Founding Day Ceremony Set At UNC Saturday

University Day, the commemora- tion of the physical founding of the University will again be celebrated here with traditional pageantry Sat- urday. October 12 is the actual anniver- sary of the laying of the corner- stone in 1793 of Old East—the Uni- versity's first building, but its oc- currence on Sunday this year brings the celebration a day early. Gen. William R. Davie and other Revolutionary leaders who founded the University will be portrayed by members of the Carolina Play- makers in the reenactment of the cornerstone laying. The ceremony will begin at 11 a.m. Saturday on the steps of South Building. Chancellor William B. Aycock, who will lead the assembly in the traditional memorial tribute, will be celebrating also his first year as head of the University in Chap- el Hill. It was on Saturday, Oct. 12, 1957 that he was officially in- stalled as chancellor.

Public Library Board Selects Name, Elects Mrs. Richmond Bond As Head

MRS BOND

Members of the Board of Trus- tees of the new public library, who were appointed recently by the Board of Aldermen, met for the first time last week. They elected officers, as required by North Carolina law, chose a name for the library, decided on quarters, appointed a librarian, and discussed other important matters. The officers elected are: Mrs. Richmond Bond, Chairman of the Board; Miss Cornelia Love, Sec- retary; Gordon Perry, Treasurer. Other Board members are Mrs. Robert Wettach, Mrs. Carlyle Sit- erson, and George M. Harper. The name chosen for the new library is the Chapel Hill Public Library. It will be located in the Hill House on Franklin Street, in

first floor rooms at the east en- trance. This is known to old- timers in Chapel Hill as the Bryan place; it is now owned by the Baptist Church. Mrs. Gerald MacCarthy has ac- cepted the appointment as li- brarian. Mrs. MacCarthy is a trained librarian of wide experi- ence, which includes both uni- versity and special libraries. The Board is now proceeding with plans for purchasing shelv- es and other equipment. In addi- tion to the town's appropriation the Library is receiving \$3,000 in federal funds for equipment and a basic collection of refer- ence books. It is not yet possible to set a date for opening, but Mrs. Bond said the date may be set at the board's next meeting.

Streak To Five

Chapel Hill Clips Hillsboro, Wins At Undefeated Roxboro

Skeptics who believed Chapel Hill's Wildcats have been riding along undefeated on a measure of luck are probably reconsidering their doubt today.

Coach Bob Culton's charges marked up their fifth straight victory of the season and their fourth without defeat in District Three Eastern AA conference, by down- ing strong and stubborn Hillsboro Saturday night on the latter's home grounds, 13-0.

The victory, attained on slow footing and after a day's postpone- ment because of steady rains Fri- day, ended a long victory drought for the local Wildcats. They hadn't beaten their north-county neighbors since 1949.

Chapel Hill took the "Battle of Orange" after fighting their bigger Hillsboro adversaries to a 0-0 stand- off for the first half and then strik- ing twice when the opportunity was there in the last half.

Roxboro Next Next comes the biggest showdown of the season for Chapel Hill. Their opponent here Friday night, in a game that's bound to draw the season's biggest crowd if the weather cooperates, will be with powerful Roxboro, which also has not dropped a game and is tied with the local team for the AA conference lead.

Roxboro has buried everything in sight with a potent running game and a stout defense. Chapel Hill can run but, when the oc-

11,000 'Shell Cracker' Fish Put Into Two Orange Creeks

Orange County Wildlife Protec- tor Bob Logan said today that 11,000 shell cracker fish have been put into two county creeks to pro- mote fishing in the areas.

Mr. Logan said that 5,500 of the game fish have been put in Eno Creek for benefit of fishermen in the Hillsboro area, and 5,500 more in New Hope Creek for benefit of anglers in the Highway 86 area. The fish are said to be similar to bream but grow up to two pounds. The fish were brought

'Doorbell-Ringing' Campaign For Chest Drive Set Nov. 3

Two hundred and fifty Chapel Hillians will ring 2,500 doorbells during the Community Chest cam- paign starting November 3. Mrs. Earl Wynn and Mrs. Harold Walters will lead them as co- chairmen of the residential area solicitation.

"We couldn't have two better people for the job," said Orville Campbell chairman of the chest drive. "The residential solicitation reaches more people than any other division, so is one of its most important phases."

The co-chairmen are both lead- ers in Chapel Hill and state activi- ties. "Their belief in the Commu- nity Chest, and their willing- ness to work hard to assure its

Homecoming Is 'Supposed' For Lincoln

Lincoln High School is to play its Homecoming game here Thurs- day night. Or is it?

School officials could only say today that the homecoming activi- ties are "supposed" to be held at the scheduled Lincoln-Monroe Ave. High School football game.

"It all depends on whether our guests are coming," a school spokesman said. It seems that transportation problems may force Monroe, of Hamlet, to forego the game, the official said. If they don't come, he said, the homecoming activities will have to be held at a game later in the schedule. A decision on whether the game and the homecoming will be held was to be made later today. A queen will be selected by vote-selling when it is definitely decided.

University Coach Jim Tatum will be the speaker at the Faculty Club luncheon to be held tomorrow at the Carolina Inn at 1 o'clock. Prof. George M. Harper is president of the club.

The nominations were made at a meeting of the association's nominating committee last week. The names will be placed in nomi- nation at the group's annual meet- ing Oct. 20.

280 Girl Scout Applications Call For 19 Troops In Area

On the basis of more than 280 applications for troop membership, the local Girl Scout service team has assisted in organizing 19 troops for the three neighborhoods of Chapel Hill.

Tuesday, the neighborhood meet- ing of Girl Scout leaders will be held at 8:00 p.m. at the United Congregational Christian Church on W. Cameron Ave. Troop record books and leader's materials will be distributed for each troop and Mrs. Grant Hurst, district director, working in Orange County this year, will be in attendance to dis- cuss plans for the fall.

More than 15 adults are enter- ing the local scout program as new leaders this year. For them,
