

**"OVERCOMING."**

"He that overcometh shall inherit all things."  
—Rev. xxi. 7

What is it to overcome? I began by telling you, and I close by telling you: it is to know that the one great power that is in this universe is our power. We talk about power, and men may grow conceited as they lift themselves up and say: "I will be strong and conquer the world." Ah! it is not to be done so. There is one real and true strength in this universe, and that is God's strength, and no man ever did any very strong thing yet that God did not do that strong thing in him. A man makes himself full of strength only as the trumpet makes itself full, by letting it be held at the lips of the trumpeter: so only man lets himself be made strong as he lets himself be held in the hand of God. As the chisel is powerless—if it tries to carve a statue by itself it goes tumbling and stumbling over the precious surface of the stone—as the chisel becomes itself filled and inspired with genius when it is put into the hand of the artist: so man putting himself into the hand of God, loses his awkwardness as well as his feebleness, and becomes full of the graciousness and the strength of the perfect nature. And to put myself into the hands of God, what does that mean? To know that God is my Father, to know that my life is a true shining in this world of His life, to know that I become myself only as I know myself His child. So the soul puts itself into the soul of God, and lets God do its work, through Him, so that that great mysterious consciousness enters into the life which was in Paul's life. Do you remember, "I live, yet not I, but Christ liveth in me?" So the soul which has given itself to God in filial consecration says: "I live, yet not I, but God liveth in me." As the child in the household does not know whether the things that he does from hour to hour are his things or his father's: so does his father's will and law fill the whole household with its inspiration. Know God your Father; recognize what your baptism means, that it was the claiming of your soul for the father-soul of God; give yourself to Him in absolute, loving obedience. Do not think about it as an unnatural thing, as a strange thing for a man to do, to give himself to God. The strange thing is that any man or woman should be living in the world without being given to or filled with God. Give yourself to Him as the child gives himself to the father as the most natural and true thing in all your life; and then, His power glowing through your power, the world shall become yours as it is His, and in overcoming you shall inherit all things—inheriting, because they are your Father's, so they shall become yours. The little miserable relations in which we live, the way in which we determine to be strong here and strong there, when the real secret of life is to put ourselves into the power of the eternal strength, to know God our Father—nay, in the strong words of Scripture, to make God our Father, by knowing that He is our Father, and then through Him to overcome.—Phillips Brooks.

Mrs. Phoebe Chesey Patterson, Clay Co., Iowa, tells the following remarkable story, the truth of which is vouched for by the residents of the town: "I am 73 years old and have been troubled with kidney complaint and lameness for many years, could not dress myself without help. Now I am free from pain and soreness, and am able to do all my own household work. I owe my thanks to Electric Bitters for having renewed my youth, and removed completely all diseases and pain."

**Twelve Years of Terrible Torture.**

The gentleman who furnished us with the following certificate was for years under the treatment of many physicians and was dosed with all sorts of medicines, but without the least beneficial effects. Now, how he was finally cured and relieved from his internal suffering, is forcibly told in his own statement given below, to which we invite the earnest attention of all sufferers from the same dreadful affliction:  
"I had been a tortured sufferer from articular and sciatic rheumatism for more than a dozen years—up to the year 1885. I had consulted various doctors and used multiform remedies without relief, or any apparent benefit. In 1885 I was taken afresh with the severest acute symptoms of this disease, in my feet and legs and hips, which made me a helpless invalid—unable to work or walk or help myself in any way. I was a miserable, helpless sufferer, and without hope of ever being cured. I had already exhausted my faith in doctor's remedies, and now concluded to take Swift's Specific as a forlorn hope.  
"From the use of the first two bottles I felt greatly benefited, which encouraged me to continue its use. I steadily improved. The inflammation left my joints, the sciatica disappeared, comfortable feeling was restored, my strength and flesh reinstated, and by the time I had taken two dozen bottles all my symptoms of rheumatism had entirely disappeared, and I felt well enough to resume my regular labor. I felt like a new man. I cannot attribute my miraculous and perfect cure to anything but the Swift Specific. I know that it alone cured me, for nothing else had done me any good for twelve years. I owe my restoration and strength for labor and religious duties alone to this grand remedy, and gladly make this statement for the benefit of all sufferers from this most torturing disease—rheumatism.
