

**THE POLK COUNTY NEWS.**

**LOCAL AND PERSONALS.**

Mr. Cantrell, of Spartanburg, was in town first of the week; He will probably spend the summer here.

Esq. C. A. Carson has a fine lot of sweet potatoes for sale at regular market price; He can furnish you with either kind, for seed or table use.

Mr. John Bierbaum of New York City is the guest of Mrs. Carnegie, arriving on Friday of last week. He will remain for some time, for recreation and improvement of his health.

Mrs. T. E. Walker is improving from her recent attack of grippe, also Misses Ada and Ola, whose "helo" voice was not heard at the central office for several days, are getting better.

Atty. E. B. Cloud is now comfortably situated in his neat little office; Note the change in his legal card and his sign next door to the NEWS office.

Mrs. A. L. McMurray was called to the sick bed of her mother, Mrs. Laughter of Uree, last week returning on Sunday and reports her mother's condition some better. Of course little Vada and Earnest went to see grandma too.

Mr. and Mrs. F. A. Chevallier left on Monday morning for Spartanburg where they will spend some time. From there they will probably go to Rutherfordton.

Mr. Fitch has endeared himself to the people of our town, but it doesn't suit him to "keep batch" his batching arrangements in the boys Dormitory over the school building, lasted only a few days, not long enough for the girls to give him a pounding; He has decided that the bible is right where it says, that "it is not good that man should be alone."

**LYNN NEWS.**

Rev. Mr. Wegner will preach in chapel Sunday Mar. 10 at 8:30, p. m.

Mrs. Norman closed her school last Monday. The children will have a long vacation.

It has been suggested and we hope the plan may materialize, that a series of meetings be held by all ministers jointly, who preach here, sometime in the near future.

James Fowler and family have returned to Lynn after several weeks stay in Union, S. C.

This is the Honor Roll of the last week of school: Murial Capps, Jasper Arnnid, Archie Ingram, May Seigler, Fred Swann, Earnest Ballard, Bryan Cannon, and Florence Hardin.

George Stredwick, one of the most energetic hard working men in the whole country, has been quite sick for several days, has been confined to his room at the home of his son Robert; We hope to know of his recovery soon. He was a sailor for many years and knows a great deal about many of the sea ports.

S. B. Weaver of Collinsville was in our village one night this week.

M. A. Cornwell of Collinsville spent last Saturday night with relatives in Lynn.

Miss Nettie Belue of Tryon paid C. B. Norman and wife several days visit returning home last Monday evening.

Several K. of P. attended lodge meeting at Columbus Tuesday. Something doing.

A club of 8 or 10 candidates taken the initiation degree of Oddfellowship last Friday night that same club will have it still lively as they travel along the journey.
