### WHAT OUR REPORTERS SEE AND HEAR

And What Other People Tell Them--News Briefly Noted, Personal Notes &c.

A series of meetings will commence at West Market street M. E. church next Sunday.

Fair weather, with lower temperature, and Northeasterly winds, is predicted for North Carolina today.

Rev. Dr. H. T. Darnall, of Durham, will preach at Westminster church tonight, at 8 o'clock. All are invited.

Nearly all the business houses in Greensboro closed their doors today from 2 to 4 o'clock, in respect to the late J. A. Gray.

The work on the new prize factory, on Depot and Davie streets, goes rapidly ahead. A large force of hands are at work on it.

School was suspended today at G. F. College, on account of the funeral of the late Julius A. Gray. Mr. Gray was a stock holder in the College.

A special train of seven cars reached this city this afternoon at 1:30, from Wilmington and Fayetteville, bringing a large number to attend the funeral of Mr. Julius A. Gray.

We heartily agree with Messrs. Sample S. Brown & Co., in saying that it is warm enough to wear a straw hat and spring suit. Read their new ad today.

Messrs. Ridge & Young, the new grocerymen, are open at their stand near the depot. They are clever gentlemen, and THE WORKMAN wishes them much success.

The National Bank building, the armory of the Guilford Grays, the offices of the C. F. & Y. V. R. R. Co., and the locomotives of that railroad, are all draped in deep mourning, in respect to the late Julius A. Gray.

### Rev. E. W. Smith Married.

Rev. Egbert W. Smith, of this city, formerly pastor of Westminster Presbyterian church, was married yesterday to Miss Wallace, of Franklin, Tenn.

### A Watch With a History.

Deputy Sheriff T. A. Slack, of Franklinsville, returned home yesterday from a visit to Chatham county on a search for a gold watch which has quite a history. A certain young man from Randolph county to Dallas, Texas, at which place he purloined a gold watch belonging to a young lady. The watch was brought to North Carolina for the purpose of being given to a young lady who was engaged to be married to the young watch thief. When the young man returned to North Carolina he found that his sweetheart was married to another, and he took the watch and gave it to his sister as a present. The young man then returned to Texas where he was accused of stealing the watch, was arrested and placed in prison. In process of time it became necessary to trace up the watch, and a letter was received from a party in Texas, describing the watch and telling the name of the person in whose possession it was to be found. Deputy Slack, upon thorough inquiry, found that the person named as having the watch was not in Randolph, and he extended his search into Chatham county. In the neighborhood of Ore Hill he found the girl, and on making a demand for the watch it was promptly given up. The watch is said to be a very elegant one.

It is to be inferred that there is a compromise between the young man who made way with the watch and the party to whom it belonged, the conditions being a withdrawal of the indictment on the return of the watch.

## THE CITY MOURNS.

A PUBLIC MEETING OF THE CITIZENS OF

Greensboro Held Yesterday Evening at the Court House. Resolutions Adopted.

Pursuant to a call of the Mayor to the citizens of Greensboro to assemble in the Court House on yesterday afternoon at 4 o'clock to take suitable action regarding the great loss this city has sustained in the death of Mr. Julius A. Gray, quite a large body of our citizens met. After a few preliminary remarks by Judge Dick he moved that Hon. D. F. Caldwell take the Chair and preside over the meeting.

On motion of Mr. Jas. W. Albright, H. W. Wharton and J. S. Michaux were made Secretaries.

It was moved that a committee on Resolutions be appointed and the Chair appointed the following gentlemen on that committee:

Judges John H. Dillard and Robt. P. Dick and Messrs. J. R. Mendenhall, R. R. King and John N. Wilson.

The committee prepared and Mr. John N. Wilson read the following Resolutions, which were unanimously adopted:

Resolved, That in the death of Julius Alexander Gray, our community and State have suffered a great loss.

That we as citizens individually feel deeply our loss.

That as a citizen, connected with the important business enterprises, of which have been, and were to be, for the upbuilding and advancement of all the material interests of our State and community, his life's work has been in no sense a selfish one, but he has always given his remarkable business ability to and wielded those enterprises for the general good of the people he loved and among whom he lived.

That as a man he was kind and sympathetic, possessed with riches, his ears were open to the cry of the poor, and his was a generous hand in the relief of distress. His pleasant and friendly intercourse was such as to make all his friends.

That deeply feeling his loss we assure his family of our heartiest sympathy in this their great affliction.

That in honor to his memory, and as a tribute of respect, all business be suspended from 2 o'clock until 4 tomorrow--the hour of his funeral, that the citizens of Greensboro attend the same.

That a copy of these resolutions be sent to the family of the deceased, and that the city papers be requested to publish.

Judge Dick moved the adoption of the Resolution and his remarks on the life and character of the deceased were filled with pathos and beauty and showed that his heart was filled to overflowing with sorrow at our great loss.

The Resolutions were seconded by Messrs. R. M. Sloan, O. W. Carr and R. R. King.

Prof. Carr said he had known Mr. Gray for a great many years, but had become intimately acquainted with him in the last seven years. He spoke of his great ability, his generosity and his patriotism and told of incidents which came under his observation and which illustrated the character of the deceased. He said in the death of Mr. Gray the community and State had lost a great and good friend.

The meeting then adjourned.
