**EPHESUS BAPTIST CHURCH MOVES ON**

As the Ephesus Baptist Church nears the end of its church year they rejoice in the prosperous year that is drawing to a close.

Looking back over the year's work many important goals have been reached.

Sunday, September 4, 1955 marked the first anniversary of Mr. Kenneth Wilson as pastor of the church.

A new Bell and Howell movie projector and screen has been purchased. The church plans a monthly "Family Film Night," in addition to the promotional and teaching films.

"Family Missions Night" has been organized and begun when all the mission organizations have their meetings. Bruce Moody, a student of music at the University of North Carolina has been added to the personnel as music director. Mrs. John Booker, W.M.U. President, has guided the young people into a well-functioning G.A., R.A., had Sunbeam.

As the director of Training Union, Thomas Sparrow, has led the the B.T.U. through a good year, winning the Associational Efficiency Banner for one quarter.

Under the capable leadership of A. Bert Morris, Superintendent, the Sunday School has repeatedly broken all past records in attendance and in good work done.

On July 10 the church voted to begin a much needed building program for the expansion of the educational facilities of the church. There are plans also for the purchase of an Organ for the sanctuary in the near future. A lot of work and interest has gone into the fund already appropriated.

The church has given more to mission causes than in any previous year. Sixty-three new members have been received into the church fellowship; twenty-five by baptism and thirty-eight by baptism.

The coming year offers great opportunity for further advancement and such is anticipated with the spirit of enthusiasm of the church.

As of August 1, 1954, the sweet potato crop in North Carolina was estimated at 4,950,000 bushels. This yield would be 24 per cent above the 1954 crop.
