Curb Market Chooses Officers, Set Hours At Business Session Here

Officers were elected and plans for the coming year made at the annual meeting of members of the Women's Home Demonstration Market here last weekend.

Following a luncheon at the Pines, the membership heard reports for the past year from the President, Mrs. Curtis W. Hogan of the Orange Church community and Mrs. Jeter Lloyd of Antioch, the secretary-treasurer. There are 26 members of the market, which did a \$27,000 business during the year ending September 1, 1954, according to the secretary-treasurer. She said that the business total for the year ending this past September 1 had not yet been computed, but it's believed it will be higher than the figure for the previous year.

Mrs. Amick Borland of the Elm Grove community, vice-president of the group this past year, was elect-

ed as the new president, succeeding Mrs. Curtis W. Hogan of Orange Church. Other new officers elected were Miss Martha Lloyd of Antioch, vice-president; Mrs. Nellie Lloyd of Antioch, secretary-treasurer; and Mrs. Allan Latta of Schley, assistant secretary - treasurer; and Mrs. Allan Latta of Schley, assistant secretary-treasurer.

The group voted to set the opening hour for the market at 8:30 a.m. throughout the year, to avoid the confusion caused in the past when it opened later during the winter months. Plans were announced for the coming year to offer a greater variety and better display of items in the market.

The membership of the group is as follows: Mrs. Tom Andrews, Mrs. Charlie Atwater, Mrs. Charlie Bowden, Mrs. Alton Durham, Miss Maude Durham, Mrs. Mabel Glos-

son, Miss Myrtle Ivey, Miss Martha Lloyd, Mrs. Nellie Lloyd, Mrs. Jeter Lloyd, Miss Pearl MacLennan, Mrs. Ralph Neville, Mrs. J. C. Yow, and Miss Betty Ward. Others are Mrs. A. J. Freeland, Mrs. Clyde Hogan, Mrs. Curtis Hogan, and Winston Strayhorn, all of Route Two; Mrs. A. H. Borland, Mrs. Allan Latta, and Mrs. H. M. Perry of Route Three, Hillsboro; Mrs. Bruce Brown, Mrs. G. R. Brown, and Mrs. Clyde Carroll of Route One, Durham; and Mrs. Leland Pendergraft of Carrboro.

In order for the Student Directory to include correct student addresses, all students who have moved since registration or who plan to change their address in the near future are requested to go by the YWCA office and list their new addresses.

ROTARY PICNIC Over 200 persons attended last evening's picnic supper for the Chapel Hill Rotary Club at Orange Chapel Church. Wives and children of the Rotarians, in addition to the teachers at the Chapel Hill and Glenwood Elementary Schools were guests for the chicken supper.

ONE LESSON YOU CAN TEACH YOUR CHILDREN IS

How To SAVE

Your Money Saved Here Earns **3%**

OF COURSE READIN', WRITIN' AND RITHMETIC ARE ESSENTIAL PARTS OF LEARNING — BUT, ONE IMPORTANT LESSON IS THE BENEFIT OF SAVING — AND LEARNING HOW TO SAVE.

Textbooks do not teach this so . . . it's up to you teachers and parents to teach your children the value of thrift. Whether the goal in your children's lives is to be advanced education, a home of their own, capital for a business, or for other important reasons — let a SAVING ACCOUNT here be the beginning of that important saving lesson.
