Special Series

At Planetarium

In cooperation with the N. C.

Department of Public Instruction,

a series of eight programs especi-

ally designed for school children

of all ages will be presented at

the Morehead Planetarium on the

University campus during the en-

More than 10,000 announcements

of the programs have been mailed

to superintendents, principals,

teachers and supervisors in North

and South Carolina and Virginia

advising them of the special dem-

onstrations for school children.

They will be presented every Wed-

nesday and Thursday at 11 a.m.

and 2 p.m. Because of the atten-

dance at these special perform-

ances last year, which was the first

of the special school shows, ad-

vance reservations will be neces-

sary in order to insure accomoda-

tion of groups coming to Chapel

Hill expressly to see the Plane-

tarium. More than 30,000 children

attended the special school pro-

ASTORS' PARAGRAPHS

_ Excerpts From Sunday Sermons _

life of the system had withdrawn asic Lesson in the It was because of the gradual corruption of the religious institution 27-"And he said that Jesus insisted that the instithe Sabbath was tution was made for man, and and not man made not man for the institution.

He, therefore, fought for a more liberal and lenient interpretation wstem of his day, of the law of the Sabbath. Our emancipation and Lord said that the Sabbath was human life, had made for man; he did not say that gotten, and the the Sabbath is to be forgotten. The Lord's day is expressive of God's nature and His relation to man, and a proper observance of it has major positive values.

Even in the Old Testament the God and the people, and the idea is produced that the Sabbath is for the sake of the people. This is not a mere human institution; it is an order of God's creation. It is not a day for us to give recreation priority over worship and medita-

When we come to a point where it is difficult for us to know whether it is the time to break the law or not, the question to ask is, "Will breaking the rule mean that the institution of the Church will be a better, purer channel through which the emancipating life of the Son of Man can be communicated to the sons of men?" If it will, it is right, and if it will not, it is

To set aside and disregard the Lord's Day is the same as setting aside Christ Himself and the Word incarnate in Him. A proper observance of the day is an expression of Christian faith, the response of the Christian to the grace of God, and an elementary lesson in the spiritual enterprise.

How The Village Cooks By MRS. MARK HANNA

When it's an extra special dessert you want for a bridke party or just to please that man in your life, Joanne's Brunson's Rum Velvet Black Bottom Pie is the one to use. Her husband Bill, Field Director at Hospital Saving, admits he finds it hard to turn down that second piece. Corry, two-monthsold, hasn't had his chance at it yet but he'll love it when his time comes.

This recipe is one of the many exciting new ones to be found in the revised and enlarged Carolina Cooking to be put on sale September 28 by Junior Service League members and at many local stores. The price is still just \$1.50. The book will be presented to the members at the open meeting September 27. Joanne's hints on making her

pie to perfection: Be sure that you follow the directions to chill exboard of trustees of the University actly for the pie has an interesting has recently approved the promo- layer effect as a result. The custion of Joel Carter to associate tard must be cooked over hot, not professor in the Department of boiling water to insure smoothness. After that just sit back and listen to the compliments.

Make a gingersnap crust by mixing 6 tablespoons butter into crumbs of 20 gingersnaps that have been rolled fine with rolling pin. Press into 9" pie plate and bake 5 minutes. Chill. 1 envelope plain gelatin

1/4 cup cold water
