Oct. 21—A Central News dispatch from Folkstone says that four hundred wounded Belgians arrived there today from Calais. The soldiers stated that the Germans had been driven out of Ostend.

ALLIES ARE HOLDING
OWN AT ALL POINTS

PARIS, Oct. 21—Tonight's official statement says: "On our left from the North Sea to La Bassee a violent battle was delivered today. This battle also extended along the front from Nieuport to Dixmunde and from Ypres to Menin and from Waretton to La Bassee." According to latest news, the Allies are holding their own at all points. (Note—Warrenton is a frontier town in Belgium on the river Lys. La Bassee is in France.) There is nothing announced from the centre or the right wing. In Russia the German army which was moving against Warsaw, was forced into a precipitate retreat and abandoned positions they had organized defensively. The Russians are in pursuit, taking many prisoners.

THE RUSSIANS PUT
GERMANS TO FLIGHT

LONDON, Oct. 21—The following official Russian statement was issued tonight: "The German troops north of the river Piltja have been repulsed and are now in full retreat, leaving many wounded behind them. The enemy's attack west of Lille was repulsed on Tuesday with heavy losses. There is nothing to report from the eastern theatre.'"

THE AUSTRIANS ALSO
MAKING SOME PROGRESS

LONDON, Oct. 21—It is officially

announced in Vienna that important successes were obtained yesterday east of Chyrow. At Przemysl several strong heights were taken by the Austrians. After a heavy bombardment the heights of Mageria were carried by the Austrian forces. The military expert of the Berlin papers estimates that the Allies' losses in killed, wounded and prisoners is no less than seven hundred and fifty thousand.

DISCIPLES TO GATHER
IN GREENVILLE SOONANNUAL CONVENTION FOR THE
STATE TO BE HELD THERE
NOVEMBER 2 TO 4

GREENVILLE, Oct. 21—The annual convention of the Disciples of Christ Church will be held in Greenville November 2, 3 and 4. This is a State convention to which delegates from all over the State attend and in coming to this city the town people will have a rare opportunity to hear some noted speakers and become more familiar with this church. It has been almost twelve years since such a convention was held here and it speaks well for the city to have secured such an important convention.

A very interesting program has been arranged besides the routine business and much will be done that will be of interest not only to members of the church but of all churches. At this convention reports will be read showing the gains and growth of the church. Plans looking forward to a more successful and more progressive year will be discussed. And other matters of vital interest will be brought up at this time. Among those who will be present and speak at this meeting will be some of the most prominent and best known men in the South and West, and besides these a host of others well known in this State will be here.

The social side of the convention will be well looked after. The visiting delegates and ministers will be entertained in the homes of Greenville and as there will be 250 or more, almost all of those desiring to assist will have the opportunity. As this side of such a convention is one of the most important the people of Greenville should avert themselves to favorably impress these visitors with this city's hospitality. Those in charge of this part of the work are Mrs. J. L. Carper, Miss Vernessa Smith and Rev. J. J. Walker, and if anyone wishes to help by entertaining the visitors they may call up or see personally either of these persons stating how many they can entertain.

WAS FROM CRAVEN

KINSTON, Oct. 21—David Holloman, about seventy years of age, who died suddenly in a Heritage street boarding house Sunday morning, is reported to have been an escaped inmate of a Craven county almshouse. It is said that Holloman's pride drove him to leave the poorhouse and come to Lenoir county to seek work. He had been in unsuccessful quest of it in the southern part of the county before he came here. No one claimed the body, which was laid to rest in Maplewood cemetery Monday afternoon. He was a native of the Fowle Barnwell section.

LOCAL ORATORS TO
ADDRESS VOTERS
OF CARTERET CO.

Hon. Samuel M. Brinson and Ex-Judge O. H. Guion to be Heard At Morehead City Tomorrow Night

BOTH GENTLEMEN ARE
VERY WELL KNOWN

People of Beaufort Will Hear Them On Saturday Night—Brinson in Pamlico Next Week

The citizens of Carteret county have in store for them on Friday and Saturday nights of this week a rare oratorical treat in the speeches which are to be made at Morehead City and Beaufort by Hon. S. M. Brinson and Ex-Judge O. H. Guion of New Bern. On Friday night these gentlemen will make addresses at Morehead City and reports reaching New Bern from that town are to the effect that elaborate preparations are being made for one of the greatest gatherings ever held in the county.

On Saturday night the speakers will go to Beaufort and there address the Democratic voters. Both Mr. Brinson and Ex-Judge Guion will speak in regard to the past records of the Democratic party and its future prospects and as this subject is one of especial interest, the audiences are promised something out of the ordinary. On Monday the speakers will return to New Bern and go to Pamlico county where on Monday night they will make addresses at the court house at Bayboro. Both Mr. Brinson and Mr. Guion are well and favorably known in Pamlico county and there is every reason to believe that they will also draw a large crowd at this place.

On the following Thursday night Mr. Brinson will go to Kinston where in company with Hon. F. D. Winston he will address the Democratic voters of Lenoir county. On Friday he and Hon. A. C. Davis will be heard at Maysville and on Saturday they will visit Jacksonville, Onslow county, and address the Democratic voters of that place. This will practically end the campaign of speaking in this section before the election is held.

HON. T. W. BICKETT
SPENDS DAY HEREMISSED TRAIN CONNECTIONS
BETWEEN WILMINGTON
AND NEW BERN

The Democratic voters of Wilmington had anticipated a real treat in the address which Hon. T. W. Bickett was scheduled to have made in that city last night. However, owing to the fact that Mr. Bickett was not familiar with the recent change in the schedule made on the line between New Bern and Wilmington, he was forced to remain here for several hours and finally made a round about trip by Goldsboro not reaching his destination until this morning and going at once to Southport where he is scheduled to speak today, and the Wilmingtonians were greatly disappointed.

While in New Bern Mr. Bickett stated to a Journal reporter, that during the last month he has been campaigning extensively in the western part of the State, and has found the people very enthusiastic over the campaign which is now being made over the entire State. "The people," said Mr. Bickett, "are very much elated over the Wilson administration, and through that section of the State they do not attribute the present financial conditions to the Democratic administration. I believe I can safely say that in the doubtful sections the Democratic congressmen will be sent back, and that the amendment bill will be passed by an overwhelming majority."

GEORGE HENDERSON OF ONSLOW COUNTY WILL FACE JUDGE NEXT WEEK

The fall term of Federal Court for the New Bern district will convene in this city next Tuesday morning with Judge Henry G. Connor of Wilson presiding. One of the most interesting cases on the docket will be that of the United States vs. George Henderson, a young white man from Onslow county who is charged with using the mail for fraudulent purposes. The specific charge against Henderson is that he sent out to various parts of the country worthless checks for which he received goods. In the majority of cases it is claimed that the defendant sent these checks to whiskey houses. This is not the first time that Henderson has been up before the court on this identical charge and he has even served a term in the Federal prison. The general opinion is that the young man is not of sound mind. Another case of particular interest is that in which the Norfolk Southern Railway Company will answer to a charge of blocking traffic over the inland waterway canal. This case was continued over from the last term of court.

PAMLICO FARMERS TO
CUT COTTON ACREAGE

SO SAYS GEORGE W. BRINSON IN INTERVIEW WITH JOURNAL REPORTER

The farmers in Pamlico county, one of the largest cotton growing counties in the State, will cut their cotton acreage at least fifty per cent next season, said George W. Brinson of Araphahoe, who was among the visitors in New Bern yesterday. Mr. Brinson is one of the most prominent farmers in the county, owning a large plantation and he is emphatic in his declaration to cut down his own acreage in cotton and from conversation with a large number of the other agriculturists there, he has learned that they also intend to follow his example. Last year the storm and flood ruined the cotton crop in Pamlico and this year the farmers cannot sell their staple for any satisfactory price and are determined that they shall not be overstocked with it another season. However, despite the fact that low prices are being paid for cotton the farmers are prosperous and Mr. Brinson stated that hundreds of them would be seen here at the Fair next week.

POLICE DISPERSE LONDON
ANTI-GERMAN GATHERING

MOB AGAIN ASSEMBLES TO WRECK GERMAN SHOPS IN LONDON.

London, October, 21—(10:10 p. m.)—Police tonight dispersed a mob that again attempted to wreck German shops in the borough of Deptford. Many shopkeepers, fearing attacks, had strongly barricaded their places.

A police court judge today declined to accept bail in the cases of more than thirty rioters arrested during Sunday night's demonstration. The public prosecutor advised this, declaring the conduct of those wrecking and looting the stores and living apartments of Germans was a disgrace to Englishmen.

The newspaper campaign against the employment of subjects of hostile countries continues. Several additional hotels today announced that all German and Austrian employees had been discharged. A large number of restaurants have substituted girl waiters for Germans and Austrians.

E. H. Blackburn and C. H. Hall left yesterday afternoon for Beaufort to spend a few days fishing.

MOREHEAD CITY EDITOR
WANTS CASE REMOVED

RALPH T. WADE DOESN'T LIKE JURYMEN OF LENOIR COUNTY

KINSTON, Oct. 21—Superior court's progress up till this afternoon had been satisfactory to Judge Frank Daniels, who is presiding, the court officers and the bar. It is probable that all of the triable cases on the criminal docket, to which the first part of the one-week term is being devoted, will be disposed of in time for the court to handle a considerable number of the civil matters only one slightly contested case out of the dozen or more tried so far. No case on the docket is of especial interest.

The grand jury is experiencing a busy time, because of the large amount of business that Solicitor Shaw has presented for its consideration.

Counsel for R. T. Wade and the Morehead City publishers of the Coaster, a weekly paper, this morning argued for a change of venue in the suit for slander brought against the company and Editor Wade by Dr. I. M. Hardy for an alleged defamatory editorial in January, when he was superintendent of the State Feeble-Minded. The case was ordered removed to Pitt county.

The business left over from this term will come up at a two-week's session beginning November 9. The smallest crowds that have attended a term of Superior Court this year are in attendance now.

Mrs. W. K. Hinnant and Miss Katherine Herbert left yesterday morning for Raleigh to attend the State Fair.

CHAIRMAN THOMAS
WARREN SENDING
OUT THE TICKETS

Getting Everything in Readiness for the Election Which is to Held on November 3rd

HAS EXPECTATIONS FOR
THE USUAL MAJORITY

U. S. Senator, Member Corporation Commission, Ten Representatives, Ten Court Judges. Offices to be voted for

(From News & Observer)

There is to be an election held in North Carolina on Tuesday, November 3rd, at least one would think so to see the big batch of tickets sent out from headquarters of the State Democratic Executive committee yesterday. The tickets for the State officers to be voted for were sent to the chairman of the one hundred counties of the State who will in turn deliver them to the several precinct chairmen in the several counties.

The State Ticket

The State Democratic ticket to be voted for this year is headed by the name of Lee S. Overman of Rowan for United States Senator and Edward L. Travis of Halifax county for Corporation Commissioner. Ten judges of the Superior court are to be elected from the several districts but voted on as a whole throughout the State as follows: 1, William M. Bond of Chowan; 2, George W. Connor of Wilson; 3, Harry W. Whedbee of Pitt; 4, Oliver H. Allen of Lenoir; 5, George Rountree of New Hanover; 6, Chatham C. Lyon of Bladen; 7, William A. Devin of Granville; 8, Thomas J. Shaw of Guilford; 9, William F. Harding of Mecklenburg; 10, James L. Webb of Cleveland.

Congressmen to be Elected

In addition to the above ten Representatives in Congress to be elected the Democratic nominees from the districts being as follows: 1, John H. Small; 2, Claude Kitchin; 3, George E. Hood; 4, Edward W. Poir; 5, Charles M. Stedman; 6, H. L. Godwin; 7, Robert N. Page; 8, Robert L. Dougherty; 9, E. Y. Webb; 10, James M. Gudgeon, Jr.

Solicitors in the twenty judicial districts of the State, fifty State Senators, and 120 members of the House of Representatives, are to be chosen.

County Officers to be Chosen

In addition to this, officials of the one hundred counties in the State are to be elected from corner on up, and in the townships of the State, numbering several thousands, constables and justices of the peace are to be chosen.

So it will be seen that while many consider this an "off year" in the political affairs of the State, still it is a very important election, a United States Senator, Corporation Commissioner Legislature, half of the judiciary and ten Representatives, besides the great host of county officers being at stake.

Chairman Warren Optimistic

Chairman Warren is very optimistic regarding the result, the only danger being in the "stay at home" vote. If the voters can be gotten to the polls on election day there will be no decrease in the majority hitherto rolled up by the Democratic party thinks Chairman Warren.

An appointment was made yesterday for Senator Overman who will speak at Taylorsville, Alexander county on Saturday, October 31st. An additional appointment was also made for Mr. A. L. Brooks at Danbury, Stokes county for Monday, October 26.

Headquarters on yesterday began mailing out large numbers of hand-bills showing that the European war and not the Democratic party is responsible for the low price of cotton, the literature being prepared by O. Max Gardner of Shelby, also small handbill addressed to the voters of the State asking a number of questions regarding the claims of the opposition and telling why the Democracy should be continued in power.

A visitor at headquarters yesterday was Chairman W. S. Thomas of the Richmond county Democratic executive committee. Mr. Thomas reported conditions good in his county.

Z. Montano left yesterday afternoon for a business visit to Kinston and La-Grange
