Mr. W. B. Champion of Wellford, S. C., a former resident of this township, made The News a pleasant visit yesterday and added his name to both the News and Progressive Farmer lists.

We are glad to note the great interest taken in our clubbing offer and feel safe in saying we could not have offered to our subscribers a better proposition than the Progressive Farmer free with a year's subscription to the News. The Progressive Farmer solves many a difficult problem for its readers and endeavors to enlighten the agriculturists of this State in many new points of farming gathered from their own practical experience.

Correspondence of The News.

As I have not seen anything in your columns from this place for some time I will send you a few items. Farmers pretty well up with their plowing. The Mill Creek school closed March 24th with an elaborate entertainment that was enjoyed by all. The success of the students training under Mr. J. W. Webb's skill was made quite evident by their brilliant performance. About 200 people attended the exercises. A bountiful table of refreshments and music by Dr. and Mrs. Eldridge closed a very enjoyable evening.

ONE OF THEM.

Skidco to 1 Result of Tryon-Lynn Ball Game.

The Lynn and Tryon baseball teams crossed bats Saturday afternoon in the second contest of the season. Lynn strengthened in its weak places turned the tables on its opponents and won by the score of 23-1. Jim Ormand's curves and benders were mystifiers to the Tryon batters, while the stick work of the Lynn aggregation was responsible for their high score. Both teams wish to hear from other nines in the County for the purpose of arranging dates for a series of games.

Our clubbing offer, The News and Progressive Farmer, two papers for the price of one, 104 big issues for only \$1.00, still continues. We want the Progressive Farmer to go into the homes of all our subscribers. Renew your subscription for one year to the News and get this healthy little farm paper with it.

Should be treated right when it is in the jeweler's hands. You would not send for a "quack" doctor when you are dangerously sick and it is just as dangerous as far as your watch is concerned to allow a "tinker" to doctor it.
