Leap's Prolific Wheat.

Most Prolific and Best of Milling Wheats.
A report on this wheat from Delaware shows a yield of 8,430 bushels on 74 acres, and 881 bushels on 17 acres.
In Maryland it leads in popularity; has proven its superiority in all parts of Virginia; is the most popular variety in North Carolina; heads the list in South Carolina for profitable yields; in Georgia ranks far above all others; Tennessee growers discard other wheats for this; at the head of headless wheats in Kentucky, and equally well suited to West Virginia.

Therefore we are justified in recommending Leap's Prolific Wheat for all sections.

When you keep a boy interested in football, baseball, tennis and the like, you lessen the chances that he will get interested in things not so good for him.
The Youth's Companion, since its enlargement, gives generous space to this matter of athletic training, and gets the best coaches in the country to write for it.

How to practice to become a first-rate pitcher, how to train for a race, how to learn the newest strokes in swimming—these and a hundred other topics of the greatest interest to boys—to girls, too, for that matter—are touched upon in this important department of The Companion.
And this is only a small part of the service which The Companion renders in any home which it enters. It has points of contact with a hundred interests.

If you do not know The Companion it is today, let us send you one or two current issues free, that you may thoroughly test the paper's quality. We will send also the Forecast for 1915.

Polk County Superintendent
Columbus, North Carolina

The first meeting of the Polk County Teachers' Association for the school year of 1914-15 was held at Columbus High School Oct. 23rd.

The meeting was called to order promptly at 11 o'clock and the following officers were chosen: Miss Sallie Hunter, President; Mrs. J. W. Jack, Secretary.

The Program Committee chosen by the president are: John Gilbert, Chairman; Miss Mary Schwarberg, Miss Ida Acker.

A Round Table discussion by the teachers on plans for their work for the year was also conducted by the Superintendent.

Their plans were good, practical and possible; strictly in harmony with the teachers. Mr. Boyce Weaver represented the School Board with a few remarks.

Following plans of Teachers' Committee and Board, Supt. Cobb gave his plans giving much force and emphasis on the teacher being the initiative in it all.

Twenty-three teachers were present, quite a number of committeemen and two members of County School Board.
Among the committee and teachers was distributed State literature and blanks, North Carolina Teachers Reading Circle Books were in the hands of the Supt. ready for all teachers who are now ready to begin the work.
