Wildcats Cinch Tournament Berth With 34-8 Walloping Of Orphanage

By PETE RANGE

Once again we are reminded of last year's District III Champions as we look at Tuesday night's CHHS-Oxford Orphanage game. Coach Bill Smith of the Orphanage chose to freeze the ball in an attempt to 'pull the Wildcats out of their zone defense. Apparently, his plan back-fired, for Coach Culton turned the tables for a 34-8 victory. There was only one point scored in the first quarter of this affair. Hunter Tilghman sank a free throw for CHHS for that one.

Foiled By Maneuvers
Oxford Orphanage still tried to hold the ball, but some fine maneuvers by Dave Henry, Neil Clark and Frank Weaver got the ball for the Wildcats and put them ahead at the half six to two.

Apparently the Black-and-Gold decided it was time to start playing ball in the second half, for they poured 28 points through the net. Frank Weaver and Hunter Tilghman tied for high scoring honors with 10 points apiece.

This game puts Chapel Hill in the District III Tournament for sure, as they are now in sixth place. The tourney will begin next Wednesday night in the CHHS gym. Chapel Hill's Kittens went down again, 37-27, at the hands of the Orphanage girls. Ginger Kenney was high scorer for the losers with 12 points.

Play Last Game
Five girls play their last game this year against Roxboro here Friday night.

day night. For Doris King, Pat Lacock, Janet McAllister, Ginger Kenney and Marcella Whitehead it will be the last time they play basketball in the Black-and-Gold, as they graduate in June.

The Wildcats take on the Roxboro Rockets in their last regular season game here Friday night in the CHHS gym.

Tigers Lost Last Four Games; Will Enter Tourney Next Week

The Lincoln High "Tigers" have been as cold as the weather as of late, having lost four of their last five games.

They defeated Pleasant Grove 45-30 for their ninth straight win, then lost to Henderson 49-24 and 39-37 in an overtime; and to Burlington 43-33 and 49-45. This brought the "Tigers" overall record for the season to nine-four.

Having to cancel all games for this week because of bad weather, the "Tigers" will make the next appearance in the Central Piedmont Athletic Association Tournament scheduled for the Merrick-Moore Gym next Monday, Tuesday and Wednesday.

Others teams participating will be Hillside of Durham, Person County of Roxboro, Pleasant Grove, Little River of Durham, Jordan-Sellers of Burlington, Graham, Merrick-Moore of Durham, the host, and Lincoln. While the "Tigers" were having

their troubles, the "Tigerettes" were able to win three of their last five, defeating Burlington twice, Pleasant Grove once and losing to a powerful Henderson team twice. At present the girls' record is four-seven.

Ice, Cold Cost County OneLife, Heavy Damage

The ice, snow and bitter cold, variously reported as being the worst in this locality since 1899, has cost one life, disrupted schools, closed at least one industrial plant, and wreaked untold damage through fire, frozen pipes and fixtures.

Schools have been closed in the county system the first three days of the week, with the exception of Carrboro and White Cross, which were closed Monday.

Frozen water lines, radiators, and plumbing fixtures were reported at virtually every school. White Cross reported only 25 per cent attendance Tuesday and Wednesday.

One Death

The frozen body of James Roger Richmond, 26-year-old Negro, was found off a country road in Cedar Grove township Monday afternoon, and Assistant Coroner George Cannady ruled death was the result of exposure. He had been living in Philadelphia, but recently had returned to the home of his grandfather, Eli Rogers. He was in sight of his grandfather's home when he died, after staggering the distance from a nearby road.

White's Furniture plant at Hillsboro was closed Tuesday for the remainder of the week after a frozen and busted 8" pipe which

feeds the plant's sprinkler system made that system inoperative. Officials decided the fire hazard too great to permit continued operations.

Fires

The Hillsboro fire department answered four alarms on Monday. The well and pump house at Guernsdel Farm was destroyed and heavy damage was inflicted in two fire outbreaks at the Lawrence Beavers' residence, west of Hillsboro. One room of the 1½ story house was gutted in the late afternoon blaze and the second story and ceiling was lost in a 10 P.M. fire, both of which caught from the flue in the ceiling. Furniture was saved. A handy carbon tetrachloride filled bulb extinguisher prevented serious damage to the Frank Davis house at Fairview, when oil caught under a space heater about noon Monday.

Injured

Mrs. Stella Goodman of Route 1, Efland, suffered painful hand injuries when her car was struck by a skidding highway truck on Highway 70-A Saturday.

Snow ranging from three inches at Hillsboro to 5½ inches near the Northern county line fell Saturday followed by the near-zero weather and hard freeze lasting until today.

82 Criminal Cases Are Set For High Court

Judge William Y. Bickett of Raleigh will preside over a one-week criminal term of Orange County Superior Court next Monday, the calendar listing a total of 82 cases for the session.

Of the total there are 72 regular cases docketed for trial on Monday, Tuesday, or Wednesday, and an additional 10 cases on the appearance docket.

Included on the calendar are the cases of housebreaking and arson against former UNC medical student Richard T. Satterwhite of McCain. However, these charges will undoubtedly be continued for trial until the next term inasmuch as Satterwhite is currently in the State Mental Hospital at Dix Hill, Raleigh, for 60 days observation.

First degree burglary charges are to be heard against Harry Grasser of Chapel Hill, and three charges of breaking and entering and larceny against Herbert G. Andrews of Durham, former UNC students charged in connection with alleged thefts of exam papers at the University.

FAMILY NIGHT BUFFET

There will be a family night supper at the Chapel Hill Country Club for members and their children next Sunday, Feb. 23, at 6 p.m. Changes in reservations may be made with Mrs. Durward Roberts as late as noon Friday.

BRIDGE PARTY POSTPONED

The American Legion Auxiliary's bridge and canasta party, scheduled for tonight, has been postponed until some time in March, according to an Auxiliary spokesman. The bad condition of the road and parking lot on the Legion grounds forced the postponement.

Farm Housing Loans May Be Had At F.H.A.

The construction and repair of farm houses and other farm buildings may be financed by the Farmers Home Administration, according to Lacy A. Gibson, County Supervisor for Durham and Orange Counties.

He said the same kind of farm housing loan program is available as last year when American farm housing loan program is available as last year when American farm owners borrowed \$21,300,000, to construct, improve, or repair farm houses and other essential farm buildings, or to provide water for farmstead or household use. Four loans were made in Orange County with \$47,430.00 funds involved.

Farmers Home Administration loans are provided only when a bank or other lenders cannot adequately serve the farmers' credit needs at the present time. Our agency does not compete with conventional or cooperative lenders, Mr. Gibson said, but does supplement the credit services supplied by other sources. Borrowers agree to repay the housing loans within the shortest time consistent with their repayment abilities but no loan schedules go beyond 33 years. The interest rate is 4 per cent.

Although housing loans are made only to farm owners, an owner may borrow to repair or build a house or other farm buildings for his tenants or farm laborers. A borrower must be an American citizen; any farm involved must be big enough and operated in such a way as to be considered an actual farm; and it must produce a substantial part of the operator's annual cash income. Borrowers cannot use farm housing loans to buy land or refinance debts.
