### THE SPEAKING YESTERDAY

In common with some others who were present THE WORKMAN reporter had the first opportunity on yesterday to hear Messrs. J. L. King and M. H. Holt, Democratic candidates for the State Legislature. Their efforts were excellent and highly creditable to both of those gentlemen. Mr. King is always careful to give such a clear and satisfactory account of his stewardship in former sessions of the Legislature that his enemies dare not openly accuse him of any dereliction or malfeasance, however much of that sort of work is done under the cover of darkness. Mr. King's speech was a cool, deliberate and able one, and we do not see how it could have been answered, which opinion is pretty fully corroborated by his competitor, who ran away from a first-class opportunity to reply to it. If such occurrences do not open the eyes of the people to the fact that the Democrats are the only unshamed advocates of a campaign is a use of the speech of Prof. M. Holt, a different view also of Mr. King, and a cut and appropriate in style and manner of Mr. King's speech and withering of Mr. King's speech is gifted in his speech yesterday was a complete success. In that line— one volley fired while the smoke of the preceding one still hung over the field.

The Democrats were greatly delighted with what they heard, as it strengthened them in the assurance they already had of a splendid victory on the 8th of November. Everything points that way.

## POWELL & WHARTON

K. OF P. BUILDING, GREENSBORO, N. C.

### LOCAL WHIFFS.

Short Items of Interest Jotted Down for Workman Readers.

Saturday night and all is well. The Democracy is still unafflicted. Snow is two or three inches deep in Vermont.

The prospects are brighter in this county they were two years ago.

It is a fight to the bitter end. The stronger whips the weaker must submit.

Our distinguished foreman, E. L. Tate, is rusticating in Durham today.

The Goldsboro Headlight says that not a single relative of Exum will vote for him next Tuesday.

Our Underwear will outwear, in wear anywhere, any Underwear bought elsewhere. Powell & Wharton.

The Pennsylvania Railroad will build 100 new locomotives and 5,000 new cars for the World's Fair traffic.

The gripe has made its first public appearance in New York since last fall. The physicians do not believe that it will be epidemic.

Masked students of Wittenburg College, Ohio, assaulted a student from South Charleston so severely that, but for help, he would have been killed.

In the sensational slander suit, in London, of Mrs. Leader, charged with the theft of a brooch by Mrs. Smyth, the jury awarded Mrs. Leader £502 damages.

Men of wealth and men of letters Soon will back their campaign views, Hats are often paid by debtors, But a better bet for debtors, Is a pair of Cutchin's Shoes!

The Y. M. C. A. service will be held at 4 o'clock tomorrow afternoon in association parlor. Mr. W. R. Gales the assistant state secretary will speak. All men are earnestly and cordially invited.

Standing in the sunshine is far from disagreeable these cool, bracing mornings. All down South Elm street the reporter noticed groups of men basking in the genial rays of a November sun.

Of all the institutions in a town that the banks of that town ought to encourage, simply as a matter of business, newspapers are the most important. They ought to be the register of the business vitality of the community. If encouraged they will not only register the growth already attained, but will be a potent factor in the future prosperity of a town.

### PURELY PERSONAL.

Col. Al Eairbrother, of the hustling Durham Globe, was in town last night.

W. Giles Mebane, of Graham, was in the city this morning on business.

Miss Annie Pickard, who has been visiting friends in the city has returned to her home in Randleman.

Mr. and Mrs. C. V. McGehee, of their way to visit relatives in the eastern part of the State, spent last night with Mr. Greer.

Mrs. O. A. Robbins and children and Mrs. M. L. Robbins who have been visiting relatives in the city have returned to their home at McColl, S. C.

### LOOKED OUT

THE WORKMAN learns that it will be locked out or locked in next Tuesday. The election will be held in the front room of the Yates building, and the front door will be fastened.

If THE WORKMAN gets in or out will have to be by the back door. The use of our back stair set p. are a very shaky set, but we are glad to institute a suit for damages if accident occurs.

### THE GREENSBORO TOBACCO

Market is growing. The people generally do not realize how much tobacco is being sold on the Greensboro market. But the tobacco interest is under the control of such men as J. S. Cobb, H. W. Cobb, Henry Berger, S. J. Pegram, J. L. King, and the trade cannot help growing.

These men have capital, energy and ability, and will do all they can to make this one of the best markets in the State.

### Street Improvements.

THE WORKMAN reporter is informed that the Street Committee has promised to raise the stepping stones across South Elm Street in front of Varistroy's Clothing Store. That is a good move. They do well enough in dry weather, but after a rain the street is hardly passable in that place.

New York, November 4.—The Times this morning says: "Mr. Seth Low, president of Columbia College, said yesterday to a reporter of the Times that he had decided to vote for Cleveland. Mr. Low has been one of the best known Republicans in the State."

There is very little travelling done now. Drummers and politicians are on the go. Every body else is staying at home.

C. A. Thompson, Seymour Ind., writes: "My sister Jennie, when she was a young girl, suffered from a white swelling which greatly impaired her general health and made her blood very impure. In the spring she was not able to do anything and could scarcely get about. More than a year ago she took three bottles of Botanic Blood Balm, and now she is perfectly cured."

### Pronounced Hopeless Yet Cured.

From a letter written by Mrs. Ada E. Hurd, of Groton, S. D., we quote the following: "Was taken with a severe cold which settled on my lungs, cough set in and finally resulted in consumption. Four Doctors gave me up, saying I could live but a short time. I gave myself up to my Saviour, determined that if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for consumption, coughs, and colds. I gave it a trial and took in all eight bottles; it has cured me, and thank God I am a well and hearty woman. Trial bottles free at C. E. Holton's drug store regular size 50 cents and \$1."

### Good Looks.

Good looks are more than skin deep, depending upon a healthy condition of all of the vital organs. If the liver be inactive, you have a bilious look. If your stomach be disordered you have a dyspeptic look, and if your kidneys be affected you have a pinched look. Secure good health and you will have good looks. Electric Bitters is a great alterative and tonic acts directly on the vital organs. Cures pimples, blotches, boils and gives a good complexion. Sold at C. E. Holton's drug store 50 cent per bottle.

WALSMAN WANTED.—Valuable commission offered. \$30.00 weekly earned by many of our agents. Samples free. P. O. Box 1371 New York.
