LOOK AT YOURSELF

**Suffering Writing Lines
In your Face?**

Many a handsome woman looks in the glass and sees the premature lines of the old hag already beginning to show in her face. Secret suffering and sickness are writing those lines every day plainer and plainer.

They don't know what to do. Their backs ache, their bodies ache; poor appetite, bad digestion, sallow skins, drooping shoulders, always tired. Probably suffering from organic or functional trouble peculiar to women. Doctors don't seem to help them. It's pitiful.

But there is a way out.

A distinguished Southern physician gave a life time of constant study to perfecting a remedy for suffering women and when he had perfected it he rightly called it *Stella Vitae*, the star of life.

All dealers sell it and so certain are they that they guarantee to give your money back if *Stella Vitae* doesn't benefit you. If you want to stop that raging pain, aid your digestion, clear up your complexion and regain your physical attractions try a bottle of *Stella Vitae*. Try it today. Don't hesitate, for it costs you nothing if it fails to benefit you. Your dealer sells it in \$1 bottles. Thacher Medicine Co., at Chattanooga, Tenn.

Rub Paint

with your hand six months or a year after application. If the paint was made of only white lead and oil it will come off the building like powdered chalk. Every puff of wind blows away some of this "dead" paint and reduces the protecting powers of the paint coating. Good paint shouldn't chalk.

Lucas TINTED GLOSS PAINT
ONCE USED—ALWAYS PREFERRED

won't. And, further it will cover more surface per gallon than white lead used alone. Practical tests have proven that many times.

Lucas Tinted Gloss Paint is a combination base paint, made scientifically and uniformly by modern machinery. It's the most economical paint you could use. Ask for booklet telling all about it.
