## Sprains, Bruises Stiff Muscles

Sloan's Liniment will save hours of suffering. For bruise or sprain it gives instant relief. It arrests inflammation and thus prevents more serious troubles developing. No need to rub it in—it acts at once, instantly relieving the pain, however severe it may be.

**Here's Proof**  
 Charles Johnson, P. O. Box 108, Lawton's Station, N. Y., writes: "I sprained my ankle and dislocated my left hip by falling out of a third story window six months ago. I went on crutches for four months, then I started to use some of your Liniment, according to your directions, and I must say that it is helping me wonderfully. I threw my crutches away. Only used two bottles of your Liniment and now I am walking quite well with one cane. I never will be without Sloan's Liniment."

## WISHED SHE COULD DIE

And Be Free From Her Troubles, but Finds Better Way.

Columbia, Tenn.—"Many a time," says Mrs. Jessie Sharp, of this place, "I wished I would die and be relieved of my suffering from womanly troubles. I could not get up, without pulling at something to help me, and stayed in bed most of the time. I could not do my housework."

The head aches and work tired me out. My head would swim, and I would tremble for an hour or more. Finally, I took Cardui, the woman's tonic, and I am not bothered with pains any more, and I don't have to go to bed. In fact, I am sound and well of all my troubles."

Cardui goes to all the weak spots and helps to make them strong. It acts with nature—not against her. It is for the tired, nervous, irritable women, who feel that everything were wrong, and need something to quiet their nerves and strengthen the worn-out system.

If you are a woman, suffering from any of the numerous symptoms of womanly trouble, take Cardui. It will help you. At all drug stores.

### Headachy, Costive, Bilious, -- "Cascrats"

To-night! Clean your bowels and end headaches, colds, sour stomach.

Get a 10-cent box. Sick headache, biliousness, dizziness coated tongue, foul taste and foul, breath—always trace them to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascrats, immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poison in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10 cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.
