

**THE VERY LATEST.**

**A TOWN AT A RIOT.**—A Wheeling (W. Va.) special says: There was a regular riot at the little suburban town of Fulton late this evening, which for a time threatened to involve the entire male population and provide a good deal of work for the coroner. The village is almost entirely populated by Germans and a half dozen or more beer saloons do a flourishing Sunday business. About 9 o'clock Daniel Campbell went to the house of John Bistell and insulted Bistell's wife. Bistell attacked Campbell with a cane and forced him out on the sidewalk.

Campbell was reinforced by his three brothers Dan, Robert and Phillip, and they soon had Bistell on the ground and were beating the life out of him with stones and clubs. This started the riot. George Culver and his son John ran to Bistell's relief and others joined in the melee. Soon revolvers were cracking merrily and stones, canes and clubs hummed through the air. There is no police force in the town and the combatants fought in the dark until citizens made a rush for the rioters and forced a suspension of hostilities.

John H. Bistell was found to be shot through the hip. Samuel Bistell had his face badly cut with a rock, Robert Campbell had one ear chewed and badly clubbed, and others engaged were similarly done up. There are indications that the row is not yet over, and a resumption of hostilities is feared.

**THE BLESSING OF SICKNESS.**—A Christian man of intense business enterprise and activity was laid aside by sickness. He who would never intermit his labors was compelled to come to a dead halt. His restless limbs were stretched motionless on the bed. He was so weak that he could scarcely utter a word. Speaking to a friend of the contrast between his condition now and when he had been driving his immense business, he said: "Now I am growing. I have been running my soul thin by my activity. Now I am growing in the knowledge of myself and things which most intimately concern me."

Blessed, then, is sickness or sorrow, or any experience that compels us to stop; that takes the work out of our hands for a little season, that empties our hearts of their thousand cares, and turns them toward God to be taught of him.

**Greatly Excited.**

Not a few of the citizens of Greensboro, N. C., have recently become greatly excited over the astounding facts, that several of our friends who had been pronounced by their physicians as incurable and beyond all hope—suffering with that dreaded monster Consumption—have been completely cured by Dr. King's New Discovery for Consumption, the only remedy that does completely cure all throat and lung diseases, Coughs, Colds, Asthma and Bronchitis.

**Brick! Brick! Brick!!**

The subscriber is now making bricks of a clay which he believes to be superior to any other in use here—clay found in the low grounds near Green Hill Cemetery. These bricks prove to be hard and of fine qualities of durability, and are such as are needed particularly in work which requires solidity. I am ready to contract to furnish these superior bricks and also to lay them.

These diseases constitute three-fourths of the ailments of humanity.

Is there a positive cure? Yes—

"I suffered with Dyspepsia and disordered Liver, and would frequently throw up bile. I procured a bottle of Simmons' Liver Regulator, and after using half of it was completely cured. One of my lady customers told me the Regulator completely cured her of Sick Headache.—D. OLDS, Cedar Rapids, Iowa."

**Permanent Cure of Piles.**

**Swift Specific Company, Atlanta, Ga.**  
Dear Sirs:—Six bottles of S. S. S. cured me of a very bad case of piles. I had had them a year. Physicians and medicines up to the time I began your medicine had cost me, in one year, two hundred dollars, but I got no permanent relief until I took Swift's specific. I only used six bottles. The first effect was to improve my appetite and aid my digestion. At the end of the sixth bottle I was entirely well. Yours very truly, T. E. MURPHY, Nashville, Tenn., March 1, 1887.

**An Octogenarian's Testimony.**

**Swift Specific Company, Atlanta, Ga.**  
Dear Sirs:—My blood was in bad order and weakened down from old age, I being 83 years old. I had asthma and malaria. I took about ten bottles of S. S. S., which cleansed my blood thoroughly, cured the malaria, and made me feel almost like a young man. Yours sincerely, L. ELBOD, No 238 Filmore st., Nashville, Tenn., February 28, 1887.

**Will Build up the Weak Children.**

**The Swift Specific Co., Atlanta, Ga.**  
Gentlemen:—Swift's Specific has had wonderful effect in building up my young son. He was fourteen years old, weak, slender and unable to play with the boys. After he had taken a half dozen bottles his strength was greatly increased, his spirits excellent, and he could play with the boys as long as the strongest of them. He could run like a deer. I can safely recommend S. S. S. to mothers who have weak, puny children, it will build them up. Yours respectfully, MRS. W. W. CHERRY, Columbia, Tenn., March 2, 1887.
