The Rev. Messrs W. B. Gordon and A. E. Cornish, of S.C., are occupying their cottages at Saluda during August.

The Rev, J. H. Griffith, Jr., of Kinston, N. C. is supplying the Episcopal church at Tryon during August, and with his family will occupy Mimosa cottage.

There is to be held, at the library building, Saluda, on Sunday next at 5 p. m. a service in memory of the late Miss Julia F. Golet. It was chiefly by her efforts that this most useful and artractive building was erected and her labors and sacrifices for the well fare of the community are wel worthy of this public testimonial. The memorila services will be conducted by Bishop Horner, the Rev. Messrs. Burrage, Joyner and perhaps other clergymen. The following gentlemen have been invited to make addresses: Ex-mayor Otho Garren, Dr. E. M. Salley, Judge Robert Aldrich, Hor. T. W. Bacot and Hon. R. I. Manning. In this meeting, it is hoped, a large number of the people of Saluda and community will participate.

## TEACHERS' -EXAMINATION.

There will be an examination for High School Teacher's Certificates held at Columbus August 25th and 26th.

All the teachers expecting to teach in the High Schools in this and other counties and whose certificates are not valid for the

building near the old stand. This is a nice place and we wish for the firm the best of success in their new home.

Spring Route 2

The Read Board met last Saturday and elected the following gentlemen as over-seers for some of the various roads in this part of Township, who will serve 12 months. A. M. Lynch, G. C. better. Some few who refused to work were allowed to make up the lost time within the next fifteen days or take the consequences.

The protracted meeting at Big Level church this week is attended by a large congregation and the Rev. Hammett of Gaffney, S. C. and Rev. B. P. Jackson, the paster, are doing a good work for the Master.

Mr. James Moore, of Coroleen, was in these words last week. He is agent for an Indian Herb Medical Company, of Va., and is advertising the Company's business by giving away silver ware.

All public roads in Cooper Gap Township have been worked within the past three or four weeks and are in good condition. er from which she suffered

## Big Dance at Mimosa.

The following invitations we. issued for Weenesday evening. 'You are cordially invited to attend a subscription dance and

their old stand on Main Street every view point, the lecturers and are occupying the new brick sent out by the Department of Agriculture being men of unusual ability and learning along their respective branches farming.

The institute began about 11 a. m. and lasted until 3:30 p. m. and during the whole time the auditors instened with interest to Goorge Mitchel 2 head cattle the different methods of farming

proposed by these men of experlence and science. The method of raising corn was dealt with more extensively than any other crop and much benefit is hoped Green, Mr. Barnett, W. H. Led- to been derieved for the farmers of Poik County.

It is indeed gratifying to the News to note the increased interest in which the farmers are attending these institutes and

the different experiments which they are trying as indicated by their different methods and ro-Adolphus Whitesides I horse sults given by them in the Institute. The farmers of Polk are awakening to the fact that the new way is the best way and are determined to keep in the front with their larms.

Mrs. Hughes Bitten by a Spider The many friends of Mrs. J. G. Hughes will be pained to hear that on last Thursday she was bitten by a spiduntold agonies Dr. Grady,

of Tryon, attended her and we are glad to report that she is now doing well.
