## MARRIED AT TWO O'CLOCK THIS AFTERNOON

Dr. W. E. Fitch, formerly of Greensboro, now of Graham, to Miss Minnie Crump, of Jerusalem, N. C.

Many of the Greensboro people will remember Dr. Fitch as the travelling salesman for Tate Bros.

Dr. W. E. Fitch and party, consisting of LeRoy King, of Graham, W. H. Anderson, of Haw River, Chas. Fitch, Miss Ira Fitch, of Alamance, Dr. W. S. Long, Jr., and Dr. T. S. Fawcett, of Burlington, Miss Lola Hall, of Burlington, Jno. W. Harder, Jr., of Raleigh, Jno. Harder, of Big Falls, and Miss Corrie Pemberton, of Greensboro, passed through Greensboro last night on their way to Jerusalem, Davie County.

There was a reception at the bride's fathers from two till four o'clock, after which the newly married couple will leave for their home in Graham. They will stop in Greensboro tonight and go down to Graham tomorrow.

## THE ANNOUNCEMENT OF THE LECTURE BY DR. CURRY WAS PNEUMATIC.

The distinguished gentleman merely stopped over to see the buildings of the Normal and Industrial School of which he is an earnest and generous friend.

He will speak, however, at the formal opening of the school in November.

There was a good congregation in attendance at the Methodist Protestant Church last night, and the pastor preached an earnest and appropriate sermon.

## Working Men's

Democratic Campaign Club of  
Guilford County.

There has appeared in the paper for several days, a notice, calling on the working men of the town and county to assemble at the Court House. The purpose of that meeting was to form a Democratic Campaign Club. At the ringing of the bell there assembled in the Court House a body of men in whose intelligent faces could be read the earnest paper to do right.

Mr. Beacham was elected temporary chairman and F. A. Lion temporary secretary. Mr. Beacham acknowledged his election in the following well chosen words.

"I am very grateful for the courtesy you hear show me. It is a pleasure to state my reasons for the part I have taken in getting up this Club. Success follows organization. We must unite and let our wants be known. The fact that our interests are not more earnestly advocated in Legislature Assemblies is owing more to our own indifference and lack of cooperation than to any in difference on the part of our Representatives. My idea is to form a Democratic Campaign Club to be composed of working men. We can poll a stronger vote than any other class in town. Some people want to vote the Prohibition ticket on the ground of purity. I have no objection.

But at this period a vote for any other than the Republican or Democratic parties is a vote thrown away.

If a man wants to purify politics he can do it best through the Democratic party. We can secure all the reforms we want through that party. Let your wants be known and vote for the party which is in sympathy with you.

The following gentlemen were appointed to thoroughly canvass their wards and secure the names of all who wish to join the Club.

1st ward	J. S. Golden
2nd	J. T. Abbott
3rd	Jno. Greer
4th	J. A. Waggoner
5th	B. F. Barefoot
6th	B. F. Tyo

A gentleman from Davidson county said:

I am no speaker. Others can do better than I can. But I'll tell you this, "I am a Democrat"

Mr. McCulloch said, "The cause is a good one. We shall be very careful not to antagonize the interests of any other good institutions. With the proper efforts great things can be done for the good of the working men."

T. A. Lyon, J. T. Abbott, W. H. Turner and Beacham were appointed to frame by laws, resolutions and report at the next meeting to be held next Tuesday night at half past seven o'clock.

## Opening of the Normal and Industrial School.

Candidates for admission to the Normal and Industrial School who live in Greensboro, or who are boarding in private families, will please report for examination and classification Thursday morning at 9:30. It is very important that we should have no visitors for the next ten days, except those who call on urgent business. Strangers in the city and those who wish to see me on business will please call at my office in the main building between the hours of two and three each day.

CHARLES D. McIVER,  
President.

## WHERE DO YOU LIVE?

Voters of South Gilmer Township who did not register two years ago, and all persons who have become 21 years of age since that time, as well as all persons who have removed to this from some other Township, should call at the office of W. R. Land in the Yates building and look after registration.

This is very important.

## PROGRESS.

Fine dwellings for residences are being built in North Greensboro.

Improvements on the streets are progressing nicely—it is also reported that there will be several fine store houses built soon—but the good work goes on, and we will reach the North Pole in the near future.

You may as well talk to a man whose house is on fire and whose wife and children are inside of it about the tariff, or the coinage of silver, as to approach the white people of the South on other issues so long as you threaten them with the political domination of the blacks. Everything else is subordinate to that issue so long as its shadow is thrown on the Southern people. You can never eliminate from their minds the recollection of reconstruction. You can never take away from them the dark spectre that was before them for five long years, while robbery, fraud and rapine held high carnival in the Southern States.
