### Good Looks.

Good looks are more than skin deep, depending upon a healthy condition of all of the vital organs. If the liver be inactive, you have a bilious look. If your stomach be disordered you have a dyspeptic look, and if your kidneys be affected you have a pinched look. Secure good health and you will have good looks. Electric Butters is a great alterative and tonic acts directly on the vital organs. Cures pimples, blotches, boils and gives a good complexion. Sold at C. E. Holton's drug store 50 cent per bottle.

D. M. Kirkpatrick has just received a nice line of new carpets. Call and see them.

**SALSMAN WANTED.**—Valuable commission offered. \$30.00 weekly earned by many of our agents. Samples free. P. O. Box 1371 New York.

Fishplate is still able to show you a very fine stock of ready made clothing, furnishing goods, etc. Don't forget to remember.

Elgin creamery butter comes a little high but is well worth the price, quality considered. Three tubs just received at J. W. Scott & Co's.

Call at Kirkpatrick's and see the nice things he has in the way of furniture, some of which is ahead of anything ever seen in an establishment in Greensboro.

**CHINA HALL**—Fine Lamps, Dinner, Tea and Toilet Sets just arrived at. **E. M. CALDCLEUGH & Bro.**

Trade is "picking up" and it keeps us **HUSTLING** to fill our orders, but send them along and we will see that you are well served on.

**J. W. SCOTT & Co.**

"Owl" brand and "Ajax" coffee, 23 cents pound, is considered by many of our customers to be superior to Arbuckle's. Well, you pay your money and you take your choice. Fresh lot of all three kinds on hand now. **J. W. Scott & Co.**

### LOCAL WHIFFS.

Short Items of Interest Jotted Down for Workman Readers.

Jno. A. Wilson will vote for Cleveland.

S. S. Brown will continue to vote for low prices.

Hoskins lost fifty votes by his conduct at Summerfield yesterday.

They say that Snow does "put his foot in it" every time he gets up to speak.

They also say that if there is a man who hates the southern man, that man is Snow.

A good many people went out to Stokesdale this morning to hear the county candidates. But Snow will not be there. There will be too many Democrats present, so he will take a day off.

Two convicts passed through town last night on their way to Raleigh. They are put in for stealing. One of them is a dangerous character. He did his best to use a Winchester rifle on his guard yesterday.

Rev. Thos. Dixon was fined \$155 dollars for shooting 31 robins on Staten Island last Tuesday. The magistrate would not let Mr. Dixon have a single bird, but had them broiled nice and brown for own breakfast.

Ex-sheriff Hoskins and registrar Chas. H. Wilson, of Summerfield fought yesterday. A controversy arose over the right of some parties to register. Words led to blows. Hoskins got Wilson by the throat and got him down, while Wilson clawed Hoskins in the face, leaving four ugly marks down his face. The trouble grew out of an attempt to register some crazy negroes.

Through the kindness of Mr. Jno. M. Dick, a WORKMAN reporter was allowed to go through the Greensboro Steam Laundry. And an interesting sight it was to see the clothes put in soiled and dirty and come out clean and fresh. This laundry has only been running about eighteen months, but already it has acquired a reputation for good work not to be surpassed by any institution of the kind in the State. Mr. Miller has a reputation all over the South as an expert in his line of work. He gets work from Asheville and Fayetteville, towns which have laundries of their own.

Too dry to bring tobacco to market.

Come and see our premium watch.

Boys! Come and see if you want our watch.

Evangelist Fife only got \$150 for Hocksville meeting.

Wagon loads of mountain apples for sale on the streets this morning.

Ashboro street will be widened, Kirkpatrick has given his consent.

Evangelist W. P. Fife and family have gone to Charlotte to live.

The opossum and big yam potatoes have made their appearance on our market.

The Aldermen have decided that each policeman must continue to buy his own uniform.

W. A. Whittington has been suspended from the police force for failing to perform service.

Young Mr. Stancil, a student in Liberty High School, was in the city this afternoon on a brief visit.

There is a plan on foot to do away with the sergeant of Police. Can the city afford to do without such a valuable officer?

The people of Liberty purpose to have quite a pleasant time on Thanksgiving Day, the program of which will be announced later.

Can you get three or four more subscriptions for the WORKMAN next week. You may win a new watch. Come and see it.

A petition has been presented to the Aldermen asking that the coal chute be moved out of the town limits. They say it is a nuisance.

All men are invited to attend the meeting of the Young Men's Christian Association to-morrow afternoon at 4 o'clock. Dr. J. G. Broadnax will deliver an address on the second coming of Christ.

Me-srs. J. W. Scott & Co. have just received for their wholesale trade ten gross, or 152 pounds, of Blum's Almanac, which is the first installment of that famous publication, so well known in this section of North Carolina. Country merchants will get their supplies from J. W. Scott & Co.

Just received by J. W. Scott & Co. one hundred baskets Concord grapes, at 25 cents a basket. These are just in time for Sunday. Also on hand always the best of articles out of which to make a good breakfast, dinner or supper. They have a very large number of "boarders" on that principle.

The Democrats of Randolph county will finish up their joint discussions on Monday next, but the close work will not slacken until sundown on the 8th of November. The canvass in that county has been exceedingly vigorous, notwithstanding all the side shows and diversion schemes, the Democrats expect to win.

Call at the WORKMAN office and see the new watch that we are going to give to the person who brings in the greatest number of subscribers by next Saturday night. The watch will be given to the winner on Monday following and his or her name published in the paper. Subscriptions may be for one month at twenty-five cents a month. The twenty-five cents must accompany the name.

The Woman's Missionary Society of the M. E. Church, South, Western North Carolina Conference, will hold a district meeting for the Greensboro District, in Ridsville, November 4th to 6th. We hope to have a full representation from every Auxiliary and Juvenile Band in the District, and would like to have a representative from each charge in the district. Dr. B. F. Dixon, of G. F. College, will preach on Sunday.
