Mrs. Kale invited her guests twelve young ladies, into the dining room where they were seated at a beautifully appointed table which carried out in detail a pink and green color scheme. The table was laid with pink lace mats and centered with a silver bowl filled with pink carnations and fern, surrounded by groups of bisque cups holding pink gypsophila. Tall silver candelabra holding pink candles and silver compotes filled with pink mints completed the table decorations.

A delicious three course luncheon was served, and made complete by the beautiful pink birthday cake holding thirteen lighted candles.

After the luncheon the guests were invited to the living room where card tables were set up and series of games enjoyed. Prizes were won by Misses Julia Miller, Mary Jane Crowell, Susan Ramseur, Fanny Statts and Charlotte Shuford.

BALD-HEADED DUFFER

He was very angry at being kept waiting at the station.

"So you had difficulty in finding me, eh?" he protested to the chauffeur. "Didn't your master describe me?"

"Yes, sir," the chauffeur replied, "but there are so many bald-headed old duffers with red noses!"
