PROGRAM
The program opened with "The Piousness Song," the National Boys 4-H song. It was led by Linda Porter and Wayne Smith of the Asbury Club. They were accompanied at the piano by Jean Warlick of the Union Club.

The pledge of allegiance, led by Joan Reep, followed by the National 4-H pledge, led by two members of the Hickory Grove Club, Jean Hoyle and Billy Campbell.

A very inspiring devotion was given by Celia Ann Caldwell of the Asbury Club. She discussed some of the things for which we as Americans can be thankful. Carlene Houser of the North Brook 1 Club discussed briefly the purpose of 4-H Achievement Programs. It is to give recognition to outstanding club work throughout the County, and to present a challenge to all members and their leaders to do even better club work in the coming year. "To Make the Best Better" is the aim of the organization, as is stated in the motto.

Judy Jonas and Elizabeth Hoover of the Union Club, delighted the group with their performance of Acrobatics and precision movements.

The meeting closed with a social hour which included light refreshments. Adults assisting were: Miss Annsie Alexander, Mrs. Rhyn Reep, Mrs. Morris Yoder, and Mrs. Forrest Caldwell.

SATURDAY NIGHT
This week's dance will be Saturday night from 8:30 to midnight. You can bring your lady and shake a pair of legs for \$1.50 a couple. The music is guaranteed. If you're not satisfied, you can ask for your money back—and try to get it! But if you're not pleased, it won't be the fault of:

Joe Felds, trombone; Bud Ramsour and Bob Leonard, electric guitars; Dallas Lee, drums; Bob Ramsour, bull fiddle; or Frank Barkley, trumpet.

ORGANIZED YEAR
The Rhythm Masters were organized nearly a year ago, and have been in demand for numerous local functions, including benefits. About six weeks ago, they began the Saturday night dances at the Legion Hut. They will continue them if there is sufficient interest.

Also, the Rhythm Masters are available for private parties, homecomings, reunions, public performances, or to serenade your mother-in-law. But they're a group that only community support can keep alive.

High School Students Local Area Counties Aiding Seal Sale Drive

High school students from Alexander, Catawba, and Lincoln counties are receiving much praise for their assistance with the 1954 Seal Sale Campaign of the District Tuberculosis Association.

Mrs. Julia F. Davidson, executive secretary, said that during the past few weeks the boys and girls of the various classes addressed all the envelopes and cards to be mailed in the tri-county area.

Mrs. Davidson expressed appreciation of the Tuberculosis Association for the splendid cooperation of students, teachers, and superintendents in getting a hard job done quickly and efficiently.

QUOTA \$20,000
The quota for the 1954 Seal Sale Campaign is \$20,000. Around 23,000 Christmas Seals and Bonds will be mailed to homes and industries in Alexander, Catawba, and Lincoln counties.

The contributions received will once more make possible an adequate program for the prevention, detection, and the cure of Tuberculosis. All solicitation will be done by mail.

Hinson Motor Co. To Show New Dodge Cars Wednesday

The new 1955 Dodge passenger cars will go on display this week, Wednesday, Nov. 17, in dealers' showrooms across the nation. In Lincoln, the new Dodge models will be on display at the Hinson Motor Co., local Dodge dealer.

Following is a detailed description of the new Dodge models from the Dodge News Bureau:
William C. Newberg, Dodge president, explained that car stylists have blended aircraft sleekness and power into a "design of refreshing beauty."

He revealed that Dodge engineers have incorporated over 100 structural and mechanical innovations in the longer, lower and wider 1955 line. He said all four-door sedans have a distinct touch of hardtop styling.

Offering three series—the new and luxurious Custom Royal, the richly appointed Royal and the classic Coronet—the '55 Dodge has a built-in look of action, resulting from its swept-back design.

Performance to bear out the air-slicing swiftness in styling is provided by a wide choice of engines—the "Get-Away Six" developing 123 horsepower, the all-new Red Ram V-8 rated at 112 horsepower, the Super Red V-8 at 183 horsepower, and the super-powered Super Red Ram V-8 at 193 horsepower.

THREE TONE COMBINATIONS
Newly announced another this year as we did last, said Ivan L. Wiles, general manager of Buick and vice president of General Motors. "Yet we have resulting from its swept-back design."

New DeSoto Cars Will Be Displayed At Beam-Gaskin

DeSoto - Plymouth dealers Wednesday will display for the first time two completely new lines of DeSoto automobiles for 1955.

The new DeSoto cars will be displayed in Lincoln at Beam-Gaskin Co., local DeSoto dealers.

They are the Fireflite series of four-door sedans, Sportsman hardtops and convertible coupes, all wholly new in every detail and powered by the new Fireflite 200 horsepower hemispheric combustion chamber V-8 engine, and the equally new Fire-dome series with

a new Fire-dome V-8 engine rated at 185 horsepower.

Fire-dome models include a four-door sedan, Sportsman hardtop, convertible coupe, Special coupe, and station wagon.

The eight new DeSoto models for 1955 are dimensionally and statistically the longest, lowest, roomiest and most powerful in the history of the company (exclusive of special purpose vehicles).

Built on a newly designed chassis with a wheelbase of 126 inches, the 1955 models have an overall length of 217.9 inches; height has been reduced in the four-door models to 60.6 inches and 59.9 inches in the hardtops and convertibles; hip room and leg room has been substantially increased in all models, with front seats over 64 inches wide and driver leg room measuring more than 44 inches.

J. B. Wagstaff, DeSoto vice president in charge of sales, said that production of the 1955 models has been under way since September following a changeover period of several weeks, and that factory output has been geared to provide an even flow of shipments to meet anticipated heavy buyer demands.

All dealers have their initial "sample" cars, he said, and additional shipments are en route.

What The Dum-Goo? Whassa Matter With That Leg? Next Weekly Dance Set Saturday

A banker curls his money-counting fingers around the strings of a bull fiddle... a sign painter and a salesman set the air a-quiver with the haunting quality of their electric guitars... a furniture dealer toots circus tunes on his trumpet... a pharmacist makes like Gene Krupa on the drums, and you would think he had been swallowing his own medicine... and a dignified high school teacher gets hep on the trombone.

There are the Rhythm Masters—Lincoln's own dance band, though Lincoln seems to be growing too fat and fortlysh to appreciate them. At any rate, Lincoln stayed away in droves from Friday's weekly dance at the American Legion Hut.

It's a shame, because if Lincoln doesn't turn out in sufficient numbers for these weekly hops, the Rhythm Master are going to accept other weekend engagements, and the mirth of Walker valley will be stilled. The Rhythm Masters will try it for a week or two more—to determine whether there is any life left in Lincoln—or whether the entire town should march en masse to Dallas Lee's drugstore for sulphur and molasses.

SATURDAY NIGHT
This week's dance will be Saturday night from 8:30 to midnight. You can bring your lady and shake a pair of legs for \$1.50 a couple. The music is guaranteed. If you're not satisfied, you can ask for your money back—and try to get it! But if you're not pleased, it won't be the fault of:

Dealers who wish to convert their Dealer's Certificates to cash may draw a draft on this Company through the Fort Worth National Bank with the endorsed Dealer's certificate attached.

CANCER NEWS

Series of questions and answers, sponsored by Lincoln Cancer Society.

What is Cancer?
Cancer is a disorderly growth of cells of the body's tissues. It is not governed by the laws which control the growth of normal cells. If it is not destroyed or removed, it never ceases to grow and eventually causes death.

See your doctor! Cancer can be cured if detected in time.

GIVE YOUR BLOOD!

D-Day In Lincoln Monday, Nov. 22

By Lewis Everline, Lincoln County Blood Veteran Chairman

This is a call for help to YOU, the potential blood donors of Lincoln County.

NEED 175 DONORS
The Bloodmobile unit will be in Lincoln on Monday, November 22, to receive blood from

volunteer donors from Lincoln County. We need 175 donors to assure receipt of the 145 pint goal, will you plan to come to the Recreation Center on that day and give a pint of your blood?

Cooperation by the managers of local mills and business establishments civic clubs, home demonstration clubs and other

groups is earnestly solicited. Please encourage your employees and members to participate in this very worthy program.

Whole human blood is an absolute essential in the practice of modern medicine. Many lives are saved by the use of this substance that would be lost without it. Loss of blood through accident or in connection with surgery must be replaced and be replaced speedily, this can be most effectively done by a Blood Bank set-up such as we have in this area.

This assures a regular supply of blood to the cooperating communities providing a regular supply of blood is received from the various areas.

It is very important to the citizenry of Lincoln County that a regular amount of blood be given at these visits of the Bloodmobile. We are in need of 145 pints at the visit on November 22, this should not be difficult for our county to supply if YOU will feel it is your responsibility to give and to secure other donors as well.

CRISIS PREVENTED SEPT.
We saved the Blood Program for the county by our splendid response at the visit in September. Everyone should be very grateful for this, certainly those in charge of the program in the county are. It is important now, however, that we prevent such a crisis from arising again by responding to every visit of the Bloodmobile.

Please plan to visit the Lincoln Recreation Center on Monday, November 22 between the hours of 10:00 and 4:00.

Guy E. Cline To Show New 1955 Buick Models Friday

The Buick Motor Division, with headquarters in Flint, Mich., this week presents in Buick dealer show rooms throughout the nation a complete line of cars, featuring beautiful, all new styling and more powerful V-8 engines—plus a revolutionary new variable pitch Dynaflo transmission that greatly increases performance.

In Lincoln, the new 1955 Buick models will go on display at Guy E. Cline show rooms, local Buick dealer, Friday, November 19.

Following is a detailed description of the new Buick models: Style-wise the new Buicks feature a new front end with a new wide - screen grille, new rear fenders that give the trunk compartment a longer, lower silhouette, new tail lights patterned after those on the experimental Wildcat II, and exquisite new interiors in many color combinations of nylon, leather and cordovan.

NEW EXTERIOR COLORS
Many bright new exterior colors have been developed for 1955 and will be offered in attractive two-tone and three-tone combinations. For the first time Buick is offering a two-tone combination under the sweepers moulding. On two and four-door sedans the customer will have a choice of one underneath the sweepers, another above and a third color for the top.

Horsepower has been increased to 236 in the Roadmaster, Super and Century Series and 188 in the Special.

Diabetes Detection Drive Opens Today In County

The annual diabetes detection drive will be conducted in Lincoln county this week, beginning today.

FREE TESTS
Free examinations for signs of diabetes will be given at the Crowell Hospital, Toluca Clinic, and any doctor's office in the local area.

Sponsored by the Lincoln County Medical Society and the American Diabetes Association, the drive is held in conjunction with Diabetes Week, observed all this week.

Diabetes is a disease for which there is no known cure but for which medical science has devised a controlling factor. A diabetic with proper treatment may live a normal, active life.

SYMPTOMS
Symptoms which may indicate diabetes are these:

1. Increase in the amount and frequency of urination.
2. Excessive thirst.
3. Increased appetite, particularly for sweets.
4. Slow healing of cuts and scratches.
5. Severe itching and disturbances in vision.

Diabetes usually occurs in persons over 45, particularly those who are overweight, and in women. However, it may attack persons of all ages.

Savings Bonds Sales In County Jan.-Sept. Total \$131,243.25

Purchases of Series No. E & H Savings Bonds during the first three quarters of 1954—Jan. 1-Sept. 30—totaled \$131,243.25, which amounted to 60 percent of the county's quota of \$217,000.00.

These figures were contained in a county-by-county report released by the state's U.S. Savings Bond Division for the first three quarters period of 1954.

Lincoln's total sales of the savings bonds gave the county 18th ranking among the state's 100 counties.

For all of North Carolina's 100 counties, the total Savings Bonds sale for the three quarters period (Jan.-Sept.) totaled \$35,480,948.50. Nationwide, Savings Bonds sales for this period totaled \$3,691,393,000.00. This was the highest Jan. through Sept. record in 9 years for both the nation and the state.
