Bud Leonard Becomes 1st Candidate For Sheriff; Primary Is Now Assured

Russell (Bud) Leonard of Lincolnton today announced that he would be a candidate for Sheriff of Lincoln County, subject to the Democratic primary in May.

Mr. Leonard is well known locally, and is reported to have decided to be a candidate for Sheriff after many of his friends had urged him to make the race. He has operated the Pure Oil Service Station here for a number of years, and is a veteran of World War II and the Korean war.

Mr. Leonard thus became the first to announce as a candidate for this office. His announcement, which may come as a surprise to many, assures there will be a Democratic primary contest for sheriff.

The incumbent, Sheriff Frank P. Heavner, has not yet announced he would be a candidate for reelection, but it is understood that he will. Also, speculation persists that Clyde Wilkinson, who recently resigned as chief deputy, will enter the sheriff's race in the primary.

Those taking part in the program were Dean Heavner, Sue Jane Harmon, Sarah Heavner, and Frances Lantz, who gave reports on the various February holidays.

The group was divided for the demonstrations. Mr. Yoder gave the boys a demonstration on feeding swine. The girls saw a Dairy Foods demonstration given by Celia Caldwell and Becky Campbell. Their demonstration was "Drink a Milk Shake for a Lift That Lasts" which showed how to make a banana milk shake.

Record books were their given out to the girls and Miss Moore explained how to fill them out.

Question—That sounds like a fine program. I believe you said something about special events. What kind of events are these?

Answer—They are the special holiday parties and dances—Easter egg hunts, for both white and colored children, Halloween parties, dances following the local high school games and the marble tournaments.

Question—Is this recreation program just for the town of Lincolnton or does it reach the county areas?

Answer—We have had people participating in this program from every township in Lincoln County. An example is the Marble Tournaments—We contact every elementary school in the county to get students to enter this tournament. Also, the base ball teams represent areas throughout the county.

Rev. Cecil Hefner Tells Rotarians Of Trip To Cuba

Rev. Cecil Hefner, pastor of the First Methodist Church, was the guest speaker at Tuesday's luncheon meeting of the Rotary club. His topic was: "Impressions of Cuba."

EVANGELISTIC CRUSADE The Lincolnton minister recently returned from Cuba, where from January 27 through February 4, along with about 100 ministers from other states in the U. S., he participated in the International Evangelistic Crusade. The Crusade was sponsored by the General Board of Evangelism of the Methodist Church.

Rev. Hefner told Rotarians that he found the people of Cuba to be gracious and responsive in their attitude towards the evangelistic crusade, and that 2,000 Cubans made conversions to Christ during the crusade.

He pointed out that in her fifty-six years of independence Cuba has come from a backward colony, ridden by disease and bad government, to a place of respect among the family of nations.

Many fine reforms have been initiated by the government of Cuba, he stated, which have lifted the standards of living and given wider opportunities to the people.

It's official now. David Clark, young Lincolnton attorney, will not be a candidate for the Democratic nomination to Congress in the Tenth District.

MR. CLARK

Ending weeks of speculation, Clark officially announced in a statement this week that he would not make the race. In his statement, he disclosed that family and business considerations prevented him from making the Congressional campaign, and that it was his desire to continue as a member of the State Government Reorganization Commission.

CANDIDATE FOR HOUSE He also announced that he would seek re-election to his seat from Lincoln County in the House of Representatives, which he has held during the last two sessions of the General Assembly.

Mr. Clark's statement that he would be a candidate for reelection to the House follows: "I intend to offer as a candidate for the Democratic nomination for the North Carolina House of Representatives. If elected, I shall strive to serve the best interests of the people of Lincoln County and the State of North Carolina."

His statement citing his reasons for withdrawing himself from consideration as a candidate for the Democratic nomination to Congress in the Tenth District follows:

"I appreciate very much the interest of my friends in the possibility of my becoming a candidate for Congress," he said. "However, I have decided, primarily because of personal considerations, both family and business, that I will be unable to do so."

"This decision has been made with reluctance. However, it has been made easier by the knowledge that several outstanding men are considering entering the race."

"It also reflects a desire on my part to continue as a member of the State Government Reorganization Commission, and through that work to be of service to the people of this state."

SELECT NOMINEE MAY 29 Democrats of the 10th will select their congressional nominee at the May 29 primary election. The nominee will oppose Representative Charles R.
