### Two New Committees Named For Merchants Association

Merchants Association President Herbert W. Wentworth today announced the appointment of two new committees for the coming year.

They were for the University's orientation week next September and for the continuing study of the setting up of a local chamber of commerce. Chairman of the orientation week committee is Monk Jennings and members are H. S. McGinny, Charlie Stancell, and Roland Giduz. The chamber of commerce committee is composed of Gene Stroud, chairman, and Y. Z. Cannon, E. G. Danziger, Orville Campbell, and Bill Sloan.

New members of the Association, according to Executive Secretary Mrs. Jane Smoak, are Elmer Pendergraft's Atlantic Service Station, Carolina Motors, The Chapel Hill News Leader, attorney John T. Manning, The Ranch House, and Stevens-Shepherd, Inc.

The Association will move its offices into the building formerly occupied by the Colonial House on West Rosemary Street on June 1, a week from tomorrow. Mrs. Smoak said an open house would be held in the new quarters as soon as they get settled there.

Several officials of the Association attended last week's annual convention of the N. C. Merchants Association in Raleigh. Mrs. Smoak was on a panel which discussed "What's My Problem" at the Monday afternoon meeting of the convention. Harry Snook, managing editor of "The Retailer," the state Association's magazine, reported Tuesday on the recent activities of the magazine. Also at the convention were R. B. Todd, state director, and Mr. Wentworth.

### Lion-Of-The Year Award Will Be Presented On Thursday

The Lion-of-the-Year award will be given at this Thursday's meeting of the Carrboro Lions Club, in the Carrboro Baptist Church.

Recipient of this honor is chosen by vote of all members of the club, and the three runners-up in the voting are given service awards. Last year's winner was Club Secretary Lloyd M. Senter.

Dr. Fred W. Isaacs of Durham, unopposed candidate for Governor of Lions District 31-C, will be the speaker for the meeting and will present the awards. The governor's election will be held at the State Lions Convention in Raleigh June 11-13.

Fifty club members who have perfect attendance records from last September through April will receive attendance pins at Thursday's meeting. These 50 men include every Lion who was a member of the club when the statewide contest began, in September. At present there are 58 club members.

Last year the club missed winning the district-attendance award by one-tenth of a percentage point. It had a record of 99.2 attendance and Siler City had a 99.3 record. This year they'll win the award, they believe, since they don't see how any other club can beat a record of 100 per cent attendance!

### Summer School Prospects Good

University Summer School Director Guy Phillips reports that applications and inquiries for the summer term are up 10 per cent over last summer. "Much of this is probably due to our stepped-up scholarship offerings," he explained. "This year we are awarding a total of 102 scholarships and fellowships, most of which have been filled."

### Baseball Team Feted With Steak Supper

Several local businessmen staged a steak supper in honor of the high school baseball team at the Ranch House on Thursday night.

Twenty-four players were present for the occasion. Sponsors were the Town and Campus, The Bank of Chapel Hill, Sloan's Drugstore, and Fowler's Gulf Service Station. Justice Haswell was master of ceremonies and Superintendent of Schools C. W. Davis and High School Principal Wesley Noble were special guests.

University Baseball Coach Walter Rabb talked to the boys on the fundamentals of baseball and how to grow into a good player. Team Co-Captain Billy Thompson, a graduating senior, expressed his thanks to the school for the team, and Coach Bill Grice responded.
