**TRINITY COLLEGE COMMENCEMENT. LOW RATES.**—The Richmond and Danville Rail Road will sell Round-trip tickets to High Point, N. C. for Trinity Commencement, June 9th to 13th inclusive, good returning until and including June 15th, 1889. From Charlotte, \$3.75; Concord, \$2.90; Salisbury, \$1.75; Linwood, \$1.20; Lexington, .85; Thomasville, .50; Jamestown, .50; Greensboro, \$1.75; Winston-Salem, \$2.25; Rural Hall, \$2.90, and correspondingly low rates from all intermediate stations.

—There was a large and attentive audience at West Market Street church last night to hear Dr. Poole's Sermon to the Knights of Pythias, which was a very clear and well delivered discourse on John 1:14—INCARNATION OF THE WORD. It was treated as, 1 An Historical Fact. 2 A Theological Fact. 3 An Experimental Fact. 4 The results following to men therefrom. Dr. Poole excels especially in his logical arrangement of facts and the clothing of them in handsome and appropriate English, and his sermons are always well received.

**Grateful Appreciation.**  
Newspaper editors are justifiable in publishing some things which come to them in the shape of commendation from their readers, and we venture to tell the following:

One night recently at the close of services in one of our churches an earnest, intelligent-looking Christian lady came forward and gave her hand to the editor in a most cordial manner, saying, "This is Mr. — I never met you before, but for a long time I have felt that I wanted to shake your hand and thank you for sending out daily so good and wholesome a paper, one that we can read without any fear that we will find anything in it hurtful to our children. My boy reads the paper eagerly every evening, and finds entertainment and profit in it, which is very gratifying to me."

It is needless to say that we do our best to counteract the influence of the vicious literature that abounds everywhere, and to make a paper of a pronounced moral tone. It is for some one else to say whether we should not have the support of every parent and of every good man and good woman in Greensboro.

**A FACT FOR OUR OWN PEOPLE.**—A gentleman who was at the Factory meeting here last night, who lives in another county, but who is well posted in Cotton mill affairs, took stock in the proposed factory to the amount of five hundred dollars, with the expressed intention to double the amount shortly on certain conditions.

The point we would make is this; if people from other places who can have no possible motive drawn from the consideration that they have real estate, or merchandise, or hotel, or shop, or any kind of business that would be promoted by the establishment of factories here, are eagerly taking stock in such things, what ought not our own people to do who have the stronger motive to actuate them growing out of the fact—a fact which every man plainly knows, that real estate and every other legitimate interest must surely advance with the erection of mills and factories.

Now, we advise that, instead of turning over to take another nap, our people turn over and get out of bed as soon as possible.

**NOTICE.**—The committees appointed to solicit stock for the contemplated Cotton Mill are expected to come forward, obtain lists and get to work at once. By authority.

**The Cotton Mill Meeting.**

In response to a call through the city papers a large number of the citizens of Greensboro, interested in the erection of a Cotton Mill in this city, met at the Court House at 8:30 p. m., Thursday, June 6th. On motion of H. J. Elam, the meeting was organized by the election of J. W. Scott chairman and O. W. Carr, Secretary.

At request of Chairman, Mr. H. J. Elam, who had been active in canvassing for subscribers to the stock of such an organization, reported 209 shares taken, and 36 names whose amounts were not yet stated, the proposition being for the stock to be paid on the instalment plan. He read from the Constitution and By-Laws of two of the mills recently erected in Charlotte.

Mr. W. H. Hill spoke of the importance of a mill in the city, its advantages to the town, &c. The deliberations were then participated in by Messrs. Doughty, Carr, Andrews, Scott and Boyd.

Mr. Doughty moved that a committee of three, with chairman of this meeting as chairman of said committee to canvass for subscription to the stock. Carried, and the following were appointed: H. W. Cobb, S. S. Brown and W. R. Andrews.

Mr. Elam moved that a committee of three be appointed to ascertain the probable cost of machinery, buildings, site &c. Carried, and the following were appointed: H. J. Elam, W. R. Burgess and W. H. Hill.

Mr. B. M. Cates from Mill Point being in attendance, was called upon and spoke favorably of the enterprise and took liberal stock.

Additional subscriptions to the stock were called for and a number came forward and took stock amounting to \$1,700; making the total amount subscribed about \$30,000.

On motion the city papers were requested to publish proceedings of this meeting.

The meeting then adjourned subject to call of the canvassing committee. J. W. SCOTT, Ch'm'n.  
O. W. CARR, Secretary.

**Liberty Commencement.**

The commencement at Liberty was a grand success.

Dr. Smith of Greensboro preached on Wednesday. The sermon was logical, eloquent and forcible. At night a large crowd was entertained by the little ones, interspersed by a few speeches by the young men. Thursday morning the elements were stirred up, as if in opposition to the proceedings of the day, notwithstanding which a very large audience assembled and were highly entertained with fine speeches by the young men and magnificent essays by the young ladies.

Prof. Pegram of Trinity delivered the literary address, practical pointed and entertaining.

We advise parents who care for the moral and intellectual culture of their children to send them to Liberty, where they have no jars or broils but everything works peacefully and harmoniously, where the professors are "wide awake" systematic and energetic. H. A.

**The Verdict Unanimous.**

W. D. Sult, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of Rheumatism of 10 years' standing." Abraham Hare, Druggist, Bellville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure a 1 disease of the Liver, Kidneys or Blood. Only a half dollar a bottle at C. E. Holton's Drug Store.
