Counter Actions Filed By Both Sides In Beating Case; Trial Set For Today

Counter civil suits were filed in Hillsboro today in connection with the beating two weeks ago of Mrs. Hugh Wilson. Notice of intention to institute a \$50,000 civil suit for personal injuries and damages to character was filed by Mrs. Wilson against Mrs. Sally Atkinson, Mrs. Cora Bejester, and Mrs. Alice Ince. The three were in court today awaiting the calling of the criminal cases that they beat the wife of the Orange Grove dairy farmer.

Lincoln High Finish Season With 8-0 Undefeated Record

By Floyd "Jake" Hogan
The Lincoln High Tigers closed their '55 football season on Friday afternoon with a victory against Pinkney High at Carthage 26-0. This gave Lincoln a record of eight wins and no defeats. Quarterback Douglas Clark's 36-yard pass to Bobby Norwood for 19 yards in the first period brought Lincoln out into scoring position. Then on a fumble recovered by Lincoln in the second period, Clark passed to Norwood for eight yards and Rufus Bynum, driving through the line, gave Lincoln a 13-0 half-time score.

In the third period Lincoln was held out of scoring position, but came back in the fourth period to gain two touchdowns. Ray Lyde caught a pitch out from Cleveland Atwater on the Pinkney 40 yard line, Lyde carried to the 20 and was brought down. Then Bynum carried to the 18 on a handoff from Quarterback Johnson, who passed from the 18 to Lyde who was brought down on the one. On a pitchout from Johnson, Lyde carried through the line for a touchdown. Rufus Bynum made another hard drive through the line for the extra point.

before Judge L. J. Phipps.

At the same time it was revealed that a \$30,000 civil suit for alienation of affections had been filed by Mrs. Atkinson against Mrs. Wilson.

In a third legal action today Mrs. Wilson's attorneys issued arrest and bail papers against the three defendants. This maneuver is taken for the purpose of preventing the departure of a defendant in a civil case and requires the posting of \$250 bond by each of the three. It was charged in this action that the defendants were intending to dispose of their property.

They are charged by Mr. Wilson with the kidnapping and assault against his wife on October 23 when one of them came to the Wilson house and asked Mrs. Wilson to come to the assistance of Mr. Atkinson. Mrs. Wilson, a nurse, went with this person, who was later joined by the other two. The three admitted beating her near the Atkinson home, charging that Mrs. Wilson had been having an affair with Mr. Atkinson—a charge which both Mr. and Mrs. Wilson have vigorously denied.

Wreck On Strowd Hill Disrupts Power In Town

Claiborne Hunsuckle of Durham has been charged with drunken and reckless driving and property damage in connection with a spectacular accident last night that disrupted electric power for most of the town. The 42-year-old defendant was released from jail about 10 o'clock last night on \$500 bond, and ordered to appear for trial in Recorder's Court here next Monday. He, his wife, and their four-year-old son Henry Leon were all given first aid treatment at Memorial Hospital before Hunsuckle was

Carrboro Capital Sum Status Is Sought; Board Chairman Submits Resignation

Smith Cites School 'Musts'

A bond issue or an increase in the tax rate is a "must" if local school needs are to be met, School Board Chairman Carl Smith told the Glenwood Parent-Teacher Association on Thursday evening.

Mr. Smith reviewed the \$1,076,000 in capital needs of the local system for the next five years, presented the current dilemma of the schools here, and explored the methods by which these needs may be met. In his talk the Board Chairman voiced strong criticism of two local members of the County Board of Commissioners—Edwin S. Lanier and Dwight Ray.

He scored these two for their failure to support the Chapel Hill unit's capital outlay request. Acknowledging the shortage of funds for this purpose, Mr. Smith countered that "Until they increase taxes or allow a bond issue the responsibility will rest with the commissioners."

Minimum Already Exceeded

He recalled that the estimated minimum need of the Chapel Hill schools for 26 additional classrooms during the next five years had already been exceeded by three rooms over the prediction for this year's requirements. This year, he pointed out, there are 116 more pupils enrolled than had been predicted by the school census of last spring, which did not take into account the growth of the community. At the Glenwood School there are as many as 38 children in some grades, Mr. Smith said.

He criticized Mr. Ray as one who "has not shown any sympathy to our schools and has not been willing to increase the county tax rate to support them." Mr. Lanier, he said, voiced no objections to the Chapel Hill program before discussing it in the commissioners' budget meetings. "He had worked with us, but apparently someone changed his mind. He's never given any explanation except that until they had a solution to the race problem he would not be willing to increase taxes for our school needs. I think our situation is desperate enough that we must have more money, regardless of the race issue."

Wildcats Lose 22 To 0 In Homecoming Contest

The Henderson Bulldogs spoiled Chapel Hill's homecoming Friday night with a hot first half in freezing temperature, scoring three touchdowns and adding a third quarter safety for a 22-0 victory.

The Bulldogs coasted after the half as Coach Red Wilson substituted freely in emptying the bench in using all 37 players dressed for the game.

Charlie Johnson scored twice on a one-yard plunge and a 50-yard sprint and M. J. Jackson hauled back a punt 59 yards for the other touchdown. Johnson added two ex-

tra points for a 20-0 first half lead. In the opening minutes of the third quarter, Danny House bowled through to nail Ross Jervis in the end zone for a safety and the final two points of the night.

The play of the Bulldogs in the first half was the only hot thing about the game as fans built fires along the sidelines in an effort to combat the bitter cold. When the

End Paul Cheek was named Player Of The Week by WCHL's secret committee for his good performance in Friday evening's game. He'll receive a gift certificate from the Town and Camp-

teams went out for the rest period, the question was whether the Bulldogs were on their way to another high-scoring exhibition.

Ruffin Harville was the workhorse for the Wildcats, carrying 17 times but netting only 18 yards. Tommy Goodrich had the most yards for the losers with 37 yards on a dozen tries while Bobby Costello carried twice for 22 yards.

Chapel Hill winds up its 1955 season at Oxford Orphanage this Friday night, with the Wildcats being favored in the final contest.

Clark Requests Appointment Of A Woman

A PTA committee from Carrboro this morning queried the County School Board on the status of the \$65,000 earmarked for a new Carrboro School several years ago, as board members flayed the joining of the drive for the new school with the suggested merger of the Chapel Hill and Carrboro School Districts.

At the same time the Board received the resignation of Walter Clark Jr., chairman of the Carrboro School Advisory Committee for the past 18 months. No action was taken on Mr. Clark's letter pending the consideration of possible successors. The PTA delegation—as well as Mr. Clark in his letter of resignation—brought up the possibility of the County Board's naming a woman as Mr. Clark's successor.

The Chapel Hill and County School Boards were to meet jointly this afternoon to discuss their capital needs program with the idea of taking them before the County Commissioners to ask for a bond issue later in the day.

\$65,000 Question
In answer to the PTA delegation's \$65,000 question, board members explained that the money was available to be appropriated for this purpose. But they said they considered it "unfortunate" that the drive for a new Carrboro School has been linked with the

SHED OFF—The rear bumper of the Claiborne Hunsuckle auto rests on the stump of the 7,500-volt power line pole on Durham Road, which it sheared off at 6:50 p. m. last evening, plunging the town into darkness.

A SIGHT TO BEHOLD!—Hundreds of spectators, most of them riding in the autos which piled up for a mile on either side of the Durham Road wreck last night, walked up to the scene to look cautiously at the battered auto, lying amidst the fallen power

and telephone lines. The three occupants, Mr. and Mrs. Claiborne Hunsuckle and their four-year-old son, are still inside the vehicle, awaiting removal to an ambulance.
