End To Free Street Paving Policy To Be Aired By Chapel Hill Board

An end to the Town of Chapel Hill's policy of paving its streets at public expense will be proposed to the Town aldermen.

Town Manager Thomas D. Rose said today that "Sooner or later we'll have to stop it. I don't know of any other town doing it now." He noted it would be particularly difficult to keep up this policy if large annexations such as those of this year are continued.

Further Discussion Set

The matter came up in a discussion of regulations for a proposed subdivision ordinance during a joint conference meeting of

the aldermen and the District Planning Board on Tuesday evening. At their session Monday night the aldermen will consider whether or not to include in the subdivision ordinance a requirement that streets be paved at the owner's expense before being accepted by the Town.

Planning Board members expressed the opinion that it would be better to require curb and gutter installations by subdivision owners since property owners would have to pay this cost eventually in any case.

It was brought out also that the planning report of Town consul-

tant W. F. Babcock, adopted earlier this year, recommended that the Powell Bill funds given by the state each year for local street maintenance not be used to pave residential streets, but be put toward major street improvements.

The Planning Board gave tentative approval to the Chapel Hill Housing Group's subdivision on the bypass highway and referred to the board of aldermen a request from John Scott Trotter, owner of the Hill House property, for rezoning of a downtown tract from residential to commercial use for the purpose of erecting a new mot-

Recreation Project Is Given Setback By Opinion From State On Sale Of Land

Purchasing Of Tract Would Be Necessary

At least a temporary setback to the civic club-sponsored recreation center proposal has been suffered in the form of an opinion from the State Attorney General's office.

The Chapel Hill School Board queried the Attorney General recently as to the legality of its possibly selling the High School Tin Can as surplus property at public auction, with the idea that a group of local civic clubs might buy it and fix it up for a recreation center in light of the fact that the downtown "Rec" will soon be demolished.

Have To Sell Land

In a letter to the School Board, the Attorney General expressed the opinion that this move would not be legal—if the building were left on the School property as had been suggested. However, the state official stated that the School Board might, if it felt that neither the Tin Can nor the land upon which it stands were desirable for public school use, sell both the land and the building at auction as proposed.

Read at the Board's meeting

Monday evening, the letter provoked only brief comment, pending further consideration by the civic clubs' committee, of which Kenneth Putnam is the chairman. Several members of the Board said informally that they favored selling both the land and the building with the understanding that they would revert to the school system when they ceased to be used for recreational purposes.

However, Board member Richard E. Jamerson expressed the opinion that the idea was not practical, and said that a recreation center should not be located near the center of the town.

Civic Group To Meet

A spokesman for the civic clubs group said this committee planned to meet again in the near future to consider further action on this matter.

In other business at their meeting the Board members agreed to match a \$600 gift from the Chapel Hill High School PTA Council, offered for the purpose of installing an intercommunication system in the building.

It is expected this project will cost about \$1,200. Conduits for the (See RECREATION, Page 6)

JUST IN TIME FOR THE 'SERIES'—Woolen Gymnasium employees paid tribute yesterday morning to Wade Thrift (right) who retired last Friday as head of the basket room staff at the Gym, by presenting him a new radio—just in time for the former semi-pro baseball player to tune in the World Series. On hand for the presentation at Mr. Thrift's home were Ed Norwood (left) and John Sarge Keller Jr. A former fire chief in Carrboro, Mr. Thrift served 13 years on the Gym staff. Years ago he played on ball clubs in Carrboro and in Kannapolis. News Leader Photo

Eileen Farrell Returning For Concert Series

Eileen Farrell, "America's greatest dramatic soprano," will open the Chapel Hill Concert Series on Wednesday at 8 p.m. in Memorial Hall.

Miss Farrell, who has been hailed for her recent performance in Cherubini's "Medea," opened the new season for the San Francisco Opera Company last month.

Chapel Hillians who attended the Concert Series last year may remember Miss Farrell's appearance with the Bach Aria group. A bad case of laryngitis prevent-

ed her from singing, but she did appear on the stage.

Since many of the members of the Chapel Hill Concert Series expressed their regret at not being able to hear Miss Farrell last year, she was invited to open the series this fall, according to James Wallace, President of the group.

Reserved seats for the four concerts to be presented this season can be obtained from Mrs. D. M. Fambrough in Graham Memorial from 9 to 1 p.m.

Reserved tickets are \$7.50 each.

Non-reserved tickets, which are \$6.50 each, may be obtained at Graham Memorial also and at Kenn's, Danziger's, and Led-better-Pickard's. All students, whether in grammar school, high school or college, may buy the non-reserved tickets for \$5 each.

A limited number of tickets for this concert only may be obtained for \$2.50 each. Holders of these tickets will be seated in the balcony.

Local Writers' Works In UNC Radio Series

Thirteen of the top writers in the country have written scripts for the latest radio series of the University. Earl Wynn, director of the Communication Center, has announced. The series, titled "Listen America," is to be released nationally on 100 radio stations this week.

Each author, among them five North Carolinians, was asked to choose any theme and develop it as he pleased, with the idea of saying to the American people at this time what he thought it most important for them to hear. There were no restrictions imposed by the University.

Produced by John Ehle and directed by John Clayton, the series will open with the program of Carl Sandburg, and will continue with the programs of Arthur Miller, Paul Green, Robert Frost, Randall Jarrell, Archibald MacLeish, Norman Corwin, Pearl Buck, Noel Houston, Conrad Richter, John Gunther, Betty Smith and William Saroyan.

ected by John Clayton, the series will open with the program of Carl Sandburg, and will continue with the programs of Arthur Miller, Paul Green, Robert Frost, Randall Jarrell, Archibald MacLeish, Norman Corwin, Pearl Buck, Noel Houston, Conrad Richter, John Gunther, Betty Smith and William Saroyan.

The series was supported with a grant-in-aid from the National Association of Educational Broadcasters and the Educational Television and Radio Center. Broadcasts on WUNC, Chapel Hill, will begin this evening at 9 o'clock.

Chanlett To Address Reserve Unit Meeting

The first meeting of the fall quarter of the local (Carolina-Duke) Army Reserve and Development Unit will be held in room 101, Medical School Building, on Friday at 7:30 p.m.

Major Emil Chanlett, a member of the faculty of the School of Public Health, will present an analysis of certain public health problems occurring after atomic attack.

Any Army Reserve Officer interested in research is invited to attend. Further information may be obtained by contacting the Commanding Officer, Col. K. M. Brinkhouse, phone 9-9921.

NOW AT ADORN

Mrs. Sylvia M. Davis, formerly with the University Beauty Shop, is now affiliated with the Adorn Beauty Salon in Glen Lennox.

Bypass Link Possible By Time Of Duke Game

Survey crews from the State Highway Department in Raleigh were still making surveys today of possible routes for the proposed road linking the Memorial Hospital area to the bypass highway south of town.

It was expected this work would be completed today, and that the route to be used for this link would be decided upon tomorrow. If so, preliminary work on clearing the road is to be started next week, and the roadbed may be ready for use to relieve football traffic by the time of the Duke game Nov. 24.

Hard-surfacing will not be carried out until sometime next year after the road is packed down.

Budget To Be Set Friday For Community Chest

The budget of the Chapel Hill Community Chest will be decided upon at a Community Council meeting in the Town Hall tomorrow evening at 8 o'clock.

Russell's Book On Jefferson Coming Oct. 15

Phillips Russell, editor of the semi-weekly Chapel Hill News Leader and retired professor of journalism in the University, is the author of a book, "Jefferson: Champion of the Free Mind," which will be published October 15 by Dodd Mead and Co., a New York publishing firm.

His biography is based on a new conception that "Jefferson was not a radical or subverter or idol-smasher, but that he was an upholder of ancient English liberties; and that Jefferson had wished to see these ancient liberties extended and brought up to date in a new setting in a fresh and vigorous America."

The well-known Chapel Hill writer and teacher added that in all Jefferson's writings, the early president used the word "democracy" or "democratic" only three times and that all the evidence indicated that Jefferson was primarily a republican—that is, he wished to see America cut itself off from a decaying European feudalism and strike out on new but well indicated paths that would lead the civilized world upward to a new stage of life.

The book, Mr. Russell said, will be "handsomely produced and copiously illustrated." Included will be a new portrait of Jefferson found in an Italian convent for girls.

Chest Chairman Emery B. Denny Jr., said that recommendations for agencies to be included in the joint fund appeal and for the individual agency budgets would be presented by Evaluation Committee Chairman W. E. Thompson. The campaign is to be staged late this month or next month.

Chest Chairman Walt W. Baucum today announced the appointment of Oliver T. Watkins and Charles Dunn as co-chairmen of publicity and O. Gordon Perry Jr., as drive treasurer. Other members of the evaluation committee are Mrs. W. M. Whyburn, Paul Wager, the Rev. J. R. Manley, Gene Strowd, Bob Cox, Mrs. Samuel Selden, Bill Cherry, Crowell Little, and Mrs. Marvin Allen.

First CHHS Junior High Game Scheduled Today

The Chapel Hill Junior High School Wildkittens will open their football season here this afternoon against Northern Jr. High of Durham. It's the first time the local school has fielded a Jr. high team. The Wildkittens will be made up of boys from the eighth and ninth grades.

made up of boys from the tenth grade. "Boys in the tenth grade will now be on the high school varsity," Coach Wells said. "I think we will find starting the boys at an early age will give them a greater knowledge of the game during their high school playing days," he said.

The Wildkittens have 36 boys out for the squad and they hope to give their Durham visitors quite a ball game. David Henry, A. T. Turner and George Cannefax have been putting on a real battle for the starting quarterback nod. Big

David Grant, Wildkitten fullback, should be a thorn in the opposition's side all season long. He is brilliant on defense as well as offense and moves very well for a large boy.

Coach Wells said the schedule hasn't been completed. The Chapel Hill squad will meet Garner Jr. High twice and two more games will be scheduled at a later date.

FIRST WILDKITTENS GRIDDERS—The newly-organized Chapel Hill Junior High School football team will enter the competitive field for the first time this afternoon when they play Northern Junior High of Durham here. Coached by Allison Wells of the high school faculty, the 36 members of the squad are (first row, left to right) Dale Buckner, Skipper Walters, Wafford Humphries, Buddy Thompson, Bill Roberts, Ned Martin, Ronnie Pendergrass, Barbee Alexander, Sandy Lloyd, Tommy Weaver, Kenneth Markell, Tommy Watts, (second row) David Hardee, David Grant, Wayne Wilson, Co-Capt. Bob Hogan, Norman Kirby, Billy Akridge, David Henry, Larry Bozeman, Co-Capt. A. T. Turner, Don Prillaman, Bobby Larsh, (third row) Lamar Giles, George Cannefax, Terry Stapleton Eddie Kenney, Jimmy Crane, Keith Chapin, Donald Leng, Wayne Yancey, Kearney Andrews, Bill Henderson, Toby Neville and Geddie Carlisle. Not shown is Paul Johnson. Assisting Mr. Wells as coach is Mac Proctor. News Leader Photo

HONOR DR. WILLIS—Dr. H. S. Willis of Chapel Hill was today presented the Southern Tuberculosis Conference Award at the annual meeting of the Conference in Dallas, for his conspicuous service rendered through his research work in the field of tuberculosis. Dr. Willis has been Superintendent-Medical Director of the North Carolina Sanatorium System since 1947.

CALENDAR OF EVENTS

Friday
3 p.m. Community Club, Institute of Pharmacy Building.

Saturday
5:30 p.m. Carrboro Methodist Church supper.

Sunday
8 p.m. Dental Dames reception, Graham Memorial.

Monday
3 p.m. WSCS, University Methodist Church, Ladies Parlor.
4 p.m. Soccer, UNC vs. Lynchburg, Fetzer Field.
8 p.m. Special Hearing, County Commissioners, County Courthouse.

HOSPITALIZED

Today's register of patients at Memorial Hospital includes:

Mrs. Joe Adston, Raymond Atwater, Fred Barber, Mrs. Claude Brown, Mrs. David Dixon, Mrs. George Hellen, Robin Hinson, Deborah Joyner, Mrs. Bruce Martindale, Miss Agnes Neville, Barbara Parrish, Mrs. Hubert Patterson, L. R. Pendergrass, Miss Marie Robertson, Durward T. Roberts, Carl Rollins, Miss Ruth Sheppard, Carl Stewart, Mrs. Waylon Stinson, Miss Margaret Summerell, Mrs. H. M. Wagstaff, Henry M. Williams, Mrs. Hugh Wilson, Eddie Womble, W. H. Womble, W. T. Womble.

Weather Reports

Cloudy and mild with some chance of rain today and tonight, likely ending tomorrow. Low tonight, low 60s.

	High	Low	Rainfall
