YOUR HOME IS IMPORTANT
WHY NOT MAKE IT MORE LIVEABLE?

When the frustrations and restrictions of war-time are added to the stresses and strains of an already "high-powered" living, you need two things—an escape from monotony in your home surroundings, and a background that contributes to the art of home entertainment and hospitality.

We suggest that you do this with beautiful pictures and mirrors.

We believe we have one of the largest selections in this section to choose from. Among the pictures we have Modern Florals, Temper-Tone Florals, Blue Prevost, Godey's, Babies, etc.
