BYRD ANDREWS FITCH DEMERITT TAPLEY

NEWS IN THE NEWS—The individuals above were principals in Chapel Hill week. Starting from left: John M. Tapley, 29-year-old attorney from Glen Hill who was named Monday night by the Board of Aldermen as the town's new attorney for Recorder's Court, succeeding Emery Denny, Jr.; Toby Andrews, the Chapel Hill High School student body as Homecoming Queen for Friday's

game with Durham Northern; Betsy Fitch, elected by the football team as its queen for the game and Carlton Byrd, nominated Monday night at a board meeting of the Chapel Hill-Carrboro Merchants Assn. to serve as president for the coming year, succeeding Whid Powell.

John Tapley Named Prosecutor Of Court

Chapel Hill has a new prosecuting attorney for Recorder's Court, a 28-year-old attorney living in Glen Lennox. John Mack Tapley, a 1956 graduate of the University of Law School, was named from three candidates Monday night at the monthly meeting of the Town Board of Aldermen.

Bookkeeping, Bonds, Annexation

Aldermen Take Action On Number Of Matters

Chapel Hill Aldermen Monday night heard some mild criticism of Recorder's Court bookkeeping practices from the town auditor. They also took action on numerous other matters.

E. E. Peacock, town auditor, gave an audit report and discussed at length certain Recorder's court bookkeeping practices.

Principally, Mr. Peacock centered his criticism on the court's docket book, noting it "should be kept up to date," and charges and disposition detailed.

Mr. Peacock praised the Recorder's court, however, for "excellent" administrative work.

The aldermen deferred until their next meeting consideration of an ordinance proposed by the Chapel Hill Junior Service League to fence and enclose all public and private swimming pools in the area. The League said such an ordinance would ensure safety of children.

Also deferred pending further study was a request from the Chapel Hill School Board that the town annex the Estes Hills School. Mayor O. K. Cornwell suggested the deferral "so we can take a look at the entire Estes Hills area."

The council approved the drawing, by the town attorney of ordinances covering parking in four sections. The ordinances would provide for parallel parking on the south side of West Franklin St. between Bertram Court and Mallett St.; south on West Franklin between Roberson St. and the Long Meadow Dairy; and on the north side of West Franklin St. between Roberson and a driveway leading to Colonial

at the monthly meeting of the Town Board of Aldermen.

Mr. Tapley will succeed, beginning with the next session of the court Tuesday, Emery B. Denny Jr., who resigned after serving at the post since 1953.

Mr. Tapley, a native of New Rochelle, N. Y., received an undergraduate degree from Duke University in 1951. Before entering the University here, he spent two years in the Marine Corps.

The new prosecutor lives at Eight Berkley St. in Glen Lennox, is married and has two children. He is associated with John Manning.

Coincidental with the appointment but pertinent to the subject—and discussed concurrently—was a recommendation from the Orange County Bar Assn. to raise the salaries of the local Recorder's Judge and Prosecutor.

Presenting the association's recommendations were Attorneys Bonnie Sawyer and James R. Farlow.

Mr. Sawyer, who described the court as "a big business operation," which increasingly demands more time from the judge and prosecutor. "I honestly feel," Mr. Sawyer said, "that they are entitled to additional remuneration."

Mr. Farlow said the association thinks the salary of the judge, now \$1,800 should be raised to \$2,600 annually. And the prosecutor, he said, should get \$2,400 instead of the \$1,660 he now receives.

The aldermen voted to refer the recommendation to its finance committee for study.

Park Ban Approved

A parking ban on the west side of Henderson St., between North St. and Cobb Terrace, was also approved. The parking changes will go into effect Monday.

Approved, were the recommendations for the final plats of the Crestwood and Laurel Hill subdivisions.

In other action, the council: Issued a beer permit to Preston Weaver, 416 West Franklin St.

Approved the renaming of Ayr Road to South Hamilton Rd., upon the request of the Patterson-Jones-Joiner Clinic.

Voted to notify applicants asking for paving of a section of Laurel Drive to the Chapel Hill Country Club entrance that they will consider the matter only after curb and gutter work has been done on the stretch. "We haven't paved without curb and gutter in five years," Mayor Cornwell said.

Rezoning Okayed

Approved rezoning of a section on West Rosemary St. west of Columbia St. to Nunn Alley from RA-6, residential, to business.

Appropriated \$100 from contingency funds to the North Carolina Symphony, as it does each year.

Referred to its street committee a complaint from Dr. Fred Patterson concerning parking changes on Senlac Rd.

Decided not to erect a stoplight at Estes Drive pending completion of street work there.

Instructed the town attorney to write an ordinance restricting usage of overhead banners in Chapel Hill. Town Manager Thomas Rose told the board he had had "complaints" about banners.

Coach Bob Culton's Chapel Hill Wildcats, without a starting end to call their own, take on Northern High School of Durham County here tomorrow night in the local school's annual Homecoming game.

The contest will start at 8 p.m. at Carrboro's Lions Park.

The 'Cats, dumped for their first 1958 setback last week by strong Roxboro, 13-6, came out of the contest worse for wear.

One starting end, Horton Upchurch, hurt a shoulder and is definitely out of action. The other starting terminal, Bob Larsh, hurt his ankle in the game and is a doubtful performer.

Bill Whitney, starting fullback, is also out of the contest with an ankle injury.

Filling in for the injured will be Vernon Davis and Jerry Kilpatrick, and Bob Madry.

Despite an unimpressive won and lost record, Northern has the respect of Coach Culton.

"All of their losses have been narrow ones," he remarked today. "They lost to a good Henderson team last week, 19-13, with three of their starters out." The starters will be back against Chapel Hill. He said the Durham team had "a good, big line."

Relations Unit Membership Increased To 11 By Council
