Lucy Says Her Back "Hurt Night and Day"—Least Noise Upset Her. Better After Taking Cardui.

Winfield, Texas.—"My back hurt night and day," says Mrs. C. L. Eason, of R. F. D. 1, this place. "I ached and ached until I could hardly go. I felt weak and did not feel like doing anything. My work was a great burden to me. I just hated to do up the dishes, even. I was nervous and extremely nervous."

"My mother had taken Cardui and she thought it would do me good, as she told me to take it. My husband got me a bottle and I began on it. I began to improve at once. It was such a help that I continued it until after the birth."

"I took eight bottles and I can certainly say that it helped me. It is a fine tonic. It built me up and seemed to strengthen me. I grew less nervous and began to sleep better."

"I can certainly recommend Cardui to expectant mothers, for to me it was a wonderful help in every way I felt better after taking it and I think it is a safe and medicine."
