

Lincoln High Still Unbeaten, Here Friday

By FLOYD 'Jake' HOGAN
The undefeated Lincoln High Tigers will play their last home game tomorrow night when they meet the Nashville champs in the Carrboro Lions Park at 8 o'clock. The Tigers now hold a perfect record of six straight victories and

will be looking forward to victory number seven tomorrow night. Nashville holds a record of four wins and one tie. Lincoln now holds first place in the double A record and Nashville, second. Coach Peerman is disappointed with last week's score against War-

ren County Training School. This week the team has practiced hard on offensive plays and went through very light drills today. Quarterback Winfred Johnson will be back in the starting line-up after being out two weeks due to a shoulder injury.

Boone Speaks To Exchange

Fire Chief J. S. Boone spoke on fire safety measures needed in Chapel Hill at Tuesday evening's meeting of the Exchange Club. He emphasized the additional steps that will have to be taken and fire fighting equipment that

will have to be bought if Chapel Hill is to be able to get an improved rating for fire insurance purposes. Whid Powell, program chairman, introduced the speaker and also spoke briefly on the same topic.

Wallace Williams, chairman of the Club's recent paper napkin sale, presented material for a suit of clothes to Red Tyler, top salesman in the annual profit-making project. The material was donated by Carrboro Mills. December 22 was selected as the date for the Club's annual Christmas party.

Blimp Stops At Airport

The Goodyear blimp "Ranger," en route from Akron, Ohio, to its winter base in Miami, is stopping at the Airport here this afternoon and tonight.

It left Akron on Monday and arrived here about noon. The lighter-than-air craft will make several flights over this community and Durham, including trips this evening during which it will be lighted with neon tubing.

Sion Jennings of the Chapel Hill Tire Company, local Goodyear outlet, invites the public to see the ship here. The crew of the 15-foot craft consists of three pilots and nine ground crew members.

Paper Pick-Up Is Set Sunday

The bi-monthly scrap paper drive will be staged by the Jaycees this Sunday afternoon.

General chairman of the project, Lindy Sparrow, has asked all householders to have their paper securely tied in bundles and left at the curb by 1 p.m. Jaycees in trucks will make rounds of all streets in Chapel Hill and Carrboro and the suburban area during the afternoon.

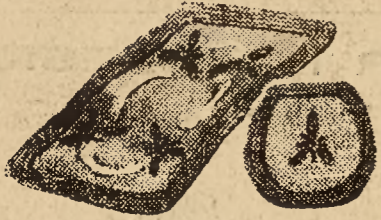

In cases where bundles of paper may be missed householders are asked to telephone Fowler's Gulf Service Station, 9-437, and a Jaycee truck will be sent to make the pick-up. To date this year, Mr. Sparrow said, about 70,000 pounds of scrap paper have been netted in the drive, which is staged on the last Sunday of every second month.
