Despite the unpredictable weather, all CHHSers enjoyed their Easter vacation, simply because they were out of school!

Most seniors are probably still sleeping in an attempt to recuperate from their Washington weekend. The trip proved to be highly educational and "the time of their lives."

A group of about eight girls attended a talk at the home of Dr. and Mrs. William Joyner last Tuesday afternoon. Leading the discussion was Miss Sadie Dunn, a graduate of Woman's College in Greensboro. The subject topic was centered around WC and activities of college life.

The attempt to interest the girls in WC was successful, as questions were fired fast and furiously. Doris King and Marcella White, head, co-captains of the girls' basketball team, were presented small gold basketballs in assembly Thursday morning. Mrs. King Kouns, coach, made the presentations on behalf of the team.

The preceding portion of the assembly was a concert given by the band. Under the leadership of C. F. Rierson, the band played several of the numbers they will play at the state contest in Greensboro. CHHS girls who lettered last year in any activity received their blazers last week. Although some were disappointed by the fact that the jackets lacked piping, it must be said that the girls looked very impressive in them!

The Proconian outdid itself last Tuesday, April 1, and came out with an April Fool issue. This tiny mimeographed sheet had some innocent CHHSers convinced of its truth for a while. Such headlines as "Jimmy Jamerson Drowns in Tub," "Miss Lewis to Marry Englishman," "New

Exchange Student from Africa" and many others aroused many comments. The first baseball game of the season will be played here Tuesday against Hillsboro. This year's team is made up of Dwight Stephenson, Larry Crabtree, Sammy Carroll, Preston Mayse, Larry McDevitt, Neil Clark, Gene Lloyd, Don Atwater, Wayne Hudson, Jimmy Foust, Gerry Durham, Wayne Yancey, Gerald Ferrell, Richard Shambley, Tommy Tapp, Jimmy Jacobs, Raeford Thompson and Ronald Wright.
