Merchants Nominate McClamroch; Set Christmas Opening For Nov. 30

Sandy McClamroch, Chapel Hill radio station owner, has been nominated to the presidency of the Chapel Hill-Carrboro Merchants Association for the coming year.

Election of new officers will be held at the group's general meeting on Dec. 10. A slate of candidates, proposed by President H.S. McGinty and his predecessors, Crowell Little and Herb Wentworth, was put in nomination to the Association directors in a report Monday night.

Other Nominees

The others were Bill Hobbs, Vice-President; Mrs. Jane Whitefield, Secretary; L. J. Phipps, Attorney; Whid Powell, State Director; and Raymond Andrews, Monk Jennings, Ray Jolly, and Carlton Byrd, Directors. Hold-over Directors will be A. J. Altemueller, J. T. Gobbel, James H. Davis, Mrs. J. L. Sutton, and Bernice Ward. Re-nominated to serve on the three-man Advisory Board for another year were Claude Teague, J. S. Bennett, and John W. Umstead.

County Chapter For UN To Be Formed Sunday

An organizational meeting of the Orange County Chapter of the American Association for the United Nations has been called for this Sunday afternoon at 3:30 in the County Courthouse.

Proposed by United Nations Mediator Frank Graham, the unit is to be formed with 50 community leaders from all over the County as a nucleus. However, D. D. Carroll of Chapel Hill, temporary chairman of the group, emphasized that the general public is being encouraged to participate.

'Emergency Cited'

In a letter to these 50 Central Committee members, Mr. Carroll stated: "The present critical emergency surely emphasized the importance of increasing the peoples' understanding of the purpose and uses of the United Nations in preventing war and promoting peaceful relations in the world."

"It is not easy for busy people like you to find time for additional responsibilities, but we believe

you will get real satisfaction in joining your effort and influence in a movement of such widespread and enduring world-wide effect on human well-being."

The Committee itself would meet only two or three times a year, Mr. Carroll suggested, explaining that the work of the Association could best be carried out through the programs of other organized groups such as the Grange, churches, Home Demonstration, and civic clubs. Its formation has been brought about, he said "out of the concern that the masses of our people do not understand the United Nations."

Committee Listed

Here are the members of the Central Committee, who will elect permanent officers at their Sunday meeting: Henry Brandis, Zeb Burton, Paul Carr, D. D. Carroll, Hubert Carter, O. K. Cornwell, Mrs. Charles Crawford, Edward G. Danziger, Mrs. Carl Davis, Mrs. William Dorsett, Mrs. Mack Efland,

to receive the Jaycees Distinguished Service Award as local Man of the Year.

Christmas Hours Nov. 30

The Association directors also voted to begin the local Christmas shopping season by turning on their downtown illuminated decorations on Nov. 30, and by recommending that stores be open for shoppers on this evening in addition to the evenings of Dec. 7, 14, and the week of Dec. 17-21.

Among other matters of business the directors agree to release the Thompson and Vincent real estate firm from its lease on quarters in the Association office as of February, 1958; and to pass on for a vote by the general membership a proposal by President McGinty to set the annual reports meeting of the Association in January of each year for the previous year.

Carrboro To Give Out House Numbers; Bypass Construction Is Seen This Year

System Is Adopted By Commissioners

A block and house numbering system for the Town of Carrboro was officially adopted by the municipality's Board of Commissioners at their meeting night before last.

Mayor Pro-Tempore Roy S. Lloyd said today that town employees would begin distribution in the near future of sets of three-digit numbers to each household in town. The residents will be asked to tack them on the front of their homes.

Four Sections In Town

The numbering system was adopted as proposed by the League of Municipalities office in Raleigh, and provides for marking the town off into north, south, east, and west sectors by the intersections of Main and Greensboro Streets downtown. Additional street signs are to be erected where needed, Mr. Lloyd said, and existing signs will be revised to add the "North," "South," etc., designations where needed.

Town Clerk Winslow Williams is expected to go to Gibsonville, which recently adopted a similar system, to see how it is being put into effect there.

The Commissioners were also informed by the Town Engineer of negotiations now under way with the State Highway Department for completion of the southwest leg of the bypass highway which will go around the town from the Morgan's Creek intersection of U. S. 15-501 northward to N. C. 54 west of Carrboro—and possibly a mile farther north to connect with old N. C. 55 near Calvander.

Limited Access Sector

The Board was informed that work on this new link is expected to be started before the end of the current fiscal year. It will be a limited access road, they were told, with a 250-foot right-of-way up to

Attorney L. J. Phipps has been re-elected and installed as Chairman of the Orange Boy Scout District for a second one-year term.

Nearly 300 Scouters and Scout parents attended Monday evening's annual district banquet, held in the University Tin Can here. In addition to electing officers for the coming year, the group heard an inspirational address by S.E. City newspaper editor E. A. Resch, an Occaneechee Scout Council leader, and witnessed the presentation of 19 awards to Scouters for their service during the past year.

Award For Collins

Robert L. "Rip" Collins, recently-resigned District Scout Executive, and Mrs. Collins, were presented a silver pitcher by J. E. Wadsworth, acting for the District organization. Chairman Phipps announced that Bill Ray of Raleigh, Wake County Scout District Executive and Council leadership training director, would succeed Mr. Collins here as of Jan. 1. Mr. Ray, who will move to Chapel Hill shortly, was introduced at the meeting.

Other District officers installed for the coming year were John Efland Jr., of Efland, re-elected Vice-Chairman; and Clarence D. Jones of Hillsboro, also Vice-Chairman.

Aldermen Renew \$35,000 Note; Okay New Parking Restrictions

The Chapel Hill aldermen will meet in special session this evening to elect an interim member to their number and to take up a number of other matters previously postponed by the absence of Mayor O. K. Cornwell.

At their Monday evening meeting, with Mayor Pro-Tem Obie Davis presiding, the Board renewed for six months a \$35,000 bond anticipation note for curb and gutter installations. It also

authorized Town Attorney John Q. LeGrand to draw an ordinance restricting parking on the second block of McCauley St. to the north side between the hours of 7 a.m. and 7 p.m.

A delegation of students is expected to go before the aldermen tonight with a proposal regarding the recently-imposed parking ban on the fraternity block of S. Columbia St.

Lincoln To Face Hamlet For Title Here Tomorrow

The undefeated Lincoln High School football team plays host to a strong Hamlet High team Friday night at 8 o'clock in the Lion's Park.

Lincoln won the Class AA Eastern District One title and Hamlet is champion of District Two. The winner of this game will play for the Class AA Eastern championship.

Coach Willie Bradshaw of Lincoln says his team is in excellent physical shape for this all-important playoff game.

"Hamlet has a strong team," Bradshaw says, "but I think our chances of beating them are pretty good. They have a much heavier team than we do, but we are probably a little faster than they are."

The Tigers will depend heavily on fullback James Atwater and end Bobby Norwood to carry the brunt of their offensive attack. Atwater has scored 15

touchdowns this year and Norwood has tallied 10 times from his end position.

"The spirit has been the highest for this game than ever before this season," Bradshaw said. "It looks as if our boys really want to win this one."

Hamlet, a T-formation team, is also undefeated. They have won nine and tied one.
