Jim Wadsworth Will Narrate 'Star Scouting' Program At Planetarium During This Month

'Star Scouting,' the new program which opens at the Morehead Planetarium here tomorrow, has been especially tailored for Boy, Girl and Cub Scouts' preparation for meridian requirements in astronomy, Manager A. F. Jenzano announced today.

James E. Wadsworth of Chapel Hill, Leadership Training Chairman of the Orange District, Oconeechee Council of the Boy Scouts of America, has joined the permanent narrating staff of the Planetarium.

Mr. Wadsworth, who is housing officer of the University here, will narrate the jural program on Tuesday night at 8:30 as well as others during the run through Feb. 3.

The Oconeechee Council arranged and worked with the Morehead Planetarium in presenting "Star

Scouting." The program points out what distinguishes stars and planets, their brightness and apparent motion, and even dramatizes Indian legends of the constellations.

Devices for study and memory aids which Boy, Girl and Cub Scouts can make from everyday articles found about the home will also be demonstrated.

Because "Star Scouting" will appeal to Boy, Girl and Cub Scouts who naturally will be in school on weekdays, seven weekend matinee performances have been scheduled. They will be given on Saturdays at 10 and 11 a.m. and 3 and 4 p.m., and on Sundays at 2, 3, and 4 p.m.

The program will also be presented at 8:30 p.m. daily and at regularly scheduled school shows at 10 a.m. and 1 p.m. on Wednesdays, Thursdays and Fridays.

Banquet, Reception After Abba Eban

A banquet at Carolina Inn and a reception at Graham Memorial have been planned in connection with the visit of Israeli Ambassador Abba Eban Wednesday.

Eban will deliver a speech in Hill Hall at 8 p.m. Wednesday. The banquet for the Ambassador will be held at 6:30 at Carolina Inn. After his speech, a reception in Graham Memorial has been scheduled.

The Carolina Forum is sponsoring his speech.

Eban became ambassador to the United States in September, 1950, while at the same time retaining his function as chief Israel delegate to the United Nations.

His political work in Israel began 12 years ago when he went to Jerusalem as liaison officer of Allied Headquarters with the Jewish population. Eban's task was to enlist participation of Jewish volunteers in special missions on behalf of the Allied forces in the Near East and Europe.

Later, he became chief instructor at the Middle East Arab Center in Jerusalem. During this period, Eban traveled widely in the countries of the Near East, frequently lecturing in Hebrew and Arabic to Jewish and Arab audiences and contributing to journals written in those languages.

Christmas and New Year's have come and gone, those mysterious-looking packages have been opened, and everything seems ready to settle back into that same old well-worn track. Almost, but not quite...

The New Year, which has slipped up on us and left everybody wondering what became of good old 1957, has brought the traditional New Year's resolutions to the minds of many CHHSers.

Tom Roberts resolves to quit goofing off in study hall. John McNeill plans to reverse his nickname, "Tiger," back to its original state—John. Mike Culbreth says he'll try to quit sleeping in his classes.

Nancy Berkul is going to stop eating, while Julie Falvey plans to stop laughing.

The Y-Teens sponsored their annual New Year's Dance Tuesday night from 8 till 12 midnight in the basement lounge of Cobb Dormitory. The theme centered around "The Arabian Nights," with a genuine shiek and his harem as one of the main features. Music for the dance, which was a closed affair, was provided by a band.

While everyone has been enjoying their holiday vacation, feasting on turkey and attending party after party, one lone CHHS junior has spent his days and nights mourning his fate. This Wildcat, better known as Bob Madry, has the mumps, and he's spent the Yuletide season nursing swollen jaws. Anyone immune to mumps drop by to see Bob, or drop him a card to wish him a speedy recovery.

Party after party followed the dance, as each person greeted the New Year with food and dancing. Sue Ham and Trisha Armstrong gave a breakfast at Sue's house; Janet MacAllister and Beverly Thompson each held an "after-the-dance" dance; Tina Demerritt threw a slumber party to which no slumber came. These parties, and many others, climaxed the old year and left a note of gaiety to greeting 1958.

The Juniors called a class meeting Friday morning to discuss the AFS program in further detail. Other important matters on hand were appointing committees to look after the various needs of the coming Junior-Senior.

The 'Cats and 'Kittens, continuing their cage practice over the holidays, are now eagerly awaiting tomorrow night's battle with Fuquay. This game will be played in the new CHHS gymnasium and everyone is invited and encouraged to come.

A challenging series of lectures will be presented by the Women's International League of Peace and Freedom and the Community Church during January, February and March.

Concerning the status of the Negro in the United States from past to present, they are designed to inform in an historical sense entirely. They will not touch on current race problems.

Each lecturer will be a person expert in his field, and the talks are expected to provide information lacking in the average knowledge of the sociological position of the Negro.

The first lecture will be presented next Wednesday evening at 8 o'clock in the Assembly Room of the Library by Prof. Edgar Thompson of Duke University. His topic will be "The Negro as Slave and Freeman in the Culture of the U. S."

Other lectures to be given are: Mr. Thompson, a South Carolinian by birth, has taught at a number of State Universities, among them, North Carolina, Texas, and Washington, and at the University of Hawaii. In 1956, he received the Hugh Le May Fellowship at Rhodes University, Union of South Africa—the first American who has had this honor.

Jan. 22—"Negro Leaders and Their Influence," by Prof. Neal Huzhloy, North Carolina College.

Feb. 12—"The Impact of the Negro's Emergence from Agriculture and Domestic Labor into Other Occupations, Upon Urban Life in U. S.," by Dr. Guy Johnson, UNC.

Feb. 26—"The Legal Status of the Negro," by Prof. Turner, Dean of the Law School, North Carolina College.

March 12—"The Negro in Politics," by Dr. Helen Edmonds, North Carolina College.

March 26—"Segregation and the Press," by Dr. Roy Carter, UNC.

HILLEL WOMEN In order that members may attend Israeli Ambassador Abba Eban's lecture Wednesday evening, the Hillel Women's Club will not hold its regular monthly meeting on that night as scheduled. The next meeting will be in February.

"To Tell The Truth" last week. All persons over 65 and honeymoon couples in the audience were asked to stand up after the show and from these the contestants for tonight's show were picked. Burch had to come back home to leave his wife, who had to get back to her teaching job today. On the "Price Is Right" show he'll have to bid the closest to the actual cost of various valuable objects, without exceeding the cost in order to win them.

WITH TALK OF POLITICS BEGINNING for the May Democratic Primary Election, the record should be set straight on this matter: Orange County already has one announced candidate in this election. He's Rep. John Umstead, who declared even before the last General Assembly had adjourned that he would seek "one more term" in this office. The veteran Orange legislator, a powerful figure in the legislative halls at Raleigh, has served two terms in the Senate and nine terms in the House, all since 1931.

UNC Grant Will Boost Teaching

The University of North Carolina was among some 135 colleges and universities sharing a \$1,150,000 grant made Thursday by the Du Pont Company, it was learned yesterday.

The University will receive a grant of \$2,400 for education of a scientist or engineer plus an award of \$500 to the University and payment of tuition and fees for a post-graduate teaching assistantship in chemistry.

Also, two fellowships of \$3,000 for future teachers of science or mathematics in high school and a summer research grant of \$1,500 for fundamental research in chemistry.

In addition to supporting the teaching of science and mathematics, officials said, the funds will continue to support fundamental research and fellowships.
