LONG SUFFERING

Birmingham Lady Tells of Her Remarkable Recovery Following Use of Cardui. "First Health in Years."

Birmingham, Ala.—Mrs. Florence Moore, 2309 Thirty-third Ave., North, this city, says:

"For many years I suffered with female trouble of every description. I was told an operation was necessary to save my life. At times I was not able to stand on my feet. I have cooked many a meal sitting, while my husband and children handed me the things with which to do it....

"I had given up all hope of ever being well again.... It is a sight what women will suffer before they will listen to the advice of others. "Several of my friends had taken Cardui and been benefited by it. They told me about it, but I thought my case was hopeless. Finally I told my husband to get me some Cardui and I began to take it. After I had taken the first bottle I saw that I was improving. I took eleven bottles at that time before I was cured, but as it was the first health I had had for years I was thankful to do it. "I can't praise Cardui enough." At all druggists. NC-167

Sold By
Authorized Ford Dealers

An Authorized Ford Dealer has too much at stake to sell a car which will prove a disappointment. Therefore, he will sell you a good used car carrying the same guarantee as a new car.

His investment in garage and service equipment, the good will he has built up and his connection with the Ford Motor Company are assets too valuable for him to jeopardize with one unsatisfactory sale.

That is one very good reason why you can buy a used Ford car with full confidence that it has the value claimed for it.
