## Fatal Accident in Wilkes.

Particulars of a sad and fatal accident in Wilkes county reached here this morning.

In Union township, near Reddies river, last Sunday, a seven year old son of John Milams, shot and killed his little sister, two years of age. The children were alone at the time, hence it is not definitely known how the accident occurred. There was a small shot gun lying on the bed.

The father was away from home and the mother and another child were out in the garden picking beans. The mother heard the report of the gun and ran immediately into the house. The child was dead. The entire load struck under the left jaw and ranged upwards in the head.—Winston Sentinel.

## A Woman Kills a Man.

Columbia, S. C. Sept. 22.—Woodruff, a young man formerly of Rocky Mount, N. C., for two or three years a resident of Marion county, was shot in the head by Miss Ella Smith, a woman of ill repute, at Marion about 9 o'clock last night and died about 2 o'clock this morning.

Woodruff, it seems, charged Miss Smith with circulating some damaging report about his wife, who was a niece of hers, and demanded a statement which Miss Smith refused to give, whereupon they grappled and fell to the floor. Two persons present caught Woodruff, when Miss Smith being partially released, drew a pistol and shot Woodruff in the back of the head as he was rising from the floor. He never moved or spoke after falling. He leaves a wife and child.

Orton's circus was lately at Wilkesboro and a certain Wilkes man was fleeced by the sharpers who are always along. The Chronicle says that when the man's wife found it out on him she gave him a genteel thrashing and made him promise not to go anywhere anymore without some one along to take care of him.
