UNIVERSITY MATH PROF Robert Mann received eight letters following his testimony against the Pearsall Plan before the General Assembly last summer. Seven of 'em attacked his stand, he said, and one commended him.

L. R. JORDAN HAS BEEN ELECTED National Vice-President of the Alpha Kappa Psi business fraterni-

ty at its annual convention in Detroit last week. Incorrect information earlier received stated that Mr. Jordan had been elected to the presidency of this group.

PROMOTERS OF THIS COMING Sunday's 100-mile stock car race at the Hillsboro Speedway announce that the race will be staged over 111 laps rather than 100, since the course has been officially measured as nine-tenths of a mile rather than a full mile. All previous track records will be discarded, it was announced, since they were recorded on a mile basis. — This they discover after about 10 years and a million-odd laps!

LIQUOR RAIDS BY POLICE over the weekend netted two arrests. Mary Ingram of 505 Whitaker St. was charged with illegal possession after officers found a jar of white liquor at her home. And Mary Frances Johnson of 607 W. Franklin St., was charged with illegal possession of non-tax-paid whiskey for the purpose of sale, and with resisting arrest.

COMPLETES TRAINING — William T. Powell, a student at the University of North Carolina and son of Mr. and Mrs. Albert V. Powell, of 33 Davie Circle, completed six weeks training with the Platoon Leaders Class at the Marine Corps Schools, Quantico, Va., on September 8. about 750 students, members of the congregation, and rookies in the Highway Patrol School here. Biggest crowd at the church in many a year.

TOWN OF CHAPEL HILL OFFICIALS were all ready at noon last Monday to conduct the annual sale of land for taxes, but nobody showed up for the ritual. Even if somebody tried to buy the property upon which taxes hadn't been paid, the process would require several years and a court suit. The annual sale, thus, is purely theoretical.

Tassos

(Continued from Page 1) primarily from the Wall Street Journal, a daily bible that has always been close by him in the Mouza Restaurant here. However, he doesn't "play the market" to a great extent. Looking through his dividend checks, he declared that his choices of stocks are carefully and wisely made. "Put 'em all down," he said. "I'll tell you what they are."

Stocks Listed

Berg-Warner, General Bronze, Hazel Bishop, Gillette, National Distillers, Seaboard Finance, Rohr Aircraft, Admiral Corp., Daystrom, National Mortgage & Investment Corp., Baltimore and Ohio Railroad, Rockwell Spring and Axle, Eastern Stainless Steel, Pittsburgh Steel, and American Smelting.

"Yes, I've worked hard," Tassos admitted cheerily. "But I don't mind. Some of the students come in the cafe—they call me capitalist. I tell 'em I'm just a hard-working man. If they don't like my working hard and making money—if they think the sun shines in paradise over Russia — why don't they go over there and find out. Me—I like it here."

Johnson passed 40 yards to Norwood for one tally, and Johnson

scored the other himself on a two-yard quarterback sneak. Atwater ran across two extra points.

Bob Robinson scored Sampson's lone touchdown on a 40-yard run

in the third quarter. Mickey Farring Weaver turned in for Lincoln's forty. Lincoln travels Training School the second game of the season.
