J. P. Morris Esq. went over to Rutherfordton on Saturday.

The Lynn people turned out in goodly numbers last Sabbath, attending services here.

J. B. Page, of Landrum, was here on Monday. He doesn't forget The News when he comes.

I have a good mule which I will sell or exchange for beef cattle. M. W. Page, Tryon, N. C.

Did you smell C. E. Page's breath last Saturday afternoon? He said he had new Irish potatoes for dinner.

Rev. J. H. Lyon, pastor of the Stoney Knoll C. M. E. church, near Mill Spring, called at The News office on Monday.

Another name has been suggested as a candidate for the office of sheriff on the Democratic ticket—that of J. A. Rucker, of Mill Spring.

Miss Esther McKinney, of Clifton, who is well and favorably known here, visited relatives and worshipped at the Presbyterian church on last Sunday.

All Confederate soldiers and widows of Confederate soldiers who are entitled to a pension, wishing to make application for a pension, will apply at once to the clerk of the court.

S. W. Miller and family who are now residents of our town, are soon to open up Log Cabin Inn. This means that entertainment at the "Home on the Mountain" this season is to be of the very best.

Mr. Canis, Civil Engineer Latta and other railroad men were prospecting and investigating "the lay of the land" and the survey of the road between Mill Spring and Chimney Rock the last part of last week.

J. E. Gage is doing some fine work on the new Episcopal church now in course of construction at Tryon. The outside is being pebble-dashed, and we predict it will be a neat and comfortable house when complete.

J. T. Denton returned from his home in New Port, Tenn., about ten days ago and died at the old home place near here on Saturday night. A more extended account of his death appears elsewhere in this issue.

J. R. Foster, of Mill Spring, passed through Tuesday on his way to Tryon and called at The News office and renewed his subscription. He requested us to say to his friends that he is not an aspirant for office, though his name appeared last week on the suggested ticket.

Mr. Gaze escaped the race riot which occurred in the city of Atlanta Saturday night. He had only left there a short time before it occurred. It is reported that six policemen and ten negroes were killed, and the fight still going on.

Log Cabin Inn will this season be under the management of an efficient manager, Mr. Miller, but a "want ad" appeared in The News before his services for this place was secured. Other applications were also made for the place as a result of the ad.

There was a kind of family reunion at Esq. C. C. Hampton's last Sunday. There were present, Mr. and Mrs. Ed Waldrop, Mr. and Mrs. Alex. Feagan and baby, little Archie, John and Gray. The above are members of the family who are not at present living with Mr. and Mrs. Hampton.

Constable Cole, of Melvin Hill, came in on Monday "bringing his sheave with him." He was accompanied by Milton Patterson, who resumed the same position that he vacated last fall term of court—been drinking, got disorderly and is in jail again.

N. W. Hutchison, of Spartanburg, was the guest of his mother, "Granny" and brother Jim Hutchison last Sunday. He has recently taken unto himself a "help meet," and came up to get his little girl, who has been living with her grandmother. He brought his young bride with him and took in copious draughts of the refreshing mountain atmosphere.

Attys. Justice, of Rutherfordton, and J. P. Morris went down to Spartanburg last night on business.

A party consisting of B. F. Hampton, Bob McFarland, Whitesides and Dock Tallant, with teams, scoops, etc., leave today for Blowing Rock, where they have a contract to do some grading for the railroad.

J. J. Lambright called to see us yesterday and brought a nice pail of strawberries, a gift from his estimable wife to The News. The berries were just delicious, and we thank Mrs. Lambright for, and are glad to know that when our friends have nice things they do not forget The News.

W. M. Covil returned from Lynn yesterday and has opened his shop again.

A party of gold miners were in town yesterday, and showed some fine samples of the precious metal which was taken from the Watts place.

Death of Mr. Goss.

Mr. Hughes received a letter yesterday, which contained the sad intelligence of the death of Mr. Goss, who spent the winter here, and only left a few weeks ago for his home in Ohio. For some time Mr. Goss had been in bad health and came South with a hope of regaining his health, but too late—the disease had gone too far, its grip was too tight, and he returned to his home to spend his last hours with friends and loved ones. The end came peacefully on last Saturday.

Mr. Goss had many friends here, who will be grieved to learn of this sad news. He was about 30 years of age and leaves a devoted wife to mourn his death.

LYNN.

While we scribble it rains and we are glad to see such a good season. A good time for all kinds of transplanting, even to that of county candidates.

A Mr. Serrette and family are domiciled in one of the Thompson cottages, and have been added to the mill force.

The Misses Kuykendalls, who have been on the mill force, left last week for their home in Flat Rock.

Improvements about the hosiery mill steadily go on. We notice among some of last, an automatic sprinkler for protection against fire. Now we suggest a sprinkler to be placed on top of the building to cool roof, this would be a protection against the oppressive heat these hot days.

Miss Esther McKinney of Clifton, is visiting her brother, Miller and other relatives and friends in Lynn and Columbus.

Arthur Reames and DeWitt Cannon took in the sights about Skyuka and Log Cabin Inn one day this week.

Let us have that telephone Mr. Mills, don't delay.

At this writing Mrs. Ed Foster is reported as being quite sick.

Don't forget what we have already said. A canning factory we believe would pay well right here in Lynn or near by.

The Mimosa steam lawn roller must have gone into winter quarters.

An anti-travelling saloon league would be in order at Lynn.

The new bell is quite an improvement at the chapel. Other improvements will doubtless follow.

Rev. Mr. Perry, Mill Spring, filled his appointment in the chapel last Sunday evening.

What "Fairplay" Thinks of it.

EDITOR NEWS:—In a recent communication to your valued paper signed "X" suggesting our next county candidates, only one of the candidates who made the campaign of 1900 is mentioned. Why this change? They made the race under adverse circumstance and now when we are sure of victory are they not good enough? If they were once they are now.

I heard one democrat say "they didn't have to run." No, they didn't but somebody had to, and when duty called they responded like true men and sacrificed themselves on the altar of duty in the face of certain defeat. For what? For the pleasure of driving around making speeches? No, but to hold the party together, for "only in unity is there strength."

Let's have the old ticket STRAIGHT, with Mills for senate, Justice for legislature, Arledge for clerk, and "give honor where honor is due."

ARE YOU DEAF? ANY HEAD NOISES?

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE

by our new invention. Only those born deaf are incurable. HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever. I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours, F. A. WERMAN, 730 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation. Examination and advice free. YOU CAN CURE YOURSELF AT HOME at a nominal cost. INTERNATIONAL AURAL CLINIC, 596 LA SALLE AVE., CHICAGO, ILL.

HOUSEWORK

Too much housework wrecks women's nerves. And the constant care of children, day and night, is often too trying for even a strong woman. A haggard face tells the story of the overworked housewife and mother. Deranged menses, leucorrhœa and falling of the womb result from overwork. Every housewife needs a remedy to regulate her menses and to keep her sensitive female organs in perfect condition.

WINE OF CARDUI

is doing this for thousands of American women to-day. It cured Mrs. Jones and that is why she writes this frank letter:

Glendane, Ky., Feb. 10, 1901. I am so glad that your Wine of Cardui is helping me. I am feeling better than I have felt for years. I am doing my own work without any help, and I washed last week and was not one bit tired. That shows that the Wine is doing me good. I am getting fatter than I ever was before, and sleep good and eat hearty. Before I began taking Wine of Cardui, I used to have to lay down five or six times every day, but now I do not think of lying down through the day. MRS. RICHARD JONES.
