Construction of a 10-room dental office building for Drs. E. R. and W. T. Burnses has been started on Airport Rd. here.

The \$22,000 project was one of 27 building jobs totalling \$300,724 which were started here last month, according to a check of permits issued by Building Inspector Howard Stewart. While this represented a \$17,000 decrease from the total for the same month in 1957, it was a considerable increase over the \$253,311 in construction started during May.

Dr. Burnses said that the new building would be of contemporary brick

veneer architecture, with a low pitch roof, and would have a large parking area beside it. The local firm of Ellington and Sparrow is constructing the building, which is scheduled for completion in 90 days.

Included in it will be five operating rooms, two private offices, a laboratory and business office, and a reception room. Dr. W. T. Burnses has been practicing in Chapel Hill for the past nine years and his brother has been here with him for the last six years.

Their new building is being constructed on a lot of 280 feet frontage on Airport Rd., alongside Oak

Terrace Apartments, just below North St. Other building permits issued last month were:

Parents Are Invited To Attend Meeting To Boost Swim Club

Parents interested in the Chapel Hill Swim Club are invited to attend a meeting of the group this Sunday afternoon at 3 p.m. at the Kessing Pool.

The Swim Club senior team is organized for children from 10 to 16 years of age. Any parents whose children swam on the senior team last year, or who have children eligible for the team this summer, are urged to come to the meeting.

David Howard, former University swimmer, and John Edwards, who coached the Chapel Hill High School boys' team last winter, will be coaches this year.

The senior team did very well in its half-dozen meets last summer. A schedule of meets being set up for this summer will be climaxed by the Junior Olympics in Charlotte next August.

Interested persons who may have

questions about the Swim Club are asked to call Mrs. David Davis at 8-3352.

Planners Take Action On Re-Zoning Requests

Approval of the preliminary plan for a 14-lot subdivision to be known as Crestwood—located off Davie Road west of Carrboro—has been recommended by the District Planning Board.

The sector is to be developed by R. M. Pickard of Durham. At its meeting night before last the Board also recommended for final approval, contingent on some minor details, the plan for the Clark Hills subdivision near Eastwood Lake.

A petition for re-zoning of W. G. Fields' Durham Boulevard tract from RA-20 to Suburban Commercial was recommended for denial basically because a highway shopping area has been provided for in the vicinity.

Also recommended for disapproval was a re-zoning request from RA-20 to RA-15 for a Plantation Acres lot. Spot zoning was given as the reason for this action.
