CHANGE OF LIFE.
Some Sensible Advice to Women by Mrs. E. Sailer.

"DEAR MRS. PINKHAM:—When I passed through what is known as change of life, I had two years' suffering—sudden heat, and as quick as lightning would pass over me; my appetite was variable and I never could tell for

MRS. E. SAILER,
President German Relief Association,
Los Angeles, Cal.
"Day at a time how I would feel the next day. Five bottles of Lydia E. Pinkham's Vegetable Compound changed all that, my days became days of health, and I have enjoyed every day since—now six years."
"We have used considerable of your vegetable Compound in our charitable work, as we find that to restore a poor mother to health so she can support herself and those dependent upon her, if such there be, is truer charity than to give other aid. You have my hearty endorsement, for you have proven yourself a true friend to suffering women."—Mrs. E. Sailer, 756 1/2 Hill St., Los Angeles, Cal.—\$5000 forfeit if above testimonials not genuine.

No other person can give such helpful advice to women who are sick as can Mrs. Pinkham, for no other has had such great experience—her address is Lynn, Mass., and her advice free—if you are sick write her—you are foolish if you don't.

Want No Portuguese Domination.
The Chinese colony in Honolulu is very much wrought up over a report that the Heongsan district in the province of Kwangtung, China, is to be ceded to Portugal. This is the district to which most of the Chinese in this territory belong. A mass-meeting was held recently and attended by more than 500 Chinese. At this meeting many patriotic speeches were made, and a memorial protesting against the cession was sent to Wu Ting-fang, Chinese minister at Washington and to the imperial government at Peking. Most of the Chinese declare that if the province is ceded or if Portugal attempts to seize it they will return to China and organize an army to fight against the foreigners.

The Future of Hogarth's House.
The purchaser of Hogarth's House, Lieutenant Colonel Shipley of Grove House, Chiswick, who announces his intention of preserving it as "one of the landmarks of the parish," will be remembered as the victim in the "Shipway Pedigree Case," which attracted so much attention some time ago. The peculiarly audacious swindler whom he had innocently employed to elucidate his pedigree and to prove his claim to an old coat-of-arms, forged his evidence as he went along, and managed to obtain considerable sums of money before he was found out.—London Chronicle.

Coney Island Miners.
Men and boys who live at Coney Island and Bath Beach are now busy at their winter occupation of searching in the sand for the money, watches, rings and other valuables which were lost by visitors during the summer months. For the last few days the strong wind has made the surf along the shore very heavy and has also drifted the sand away in. Working with shovels and fine sieves, the miners dig large holes in the sand, and at times many valuable things are found. The other day two gold rings and a few pieces of coin were picked up.

HEALTH AND ALL ITS BLESSINGS

Health will come with all its blessings to those who know the way, and it is mainly a question of right-living, with all the term implies, but the efforts which strengthen the system, the games which refresh and the foods which nourish are important, each in a way, while it is also advantageous to have knowledge of the best methods of promoting freedom from unsanitary conditions. To assist nature, when nature needs assistance, it is all important that the medicinal agents used should be of the best quality and of known value, and the one remedy which acts most beneficially and pleasantly, as a laxative, is—Syrup of Figs—manufactured by the California Fig Syrup Co.

With a proper understanding of the fact that many physical ills are of a transient character and yield promptly to the gentle action of Syrup of Figs, gladness and comfort come to the heart, and if one would remove the torpor and strain and congestion attendant upon a constipated condition of the system, take Syrup of Figs and enjoy freedom from the aches and pains, the colds and headaches and the depression due to inactivity of the bowels. In case of any organic trouble it is well to consult a competent physician, but when a laxative is required remember that the most permanently gratifying results will follow personal cooperation with the beneficial effects of Syrup of Figs. It is for sale by all reliable druggists. Price fifty cents per bottle.

The excellence of Syrup of Figs comes from the beneficial effects of the plants used in the combination and also from the method of manufacture which ensures that perfect purity and uniformity of product essential in a perfect family laxative. All the members of the family from the youngest to the most advanced in years may use it whenever a laxative is needed and share alike in its beneficial effects. We do not claim that Syrup of Figs is the only remedy of known value, but it possesses this great advantage over all other laxatives that it acts gently and pleasantly without disturbing natural functions, in any way, as it is free from every objectionable quality or substance. To get its beneficial effects it is always necessary to buy the genuine and the full name of the Co.—California Fig Syrup Co.—is printed on the front of every package.
