New And Interesting Ideas For Today's Home Build

HARRISONS' HOME-Situated facing the corner of Stagecoach house and gives the family additional privacy in the back yard. Left and Old Mill Roads in Greenwood, the William D. Harrisons' new to right, the layout of rooms is, master bedroom and bath, girl's three-bedroom home in Greenwood is located about midway in the bedroom, bath, boy's bedroom (front corner, left), living and dining

diamond-shaped lot. It provides a more attractive setting for the area, and attached two-car garage (far right). News Leader Photo

## Harrisons Considered Inside Traffic Pattern In Choosing Plan For Their Home In Greenwood

On the basis of its careful plan from the Atlanta Journplanning of traffic routes in al for their new home in the room layout, the William Greenwood at the corner of D. Harrisons selected a stock Stagecoach and Old Mill

Roads The three-bedroom brick veneer residence has a smooth brick veneer exterior and is built in an Lshape, with the bedrooms being in a wing on the base of the "L." J. F. A. Thompson was the builder and the Harrison's moved in last December 1.

Window Arrangements

A feature to immediately at tract the eye is the series of extra-large Pella casement window units. In the living room is the passes a large picture window in the center, flanked by vertical crank-operated banks of windows on either side. In each room of of these high windows, some of

length of the room.

No Groping For Pull Strings

The big living room window of course presented a major is completely protected from colproject is the installation of curtains. To solve this Mrs. Harrison put up floor-to-ceiling freehanging curtains that run on a ceiling-type traverse rod. There's no groping among the curtains for the pull string either. It's neatly arranged on a pulley that's hooked into the baseboard at the floor so that the curtains

can be opened and closed just like pulling the curtains for an auditorium stage.
