LANDON LEADS PRES. ROOSEVELT IN FARM POLL

Straw Vote Has Correctly Forecast All Elections Since 1916

Philadelphia, July 22.—Initial re-turns in the Farm Journal's seventh annual straw vote of farmers throughout the nation today gave Gov. Alfred M. Landon of Kansas the Republican Presidential candidate, a commanding lead over Presi-

dent Roosevelt. First figures released by the Journal, a Philadelphia publication, gave Governor Landon 25,307 votes against 20,869 for President Roosevelt. The Socialist and Union party nominee. Norman Thomas and William Lemke, tallied 461 and 291 votes, respective

From 32 States Although the totals were based on returns from 32 States, the in-dividual States show striking differences in trend. According to the poll, farmers in Pennsylvania, New York, Michigan, New Jersey Indiana, Kansas and Missouri were among those favoring the Republicens, while President Roosevelt was running ahead in California, Washington, Iowa and

In Ohio the race is close, with Landon polling 1,263 against Roosevelt's 1,251, thus far.

Held Reliable Barometer

The Farm Journal's statement "Beginning with 1916, this straw vote has correctly forecast the re-sult of all elections, including the very close Wilson-Hughes campaign; even showed in 1928 the capture Virginia, Florida and Texas by

ated. It added:
"In most of the 32 states for which ship. figures are given many counties have been covered, so that the result is a reliable and representative sample of
