

OTHERS AT LARGE . . .

Two Of Five Escapees Now Back Behind Bars

Camp Superintendent Jake Schrum reported this morning that two of the five prisoners who escaped from the Lincoln County Prison Camp Thanksgiving evening have been captured.

Doras Ellington of Gaston county, who was serving 5-10 years for crime against nature, was nabbed by Gaston and Lincoln officers Saturday night at the home of a relative in Mt. Holly. He surrendered meekly to his captors, led by Captain Fred Friday of the Gaston county camp.

Parker Prince, also of Gaston county, serving 5-7 years for breaking and entering, was captured last night (Sunday) at his father's home in Gaston county.

The three other escapees remaining at large today were Louis F. Waits of Asheville, serving 5-7 years from Gaston for breaking and entering; Leroy Clark, 2-3 years from Gaston county for larceny; Clyde E. Cook, two years from Cleveland county for breaking and entering, six months for escape.

The five men—Watson, Ellington, Clark, Parker, Cook—escaped about 6:20 p.m. Thanksgiving Day from the Lincoln camp, scaled the prison camp fence and fled under the cover of darkness.

OVERPOWER GUARD

The prisoners were reported to have made themselves a key out of some material, unlocked and let

themselves out of their cells, and then overpowered an unarmed night guard, Lindsey Searcy, locked him in a cell, and vanished.

A search over a wide area by law enforcement officers and prison camp officials, using three sets of bloodhounds, has been in progress since the escape was made. Capt. Fred Ross, district supervisor, and guards took up the chase almost immediately, using three sets of bloodhounds. They got onto the trail in a wooded area near Starlite Drive-In theatre on the Maiden highway but after an all-night search the men still remained unapprehended.

In the meantime, the bloodhounds and officers have continued on the trail of the other three fugitives, who now are believed armed and well supplied with ammunition and food, and to be in a stolen automobile.

AUTO STOLEN

According to reports, bloodhounds tracked three of the fugitives to a spot in Catawba county, near Propst's Crossroads, where the auto was stolen. It was a 1951 Chevrolet, belonging to N. D. Sigmon, a chicken farmer.

Officers said there were shoe tracks at the site of the car theft. The store which was broken into near Propst's Crossroads was operated by Russell Huffman. Stolen from the store were two shotguns, a rifle, a large supply of ammunition, and a big quantity of clothing and food. It was reported by officers that one of the wanted men is serving time for breaking into this same store before.

Seven Injured In Local Area Automobile Mishaps

A rash of highway accidents occurred in the Lincoln county area over the Thanksgiving holiday weekend which kept the highway troopers busy on investigative calls. Seven persons were injured, none reported seriously, in the mishaps. Vehicles involved were heavily damaged.

Most severely hurt in the accidents were Garland Lee Richards of Lincolnton, Route 3, slight fracture of the skull and other bruises, lacerations; Colin Davis of Statesville, several broken ribs, bruises, cuts; Mrs. Helen McIntosh Dellinger of Stanley, Route 1, chest and back injury.

THREE SUNDAY CRASHES

Highway Trooper Dave Houston was on the scene for investigation of four accidents, three of which happened on Sunday, the other the early part of last week. He gave this version of the accidents:

Mrs. Helen McIntosh Dellinger of Stanley, Route 1, was driving a 1954 Buick last Tuesday on a rural road near Lowesville when it went out of control and overturned. In the car with her was her 2½-year-old son, Loyd, who received cuts and bruises of the hands and head. Mrs. Dellinger and son were taken to a Mt. Holly physician's office for treatment of their injuries. Damages to the Buick were estimated at \$1,800.

About 2:15 a.m. Sunday, Herbert Hal Black of Crouse, Route 1, fell asleep while driving a '51 Chevrolet, the car going out of control and striking the Leonard Fork creek bridge on highway 182. Black was reported uninjured. Damage to the car was estimated at \$350.

Air Guns Are Unlawful In Lincolnton

With the Christmas season approaching and many Lincoln youngsters turning their attention to air rifles, the Lincolnton Police Department today issued a warning to both the youngsters and their parents.

Attention was called to the fact that the shooting of air rifles inside the city limits is prohibited by law. One principal concern is the danger to eye-sight in the careless handling of air guns.

Two Lincolnton youths received slight injuries when their auto overturned on a rural road in the county Sunday night. Harry Ramsey Rhodes was listed as the driver of a '54 Pontiac sedan, with Tommy Punch as his companion, that went out of control, left the highway and crashed into a wooded area. Officer Houston said the out-of-control Pontiac "cut down enough wood to last for the winter." He described the car as a "complete wreck."

Another Sunday mishap, this one occurring about 6 p.m., involved a 1947 Chevrolet, operated by Roy Lee Taylor of Vale, Route 2, and a '55 Chevrolet, driven by Ed Willis, Jr., also of the Vale section. The Taylor car had stopped to make a left turn off Highway 274 when it was struck by the Willis car. Officer Houston stated his investigation showed Taylor failed to give a hand signal when he made his turn. Damage to both cars was estimated at \$325.

FRIDAY CRASH

Patrolman Bob Smart investigated a crash on Highway 150 just beyond Wise's Service Station-Florets about 6 p.m. Friday. A 1955 Buick, operated by Colin Davis of Statesville, was traveling East towards Mooresville when approached by a '49 Chevrolet, driven by Garland Lee Richards of Lincolnton, Route 3. The Chevrolet, traveling West, went out of control on the road made slippery by the heavy rain falling at the time and smashed broadside into the Davis car. Both vehicles were totally wrecked. Davis and Richards were brought by ambulance to the Crowell Hospital. Davis was transferred to a Statesville hospital yesterday, but Richards remained a patient at the local hospital today.

Young Canipe, a Lincolnton High School senior, was reportedly injured in his own home when an air rifle being cleaned by a younger brother accidentally discharged.

John Deere Tractor To Be Shown At Farmers & Builders Supply Co.

Farmers and Builders Supply Co., Lincolnton, announces a new model tractor, the new Model 420 John Deere tractor, which surpasses the John Deere Model 40.

H. P. Shidal, of Farmers and Builders Supply states that the new series is 20 per cent more powerful than the 40 Series Tractor.

According to the dealer, the new Model 420 tractor with stepped-up power, is a real giant in the two-three plow tractor size.

In addition to 20 per cent more power, the new 420 Series features Touch-O-Matic hydraulic control, heavy-duty 3-point hitch, exclusive John Deere Load 1 Depth control.

The new Model 420 tractor will be displayed for the first time anywhere, in a first public showing, on December 3.

The John Deere dealer, with nine distinct models of tractors to offer in this power size, has a complete variety of tractors adaptable to both farmers in industrial operators.

John Deere dealer, Farmers and Builders Supply Co., has mailed invitations to friends throughout this territory and is inviting the public to their store on Saturday, December 3, to see this new model.

Surviving are his wife, Mrs. Mary Robinson Edwards; one daughter, Mary Ann; two sons by his first marriage, E. T. Jr., and Jimmy Edwards; and his mother.

Funeral services will be held Tuesday afternoon at the First Presbyterian Church in Hickory.

Another in the series of bingo parties is scheduled for Saturday night, Dec. 3, at the VFW Club on the country club road.

Saturday night's party will have special appeal as the jackpot, worth \$100, will be awarded. Post members, auxiliary members and the general public are invited to attend.

Womacks To Arrive In Lincolnton Thursday

Rev. James T. Womack, Jr., who recently accepted the call to the pastorate of the First Presbyterian church, will arrive in Lincolnton Thursday and will preach his first sermon here next Sunday morning.

Mrs. Womack and their two children, Jimmy, two and one half years old and Sarah, one year, will arrive with Mr. Womack and the family will occupy the manse on East Congress Street.

REV. MR. WOMACK

Dr. Malcolm McAfee, of Davidson, who has supplied the Presbyterian pulpit since the departure of Mr. Mays, has made a host of friends in Lincolnton by his clear and convincing sermons.

Rev. Mr. Womack, who succeeds Rev. James L. Mays, now studying in Manchester, England, as pastor of the local church, comes here from the Bethel Presbyterian church in Staunton, Va. He is a graduate of Hampden-Sidney College and holds a Master's Degree from the Union Theological Seminary in Richmond, Va.

A reception, welcoming Rev. and Mrs. Womack to Lincolnton, will be held in the social rooms in the church Thursday evening from 7 to 9 o'clock. Parents who have children under twelve years of age are asked to come between 7 and 8 o'clock, others between 8 and 9 o'clock.

FOR BETTER FARMING . . .

Lincoln Farmers Can Get Operating Loans At The Local F.H.A. Office

The local Farmers Home Administration office, located in the basement of the Courthouse, is making loans for Better Living through Better Farming.

Due to cotton acreage reduction and other causes many farmers now need to reorganize or diversify their farm program.

Operating loans help balance out land, labor, livestock, and equipment resources for the farm family so that the most efficient and profitable farm operation is developed and carried out.

This loan program serves family-type farm operators who are unable to obtain credit at reasonable rates and terms needed to carry on successful farming operations from other credit sources.

REQUIREMENTS

Other eligibility requirements are: (1) Be a citizen of the United States (2) Suitable farm experience to carry out operation planned (3) Engage in full time farming (4) Own or lease adequate family-type farm (5) Carry on a sound farming operation (6) Good character, ability and health.

The County Committee consisting of Banks S. Heafner, Rt. 1, Lincolnton, Michael W. Leouhardt, Rt. 1, Crouse, and Russell U. Paysour, Rt. 1, Alexis, reviews all operating loan applications and certifies who are eligible for loans.

\$7,000 MAXIMUM LOAN

Loans may be obtained to buy livestock, farm and home equipment, feed, seed, and fertilizer; also other necessary farm operating and family and family living expenses. The most a family can borrow at any one time is \$7,000.00 and the interest rate is 5 per cent per year on the unpaid principal balance.

Loans for annual expenses such as feed, fertilizer and seed are repaid when income is received from the sale of the crops, livestock or livestock products. Loans to purchase cows and other livestock, tractor and other farm equipment, and to construct fences, terraces, ditches, and to seed alfalfa and pasture crops are repaid as income from these things are received and within seven years.

OFFICE OPEN THREE DAYS

The local office is open each Monday, Tuesday and Friday and John J. P. McLeod, county supervisor, or Mrs. Evelyn W. Cundiff, county office clerk, will be glad to explain the Farmers Home Administration program and assist any farmer in filling out an application.

Lincoln Voters To Elect Soil Supervisor

The week of December 5-10 is election week for soil conservation supervisors this year, according to an announcement today by S. Z. Pollock of the Lincoln County Soil Conservation Service.

Loy Howard is the supervisor in Lincoln county whose term expires this year. He will run again this year for the position against R. U. Paysour.

Loans for annual expenses such as feed, fertilizer and seed are repaid when income is received from the sale of the crops, livestock or livestock products. Loans to purchase cows and other livestock, tractor and other farm equipment, and to construct fences, terraces, ditches, and to seed alfalfa and pasture crops are repaid as income from these things are received and within seven years.

OFFICE OPEN THREE DAYS

The local office is open each Monday, Tuesday and Friday and John J. P. McLeod, county supervisor, or Mrs. Evelyn W. Cundiff, county office clerk, will be glad to explain the Farmers Home Administration program and assist any farmer in filling out an application.

Shad Goodson With Cherry Motor At Cherryville

CHERRYVILLE—"Shad" Goodson of Lincolnton has been added to the sales force of The Cherry Motors, Inc.

Mr. Goodson comes well recommended and experienced in the automobile business, being connected with the Abernethy Chevrolet Co., of Hickory prior to joining the local firm.

Loans for annual expenses such as feed, fertilizer and seed are repaid when income is received from the sale of the crops, livestock or livestock products. Loans to purchase cows and other livestock, tractor and other farm equipment, and to construct fences, terraces, ditches, and to seed alfalfa and pasture crops are repaid as income from these things are received and within seven years.

OFFICE OPEN THREE DAYS

The local office is open each Monday, Tuesday and Friday and John J. P. McLeod, county supervisor, or Mrs. Evelyn W. Cundiff, county office clerk, will be glad to explain the Farmers Home Administration program and assist any farmer in filling out an application.

Rites Held For Ruffin Houser, 58, Vale Citizen

Funeral services were held Saturday at 3 p.m. at Hulls Grove Baptist Church for Ruffin P. Houser, 58, of Vale, Route 2.

Rev. Floyd Willis officiated, assisted by Rev. Jesse Johnson. Burial was in the church cemetery.

Mr. Houser, a prominent farmer of the Vale section, is reported to have suffered a heart attack Thursday morning while walking around his farm land. He was found sometime later in an unconscious condition by a member of the family, and was rushed by Drum Funeral Home Ambulance to the Crowell Hospital. He was pronounced dead upon arrival at the hospital.

Loans for annual expenses such as feed, fertilizer and seed are repaid when income is received from the sale of the crops, livestock or livestock products. Loans to purchase cows and other livestock, tractor and other farm equipment, and to construct fences, terraces, ditches, and to seed alfalfa and pasture crops are repaid as income from these things are received and within seven years.

OFFICE OPEN THREE DAYS

The local office is open each Monday, Tuesday and Friday and John J. P. McLeod, county supervisor, or Mrs. Evelyn W. Cundiff, county office clerk, will be glad to explain the Farmers Home Administration program and assist any farmer in filling out an application.

VFW BINGO PARTY Jackpot To Be Awarded On Saturday Night

Another in the series of bingo parties is scheduled for Saturday night, Dec. 3, at the VFW Club on the country club road.

Saturday night's party will have special appeal as the jackpot, worth \$100, will be awarded. Post members, auxiliary members and the general public are invited to attend.

Loans for annual expenses such as feed, fertilizer and seed are repaid when income is received from the sale of the crops, livestock or livestock products. Loans to purchase cows and other livestock, tractor and other farm equipment, and to construct fences, terraces, ditches, and to seed alfalfa and pasture crops are repaid as income from these things are received and within seven years.

OFFICE OPEN THREE DAYS

P-TA Membership Drive Declared Successful

The Lincolnton Grammar School led in the recent membership drive conducted by the P-TA groups, with 457 members. Mrs. J. D. Turner was president of the drive and Mrs. J. W. Barineau, Jr., was chairman.

Asbury school placed second with 378 members, Park Elementary third with 254, South Aspen school fourth with 186 and Lincolnton High School fifth with 180.

Membership dues, it is announced, must be collected and sent in before December 1, in order to be counted.

The Parent Teacher Council met with Mrs. S. A. Wilson, the president, who reviewed many interesting projects.

Loans for annual expenses such as feed, fertilizer and seed are repaid when income is received from the sale of the crops, livestock or livestock products. Loans to purchase cows and other livestock, tractor and other farm equipment, and to construct fences, terraces, ditches, and to seed alfalfa and pasture crops are repaid as income from these things are received and within seven years.

ONE INTENTIONAL? . . .

Holiday Sees 2 Hunters Shot In Crouse Section

Gaston County police told The Times that Thanksgiving Day brought two shootings in the Crouse section, just over the Gaston County line.

They said one hunter shot his two companions—one accidentally and the other intentionally—about 30 minutes apart.

Arrested and freed under \$200 appearance bond was Robert P. Clark, about 24, of the Osage Mill section of Bessemer City.

Police said he was hunting about mid-morning Thanksgiving Day with Russel Young, white, and Eugene Wyman, Negro, both of the Mt. Beulah section, and that Clark

accidentally shot the Negro man in the left side, stinging him but not injuring him seriously.

AFTER SCOLDING?

They said that about a half-hour later, while Clark and Young were standing about nine feet apart, Clark suddenly whirled upon Young and fired at him point blank, the pellets breaking Young's left leg just above the knee.

They theorized that Young had been scolding Clark for his carelessness in shooting the Negro and that Clark fired at Young in anger.

Lights And Music To Open The Christmas Season Here Friday

The Christmas shopping season will officially open in Lincolnton on Friday, December 2, with glittering lights and music.

LIGHTS GOING UP

Members of the city's electrical department today were engaged in erecting the uptown Christmas lights and other new and beautiful street decorations. This time there's to be a "new look" in the decorations—shiny silver foil and individual wreaths to replace the greenery motif of the past Christmas seasons. From the local Chamber of Commerce office, local merchants and the general public came expressions of appreciation to the city electricians for their spirit of cooperation in assuming the task of erecting the lights and decorations.

Death Claims Mrs. Guy Hovis

Mrs. Leticia Susan Hovis, 55, of Lincolnton, Route 3, Asbury Methodist church section, died at the Crowell Hospital Sunday following an extended illness.

Mrs. Hovis was born October 8, 1900, in Spartanburg, S. C., the daughter of the late William Perry Poole and Louisa Lanford Poole.

Brother Of Mrs. Thos. E. Rhodes Killed In Wreck

John Richard Herman, 51, formerly of Newton, and brother of Mrs. Thos. E. Rhodes, formerly of Lincolnton and now of Asheville, died at 1 p.m. Sunday in Catawba Hospital at Newton of head injuries received in an automobile collision Saturday at a street and highway intersection in Newton.

Mrs. Sutherland Executives Club Guest Speaker

The next dinner meeting of the Lincolnton Executives Club is scheduled for Friday night, December 2, in the High School cafeteria. It was announced today by Harlan Heafner, club president.

Guest speaker at the meeting will be Mrs. Ruth Sutherland, a descendant of President James A. Garfield, and a relative to the great showman, F. T. Barnum, and herself an experienced vocalist and dramatist.

Loans for annual expenses such as feed, fertilizer and seed are repaid when income is received from the sale of the crops, livestock or livestock products. Loans to purchase cows and other livestock, tractor and other farm equipment, and to construct fences, terraces, ditches, and to seed alfalfa and pasture crops are repaid as income from these things are received and within seven years.

OFFICE OPEN THREE DAYS

The local office is open each Monday, Tuesday and Friday and John J. P. McLeod, county supervisor, or Mrs. Evelyn W. Cundiff, county office clerk, will be glad to explain the Farmers Home Administration program and assist any farmer in filling out an application.

Loans for annual expenses such as feed, fertilizer and seed are repaid when income is received from the sale of the crops, livestock or livestock products.
