This sweet gum is taken from the tree of the Southern swampy country, a fine, fragrant resin which loses the plant and cuts the false membrane, relieving the early morning cough in Consumption, croup, Whooping Cough, and Bronchitis. This combined with the mucilaginous healing and flesh producing principle in the Mullein Plant of the old world, results in Taylor's Cherokee Remedy of Sweet Gum and Mullein, the finest and most reliable for Coughs, Croup, Whooping Cough, Cold, and Consumption. For full information send a stamp for "Taylor's Riddle Book" for the cure of pain and amusement of the little ones. WALTER A. FAYLOR, Atlanta, Ga.
